PARKVIEW PUBLIC SCHOOL

WEEK 5 TERM 4 Commencing Monday 12th November 2018

Welcome to Week 5 of the term at Parkview Public School. We start the new week after acknowledging yesterday the significance of **Remembrance Day**, highlighted by the participation of some of our students and staff in the combined school's choir that performed in Mountford Park as part of the tribute to the Centenary of the Armistice that ended World War 1.

We were also privileged for Year 6 student **Blake Eisenhut** to be a part of the Leeton RSL Sub Branch's Remembrance Day service where he read a poem he composed in Year 5 regarding Australian Soldiers which was recently published by the Narrabeen RSL Sub Branch.

*Gun explode, guns overload
Bullets spear, green steam pops
The crimson dew runs dry
Next to the timeworn man
Lay still*

*Everyone knew he died in peace and honour
Let him lay still
Where he will be in a better place
And put a poppy on his chest*

Remembrance Day is observed at 11am on the 11th day of the 11th Month (November 11) annually, and provides an important opportunity for us all to acknowledge the sacrifices that were made and continue to be made by our servicemen and women. Well done to all of the students who participated or attended the event yesterday.

Today at our Monday Morning Assembly we took the opportunity to acknowledge our student's achievements in various UNSW Assessments that they sat earlier in the year. Among the outstanding results were:

English: Daniella Draper-Year 5 (Distinction), Montana Nardi-Year 2 (Credit)

Maths: Daniella Draper-Year 5 (Credit), Montana Nardi-Year 2 (Merit)

Digital Technology: Isabella Mills-Year 3 (Merit)

Science: Abigail Blacker-Year 3 (Credit)

Writing: Mackenzie Shute-Year 4 (Credit), Daniella Draper-Year 5 (Merit), James Rourke-Year 6 (Merit)

Spelling: Montana Nardi—Year 2 (Distinction)

We congratulate all children who participated in these assessments. Individual result sheets have been sent home with the children today.

Week 5 of the term promises plenty for our community with the commencement of the K-1 Swimming Scheme, the hosting of Year 3 2019 BYOD Information Sessions, the arrival of our Term 4 Book Fair and of course the P&C's major fundraiser for the year, our annual Christmas Carnival. Please consider the following:

BYOD Year 3 2019 Meeting

For parents and carers of students commencing Year 3 next year, we are hosting our annual Understanding Bring Your Own Device (BYOD) Information Session next Tuesday, 13th November in the IT Lab from 5.30pm.

We encourage all interested parents and carers of students in Year 2 who are entering Year 3 in 2019 to attend this session.

'Buy One, Get One Free' Book Fair

DESCRIPTIONS OF MATILDA FROM THE BOOK BY ROALD DAHL

Matilda is a very gifted and extraordinary child as she could say most words that adults can at the age of one. But her parents are half-witted, beastly and menacing people and the same goes for her brother.

Brooklyn

To Mr Wormwood, Matilda is an ignorant, dishonest, menacing girl. But she wasn't. She was lovely, caring and sweeter than sugar. She has mid-length brunette hair with a fringe.

Charlize

Matilda is a kind, brilliant, bright-hearted little girl. Her parents are lazy, ignorant and don't care about her. Her mum and dad look down on her like she is a gruesome little twit. Her brother isn't much better either.

Tyreece

Matilda often finds herself lost in her world of imagination. Sometimes she finds herself being yelled at by her ungrateful parents.

Jasmine

Matilda is an intelligent and gifted child, she is loving and caring. She is an extraordinary little girl spending one day every week reading adult books when she is only six years old.

Blake

Once a week, a five year old named Matilda walks to the library. She is quite extraordinary. She can read any book given to her. Her pretty, long hair and her sensible personality makes everyone love her, well everyone but her parents.

Adelaide

Matilda Wormwood is a special kind of girl, you could even call her a genius, but her parents disagree. They think she is a brat.

Mercedes

Matilda is a kind and caring special child. She is a really smart six and half year old. She really enjoys books from the library.

Brooke

Matilda is a smart, kind and caring little girl. She is gifted with a special power which allows her to move things without actually touching them. She absolutely loves reading and going to school to learn new things.

Chelsea

Matilda is a very talented little girl. She is a fast learner, she could speak fluently by the age of one. But she was born into a family who didn't commend her talents. She was ignored or at best punished.

Bicycle riding in the warmer months

The warmer months are the perfect time for family bike rides. Eurells of Leeton and Narrandera want to remind young families of safety surrounding children riding, as well as layby options available for Christmas gifts.

Bicycles are great gifts, providing endless outdoor and active fun. Lay-bys are available in store on children's bikes; get in early for the best range of options.

Catheads over summer can cause flat bicycle tyres. At Eurell's we can help with this, by installing slime and thorn proof tubes. These features are installed with each new bike purchase!

Safety tips:

- Always wear a correctly fitted helmet
- Get the bikes checked and fitted regularly to ensure it is in good working order
- Teach your children the road rules
- Make sure the children are easily seen in bright clothing and avoid riding at night
- For more information visit:
