PARKVIEW PUBLIC SCHOOL

WEEK 8 TERM 1 Commencing Monday 18th March 2019

As we commence this week it is impossible not to reflect upon the tragic events that have befallen our friends in New Zealand. The tragedy in Christchurch cuts to the very core of the values so many of us uphold. Regardless of your beliefs, background our culture, human life is incredibly precious and the actions in Christchurch both upset and unite us all.

Following the events in Christchurch many people will experience strong emotional and/or physical reactions. People may feel the need to share their anger, sorrow and acknowledge loss, even if they are not directly impacted by the event. For most people, these reactions will subside over a few days or weeks. For some, the feelings and reactions may last longer.

Some students could be affected to varying degrees and in different ways. How they are affected will depend on their emotional and social ties to the people involved in the event as well as their own resilience, emotional health and support networks. They will also be affected by the community's reaction and media reports. It is important that all people who feel affected can access support. We encourage any member of our community who requires support to contact the school so necessary assistance can be offered.

On a happier note, I would like to start this week by acknowledging the amazing achievements of our representative swimmers and basketballers last week. Whilst there are extended details in Talking Sport, it is appropriate to acknowledge that our school has eight new Riverina Sporting Representatives (some multiple) after two incredible days of sport last week in in Albury at the Riverina PSSA Swimming Championships and the Riverina PSSA Basketball Championships. Congratulations to all students on a wonderful achievement. We look forward to hearing all about their adventures!

The new week is a very busy one at Parkview highlighted by our engagement tomorrow (Tuesday) with **National Anti-Bullying Day** and **Harmony Day**. All students from our school will engage in these events, primarily based around celebrating what's great about our multi-cultural community and also engaging in activities that promote desirable behaviours and identify behaviours that are not wanted in our community.

Upon arrival tomorrow in classroom all students will receive a wrist band to signify their participation in the event and there will be a range in school activities acknowledging our diversity and highlighting strategies for Anti-Bullying! Be sure to ask the kids all about the day when they get home tomorrow.

The new week also sees P&C AGM being hosted this evening (Monday) and Kindergarten Best Start Feedback Conferences rounding a busy week on Friday. In between there are many exciting learning experiences for our children being highlighted by the Riverina Active Inclusion Sports Day being hosted in Wagga Wagga on Wednesday.

With such a busy period currently unfolding in our community, it is timely to outline some initiatives you may need to know more about.

During History this term, 1HD have been working on the unit 'Past and Present Family Life'. They have had lots of different conversations about what life was like in the earlier times compared to today. 1HD have been introduced to many different items that have been modernised over the years.

Braxton – televisions were all black and white in the earlier times.

Link – Most things back then were usually all black and white. Photos and the TV were both black and white.

Women also worked at home and looked after the children. They cooked and cleaned.

Anayah - Women didn't work in the earlier times. They would stay at home cleaning the house and looking after their children.

Lilly – All the irons and kettles were made mainly from metal. They are very heavy.

TALKING SPORT – WEEK 8, TERM 1

Riverina PSSA Swimming Championships

13 Parkview students represented LNPSSA at the Riverina PSSA Swimming Championships in Albury last Wednesday, 13th March. On a remarkable day of swimming, 8 Parkview students qualified to represent Riverina at the NSWPSA Swimming Championships at Sydney Olympic Park Aquatic Centre on April 12.

Daniella Draper produced an outstanding come from behind swim to finish second in the 11 Years Girls Backstroke and qualify for the NSWPSA Swimming Championships in an individual event for the third time. Earlier in the day **Xavier Chilko** narrowly missed Riverina selection being touched-out into 4th position in a brilliant personal best performance in the 9 Years Boys 50m Freestyle.

Arguably the highlight of the day were the performances of our relay teams. Our **Junior Boys Relay Team** consisting of **Jack Miller, Cruze Dale, Eden Richardson** and **Xavier Chilko** qualified eighth fastest for the championships and shaved almost 5 seconds off their qualifying time to finish a very commendable 6th in the Riverina.

Our **Senior Boys Relay** team produced possibly the shock of the day overcoming some talented relay teams and reducing their qualifying time by over ten seconds to finish the 2nd ranked team in the Riverina and qualify for the NSWPSA Swimming Championships in April.

The team of **Connor Holden, Tallis McMillan, Kian Henman** and **Kobe O'Callaghan** set a cracking pace, one that most teams could not match and in thrilling conclusion held on to justly secure a place at Sydney Olympic Park in April.

Our **Senior Girls Relay** team certainly delivered the performance of the day, the team of **Daniella Draper, Chelsea Blacker, Ruby Miller** and **Amelia Irvin** lowering their qualifying time by an incredible 17 seconds to shock the field and finish 2nd from Lane 7, qualifying for the NSWPSA Swimming Championships. The team, which two years ago were denied a place at Sydney Olympic Park by a mere 0.5 seconds, were determined to avoid a repeat, producing a thrilling performance to qualify.

Riverina Basketball Championships

8 Parkview students travelled to Albury last Thursday, 14th March to represent LNPSSA at the Riverina PSSA Basketball Championships held at the Lauren Jackson Basketball Stadium.

The LNPSSA Boys team proved to be unbeatable on the day, defeating Southern Highlands, Griffith and Wagga to finish the day as joint champions. All Parkview representatives produced some pleasing basketball, with Connor Holden creative as a guard and Luca Pitt a strong presence as a small forward.

Tallis McMillan and **Kobe O'Callaghan** were both also prominent and after some outstanding displays were both selected in the Riverina PSSA Boys representative team to contest the NSW Championships being held at Maitland in May.

The LNPSSA Girls team also produced some pleasing performances throughout the day to win two of the four games they contested. Taylah Axtill accumulated a significant number points scored as a guard, while Sophie Taylor and Chelsea Blacker were both in the thick of the action throughout the day. **Amelia Irvin** also impressed in her role as a Centre, and after some impressive performances throughout the competition, was selected in the Riverina PSSA Girls Basketball Team to contest the NSW PSSA Championships being hosted in Albury in June.

Congratulations to all of our students who participated in this experience and thanks is extended to the large number of community members who made the trip to Albury to support our children.

Riverina PSSA AFL Championships

Tallis McMillan and Kobe O'Callaghan will represent Leeton-Narrandera-Griffith at the Riverina PSSA AFL Championships at the Leeton Showgrounds this Thursday, 21st March. The boys were selected for this event following some impressive performances at the LNPSSA trial hosted at the Narrandera Sportground recently. Full details of their experiences will be shared next week in Talking Sport.

LNPSSA Rugby Union Gala Day

Almost 65 students attended the Stage 2 and 3 Rugby Union Gala Day on Friday at the Leeton Town Ovals. Parkview PS was represented by three Stage 3 boys teams, one Stage 3 Girls team, three Stage 2 Boys teams and a couple of Stage 2 girls who combined with Leeton Public School to form a team. Every student participated in a number of 20 minute games, playing in a 7-a-side format. For many students it was their first time playing this sport and they approached it with an eager enthusiasm.

Representatives from the local Leeton Phantoms Rugby Union club were on hand, and on the field, to assist players to learn the laws of the game and the associated skills. Leeton High School provided a number of referees who also supported all the students in their understanding of the game. Parkview players displayed excellent sportsmanship throughout the day.

There were a number of fantastic try-saving tackles, great team work in attack and excellent agility and fast-paced attacking skills. Overall, all students had an excellent day and thoroughly enjoyed being involved.

Active Inclusion Sports Day

Selected students from Yr 2-6 have been invited to attend a sports day in Wagga this Wednesday 20th March.

The students will be involved in having a go and trying different sports that they may otherwise miss out on. The students will travel by bus to Wagga to this day.

The day has been organized by Sports NSW. Some of these students will then go on and form part of our school representative Boccia team, to compete later this year.

Happenings 2019

Principal: Mrs Meagan Crelley

Well done to our Year 7 students who returned, from their camp at Laurel Hill, at the end of Week 6 with plenty of great feedback from their supervising teachers. Students were well behaved, engaged and wonderful participants during their time away. Our Year 11 leaders are also to be congratulated on their exceptionally mature and responsible approach to their duties while away and provided valuable assistance to students while on camp. Our senior students should be very proud of themselves as we are for their efforts.

Positive Behaviour for Learning prize draws

Years 8-12 celebrated our PBL prize draw during their Year Meeting on Friday 8th March. It was wonderful to see how many students had been acknowledged for being respectful, responsible learners during the term and I encourage everyone to keep demonstrating our values. PBL tickets can be placed in prize boxes in the breezeway to be entered for our term draws, with the next draw being in Week 9. Students can also save their PBL tickets to hand into the office when they have 25 tickets for those who aspire to earn merit awards to contribute to achieving a Platinum jacket as a senior student. Year 7 had their PBL draw the week before as they were at camp during Week 6 Year Meeting.

Tell Them From Me Student Surveys 2019

This year marks the third year we will collect information from students via the Tell Them From Me survey administered at the end of Term 1 and Term 3 every year. This survey provides us with valuable information on many different aspects of life at school including academics, wellbeing, belonging and future aspirations. The information from these surveys allows us to make changes where necessary within our school system to support our students as best we can. An information letter and Opt-Out form were attached to our last newsletter and available from the school website if you do not wish your child to participate. The survey is confidential and voluntary. Surveys will be administered commencing this week and will conclude by the end of term. A FAQ sheet provides more information about the information we can collect and how it will be used. Thank you for your support with this initiative.

School Photos Thursday 21st March

School Photos will be held this Thursday. Order/payment forms were sent home last week. Please ensure full summer school uniform is worn on our photo day. Please contact the school if you did not receive your order form on 0269532122.

World's Greatest Shave 5th April

Our school again wants to support the Leukemia Foundation by getting involved in the World's Greatest Shave to fight blood cancer. A group of proactive and very brave students will have their heads shaved on Friday 5th April. Others will colour their hair at home in support. Our Facebook page has a link for donations if you choose to support this worthy cause. Thank you in advance for your generosity and support and thanks to our students for their willingness to participate.
