Rapid Antigen Tests

Dear Parents and Carers,

Rapid Antigen Tests (RATs) are due to be distributed again to all families this week. To streamline this process, the school would like to give these tests directly to students to take home in their school bags. For this to happen parental permission needs to be given to the school.

Please complete the section below and return to the school as soon as possible so RATs can be sent home with students this week in preparation for testing on Monday.

Regards

Mr Travis
Principal
