Dear Parents and Carers,

We invite children who are 4 & 5 years old who are entering or considering entering primary school at Parkview Public School in 2021 to take part in **'Bright Beginnings'** a unique and valuable learning opportunity!

Bright Beginnings will be held on Monday, Tuesday, Wednesday & Friday mornings in 2020.

Programs will commence in **Term One** & will continue during school terms until the end of the school year. Sessions commence at **9.15am and finish at 11.45am.**

Please indicate on the enrolment form the days you would like your child to be considered for attendance at **Bright Beginnings** and we will confirm placements in November. Classes are limited to a maximum of 15 students so registering is vital.

Children will be required to bring a hat, wear suitable clothing for play and have a water bottle & healthy snack for morning tea.

'Bright Beginnings' is a play based Early Childhood Program designed for preschool aged children.

Programs will follow the **Early Years Learning Framework (EYLF)** reflecting the theme of **Belonging, Being & Becoming**. Groups will be facilitated by an experienced Early Childhood Educator .

Children will have the opportunity to play, explore and learn as they participate in a variety of activities developed around their individual needs and interests.

For enquiries please contact the Parkview Public School:
