Year 6 Shirt Signing

In the past, students have been able to have their peers sign their school shirt. This is an option for all students, but it is not compulsory. In order to ensure minimal impact on the last few days of school, shirt signing will only be allowed on the final day of school during the recess and lunch breaks – not before school. If students wish to have their shirt signed by peers, it must NOT be worn on the final day and students must bring their own permanent marker.
