PARKVIEW PUBLIC SCHOOL

WEEK 10 TERM 2 Commencing Monday 1st July 2019

The final week of what has been a wonderful first semester at Parkview Public School is upon us. This week we will celebrate the achievements of our children through Semester 1 Reports and acknowledge the positive conduct of our students through attendance at our Term 2 Reward Day on Wednesday.

This semester has been a wonderful one in our community thanks to the outstanding partnership of cooperation that exists between parents, educators and students in our community. We thank everyone who has made contributions to the experiences of children this semester and trust you are able to re-charge the batteries during the up-coming holiday break and look forward to another exciting term of learning and growing.

Please consider the following as you plan for the final week of the term:

Premier's Debating Challenge

Parkview's two Premier's Debating Challenge teams have enjoyed a terrific day of learning and debating as part of the first two rounds of the Premier's Debating Challenge hosted at Leeton PS last Wednesday. Our two teams, the Parkview Cats (consisting of **Amelia Irvin, Ruby Miller, Daniella Draper and Ali Haider**) and the Parkview Giants (consisting of **Drew Browne, Benji Roden, Jye Mawer and Eden Richardson**) represented our school with distinction and are now very well prepared for the up coming challenges in the Premier's Debating Challenge.

The opening debate saw the Parkview Giants argue the negative for the topic 'That primary schools should spend one afternoon a week teaching internet skills' against Leeton PS. The debate was a tight affair against a well organised Leeton PS team with the Parkview team narrowly being defeated.

The second debate of the day was adjudged as the highest overall standard of the day with the Parkview Cats arguing the negative for the topic 'That teachers should have to participate in all school sport and exercise classes just like students'. Parkview won a high level debate in a very close decision against Leeton PS.

The final debate of the day saw the Parkview Giants come up against Darlington Point. Arguing the negative argument for the topic 'That we should ban kids under 18 from buying junk food like lollies, chips and ice creams.' The team produced some well constructed arguments but could not sway the adjudicator in their favour.

The next rounds of the Premier's Debaing Challenge will take place early in Term 3. Well done to all of our participants on some pleasing performances during the day.

Term 2 Reward Day

The Term 2 Reward Day for all students in Kindergarten-Year 6 will be hosted next Wednesday, 3rd July. All children will enjoy the matinee performance of the Leeton High School musical 'Back to the 80s'. The cost of the Reward Day is \$2 which should be paid as cash to your child's classroom teacher (on-line payment is not an option for this excursion).

We are looking forward to a wonderful reward day recognising the tremendous efforts of our students throughout the term.

Tut Roadshow

The Tut Roadshow excursion being hosted on Thursday, 4th July is now full. Students who have returned payment for this event will attend this activity under the supervision of teachers throughout the day on Thursday.

Semester 1 Reports for all students will be distributed this Wednesday, 3rd July. All parents and carers will be invited to engage in Term 3 Personalised Learning Plan Conferences at which you will be invited in to ask any questions about your child's report and also set learning goals for the next ten weeks of learning. P&C Origin 3 100 Club Fundraiser

The Parkview P&C Association will again be hosting its annual Origin 3 100 Club, this year being conducted at the Yanco Club. School Banking

School Banking day is Tuesday! Children are encouraged to bring their bank books to the school and leave them in their class banking folder for processing. These books will then be returned to students on a Wednesday in preparation for the following week.

Students who are new to the school or wish to commence banking for the first time can contact the office to receive a pamphlet explaining the start up phase for individuals. It is a great financial literacy program so why not consider exposing your kids to the valuable skill of saving at a young age?

Term 2 with 4/5D

Science with 4/5D started with looking at adaptations of plants. Below are some pictures of the plant growth that has been occurring. We planted Poppies and Sunflowers and had different aims to our experiments.

The sunflower seeds grew so well that we thought in our front garden tyres we should plant some. So here's to remembering to water the sunflower seeds and having some bright flowers outside our room, keep an eye out on these.

We decided to add another path on the experimental journey.

Aim: How long will it take to grow different strains of rice ?

We used different strains of rice and learnt about how rice grows. We also set up the experiment like real scientists. We used filter paper and Petri dishes to set this experiment up.

We placed different rice strains into Petri dishes and labelled each container then watered and now just have to check the water amounts and wait to see what will happen next.

Some of our rice has now started to grow. We are now able to see the roots. We can't wait to see the final stages of this experiment.

TALKING SPORT – WEEK 10, TERM 2

NSWPSSA Hockey Knockout

Last Tuesday Parkview PS contested the opening round of the NSWPSSA Hockey Knockout when we played a talented Crookwell PS outfit at Jubilee Park in Wagga Wagga.

This event marked the first time Parkview had entered a team in the state knockout competition. Playing against a talented Crookwell team who boasted a NSW Representative, the Parkview team battled hard in the first half and while not able to get on the scoreboard, certainly put their experienced opponents under pressure, trailing 2-0 at half time.

The second half was again a tough battle for the Parkview team who were led by our courageous goal keeper Kobe O'Callaghan who repelled many opposition attacking raids. Parkview put together some excellent midfield combinations courtesy of Tallis McMillan and Charlie Watson while Hannah Quinn and Taylah Axtill also put their previous hockey experience to good use to put Crookwell under pressure across the field.

Despite this Crookwell eased to a 5-0 victory in a game that was played with great sportsmanship. Congratulations is extended to all of our children who participated with great enthusiasm and thanks is extended to the parents and community members who made the trek to Wagga to support the kids.

LEETON HIGH SCHOOL

News 2019

Principal: Mrs. Meagan Crelley

Careers Expo Tuesday 18th June

Congratulations to Mrs. Goring our Careers Advisor and Mrs Palmer for an outstanding Careers Expo 2019. We had numerous schools from across the Riverina attend which was very pleasing with more exhibitors set to be onsite in 2020. Leeton High School students were fine ambassadors and were also able to gain information from the multitude of exhibitors present on the day.

Our School Captains visit Sydney

Our School Captains, Caleb Watson and Molly Wright, joined other young school leaders at State Parliament and Government House on Thursday 20th June. Our Captains were able to meet and discuss important issues relating to young people with peers from other school across NSW.

Both students enjoyed their time in Sydney and represented our school with distinction.

Riverina Dance Festival 21st June

Twenty-six exceptional students travelled to Griffith Regional Theatre to participate in the 2019 Riverina Dance Festival on Friday 21st June. Our talented dancers took to the stage for two performances performing with the best dancers in the Riverina. We were also fortunate enough to have our very own Sky Dalglish in Year 11 perform the official Acknowledgement of Country to open the occasion. Emika Gooley, our very talented dancer in Year 9, was also recognised for her selection in the NSW Public Schools Dance Ensemble to perform at the 2019 Schools Spectacular in November. We also had some of our students work to manage backstage operations. These young people were amazing and kept things ticking over nicely. Our School Captains Caleb Watson and Molly Wright were exceptionally professional in undertaking their MC role during both shows, entertaining the audience with ease. All in all, this year's dance festival was an enormous success for our school and we thank our dedicated staff for preparing our students for this amazing opportunity. I also thanks our students for being marvellous ambassadors for our school.

NAIDOC Week 2019

On Thursday 4th July, Leeton High School will hold a celebration to acknowledge NAIDOC Week 2019. The powerful theme for this year is ***Voice. Treaty. Truth. Let's Work Together.*** We have engaged Mr. Michael Lyons and the Sandhills Artefacts group to share Wiradjuri Culture with our students and staff to commemorate this important time. Students will experience: Cultural Dance with Mr. Joey Longford; Story-telling and Didge playing Bush Food;; Indigenous Games; Aboriginal Artefacts; and Art. Celebrations will commence after recess. There is no cost for the day.

Year 7 2020 enrolment forms

We would be greatly appreciate getting enrolment forms into the school office by the end of term to help assist in planning for our Year 7 classes next year. Enrolment forms and other permission notes are available from the office or on our school website. Year 6 students have received an enrolment package during our Transition Program this term. ANNUAL VOLUNTARY SCHOOL CONTRIBUTION

The Annual Voluntary School Contribution is used to provide the much needed equipment and resources that are not provided by the Department Of Education.

Whilst this fee is voluntary, it is very beneficial for the use of our students. It would be appreciated if as many families as possible were able to pay this school contribution.

These contributions specifically target:

- Classroom student consumables
- Subsidising some whole school activities
- New library books

Our Annual School Contribution Fees are kept to a minimum:

First student enrolled \$25

Second student enrolled \$20

Third and subsequent students \$15 each

We appreciate your support of the school by paying your child/ren's Annual School Contribution.

Travis Irvin
Principal

(Please detach and send together with payment to class teacher)
