PARKVIEW PUBLIC SCHOOL

WEEK 8 TERM 4 Commencing Monday 2nd December 2019

A huge welcome to what will be another dynamic week at Parkview PS in the countdown to the conclusion of 2019. Week 7 of the term was a particularly busy one with a myriad of experiences for our children to engage in.

This included the commencement of the highly anticipated Years 2-6 Swimming Scheme at the Leeton Pool. We have enjoyed some excellent weather for the start of this program and are hoping for similar as we enter the second week of the activity (although today was not fantastic).

For our Year 6 students, Week 7 saw them engage in their final day of Transition before moving to High School. Students became familiar with what will be their educational surrounds and engaged in a number of peer support activities as they look forward to the challenges and excitement of secondary education.

For the parents of Kindergarten 2020 students, Week 7 marked the opportunity to engage in Parent Information Sessions linked to Fundamental Learning Skills Bags. It was great to see so many parents able to participate in these sessions. For those families who were unable to attend, these bags will be distributed at Kinder 2020 Transition Graduation on December 11.

Last Friday saw the hosting of another thrilling Farrell Cup Ball Games event. Full details of this event are contained in Talking Sport, but it was great to see the sportsmanship, application and enthusiasm of all students who participated in the event.

Last night saw the annual hosting of the iconic community event 'Light Up Leeton'. In particular, it was wonderful to see our Senior Dance Ensemble produce one of the highlight events of the concert performing their acclaimed Riverina Dance Festival piece 'Water'. Well done to all of the participants on again representing our school with distinction.

Last Friday also saw the distribution of 2019 School Photos courtesy of Master School Portraits-Riverina. If your child was absent on Friday, photos were distributed today.

There is much more to consider as we embrace the busy weeks ahead:

2019 Proud and Deadly Awards

The Leeton AECG's 2020 Proud and Deadly Awards will be held at the Parkview PS Hall this Wednesday, 4th December. Students who are receiving awards were provided with invitations last week while our Wiradjuri Dance Group will also be performing at the event.

Teacher's Federation Stop Work Meeting-Thursday, 5th December

This Thursday, 5th December the NSW Teacher's Federation has called a stop work meeting for members. This meeting is likely to be completed by 10am. Despite many teachers from our school attending this meeting, the school will remain open and supervision will be available for all students during this time.

Normal classes will resume at the completion of the meeting. Should something change, more information will be distributed via our Facebook Page.

Winhangara Playgroup 0-5 Years

All the fun of Winhangara Playgroup continues at Parkview Public School. Winhangara Playgroup offers free play based learning for all children 0-5 years in a safe and inclusive environment coordinated by our experienced Early Childhood Trained Teacher.

The Playgroup runs from 9.15am-10.45am every Thursday of the school term and features a free healthy morning tea! Bring the kids and bring a friend. We'd love to see you!

LHS MADD Matinee Attendance (Non-Swimmers Years 3-6)

This Thursday, 5th December students in Years 3-6 who are not involved with the Years 2-6 Swimming Scheme will travel to LHS to view the Matinee Performance of MADD 2019. The cost of this opportunity is just \$2. Students are requested to ensure they have returned their permission notes and money to school by Wednesday of this week. Please note that on-line payment is not available for this activity.

Notes that you can expect to see this week:

- **Presentation Night Invitations (invited students)**
- **K-6 Gold Reward Day Permission Note**
- **K-6 Term 4 Reward Day – Roxy Movie**

Notes in the last week:

- **Parkview in Print Order Form**
- **Proud and Deadly Awards Invitations (invited students)**

Kinder 2020 Transition and Graduation Day

Incredibly we are just 2 weeks away from the end of the Kindergarten 2020 Transition Program. Kindergarten 2020 Transition continues this Wednesday from 11.30am-1.45pm.

As is tradition, we will host a Kindergarten Transition Graduation event which will feature an information session, family lunch and Graduation Ceremony.

This event will be held on Wednesday, 11th December. We encourage all families involved with this event to return their lunch orders by next Monday, 9th December. For more information refer to your specific Kindergarten 2020 Transition Newsletters or contact the school.

Year 6 Graduation Dinner

Our Class of 2019 will be celebrated at our annual Year 6 Graduation Dinner on Wednesday, 11th December in the auditorium at the Leeton Soldiers Club at 6.30pm.

Pre-Graduation Photos have been arranged to be hosted at the Visitors Information Centre from 5.45pm on the afternoon of the event.

Semester 2 Reports

Teachers are currently putting the finishing touches on Semester 2 Reports which will be distributed to all students on Friday, 13th December.

Parents and carers who have questions in relation to these documents are encouraged to discuss them with their child's teacher.

Bright Beginnings 2020

Places are filling fast for Bright Beginnings 2020. If you are considering registering your child we encourage you to contact the school to secure your place for 2020.

There are still limited places available in the program as outlined below:

MONDAYS: Very limited places available

TUESDAYS: Very limited places available

WEDNESDAYS: Full (waiting list established)

FRIDAYS: Limited places available

School Banking

School Banking day is Tuesday! Children are encouraged to bring their bank books to the school and leave them in their class banking folder for processing. These books will then be returned to students on a Wednesday in preparation for the following week. Students who are new to the school or wish to commence banking for the first time can contact the office to receive a pamphlet explaining the start up phase for individuals. It is a great financial literacy program so why not consider exposing your kids to the valuable skill of saving at a young age?

BRIGHT BEGINNINGS

Golden Apple Docket Fundraiser

Please keep your Golden Apple shopping docket and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

Finally, as always, if you have an issue or concern please contact the classroom teacher, the appropriate Assistant Principal or myself. From time to time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal or myself.

ABOUT SHARKS!

We read the book 'Could a shark do gymnastics?' and used our shark expert knowledge to try and answer some of the silly questions!

COULD A SHARK GO TO THE DENTIST?

Sharks would eat the dentist!
Zarah

Sharks would have to go all the time as they lose their teeth a lot!
Cooper

Sharks would take a long time at the dentist!
Tori

COULD A SHARK PLAY TENNIS?

Sharks would use their strong tail to hit the ball!
Riley

Sharks would catch the ball in their mouth!
Olivia

Sharks would play tennis but they might swallow the ball!
Tayte

WHAT IF A SHARK HAD A PARTY?

Sharks would eat the people that went to the party!
Caleb

Sharks would eat all the food as sharks eat a lot!
Madeline

Sharks would scare away all the boys and girls that came to the party!
Celeste

COULD A SHARK GO TO A WATERPARK?

Sharks would use their slippery stomach to go down the slide!
Gemah

Sharks would scare away all the people so they would have the park to themselves!
Zara

Sharks would eat everyone in front of them on the slide!

Schools Spectacular 2019

Congratulations to our amazing Schools Spectacular performers who returned last weekend after a gruelling preparation and performance schedule at Qudos Arena at Homebush. Again, these great opportunities would not be available if it wasn't for our teachers and parent/carers who give up considerable time to organise and work with our students while they are away. The results are of course something we are all very proud of and I again thank the students for not only their stellar performances but their excellent behaviour while away.

Victor Chang Science Award

Lakaya Flew in Year 11 is a very talented student of Science who has been recently recognised for her interest and ability in this field as the well deserving recipient of the prestigious Victor Chang Science Award. This comes on the back of the recent Extension Science study day where our students Amelie Sachs, Lakaya Flew and Taylah Moore mingled with the state's budding young scientists in Sydney. Amelie and Lakaya were the recipients of two scholarships to assist in completing their Science study projects and Taylah has earned herself a start in the mentor program. Well done girls.

Compact Girls programs

Last Monday our Compact Legends (Years 7 and 8) and Compact Leap (Years 9 and 10) participated in a Graduation Ceremony. It was with great pleasure that the girls were acknowledged for their commitment and willingness to embrace the opportunity to be involved in such a unique opportunity to develop an awareness of self and of all the great possibilities that lay ahead. We owe a huge thank you to the Compact team – Dana, Ruby and Sarah who have run these great programs and who have been a super support to our students. Congratulations to all participants and we look forward to seeing great things from these girls in the future. Also thank you to Mrs. Schmetzer and the Year 11 Hospitality crew for their superb catering.

Year 7 2020 and Year 10 Peer Support

Year 10 students who participated in the recent two day Peer Support leaders were excited to work with Year 6 during their Orientation Day last Wednesday. Year 6 students had a great time and were very ably supported by Year 10 Peer leaders. Well done to these proactive young people who are showing true leadership skills working with our newest students. Peer Support is organised by Ms Litchfield and Year 7 2020 Year Adviser Mr. Sam Brown. If you would like more information regarding our excellent Transition Program for Year 6 students or enrolment forms please contact the school on 0269532122. We look forward to welcoming Year 6 to Leeton High School in 2020.

WIN Presentation

On Friday 29th November our WIN program students were recognised for their achievements at our whole school assembly. Students have had a valuable and productive time working with employers across Leeton to provide information, skills and experience around the workplace. This program couldn't happen without the generous support we get from our town and I'd really like to thank everyone involved. Employers and business houses attended with our participant families, to share in our WIN students' achievement during assembly time. Refreshments were held afterwards for our WIN program students and their guests. Congratulations to these students for their determination and resilience while working as part of this program. Three students secured apprenticeships as a result.

High Potential and Gifted Education Pilot Program

We are excited to share that our application to be part of the pilot group case study to implement the new Department of Education's High Potential and Gifted Policy has been successful. We are one of only a handful of schools to be selected across NSW. Our involvement in this pilot program will assist us to better target and support the learning needs of our high potential and gifted students, optimising their growth and achievement across intellectual, physical, creative and social emotional domains. This project will commence in 2020.

Year 7 2020 Enrolment Forms

The return of enrolment forms to the front office would be greatly appreciated so we can determine the number of Year 7 classes and staffing required for 2020. Enrolment forms are available from the LHS front office and from our school website. School Website <http://www.leeton-h.schools.nsw.edu.au/>

PARKVIEW PUBLIC SCHOOL

Parkview in Print

Another year at PPS is almost over. We have so many wonderful memories from 2019: Parkview in Lights, excursions, family days, sporting events ... the list goes on. The students have also been busy producing some amazing work across the year. What better way to remember all those fun times than with your own copy of Parkview in Print 2019!

Parkview in Print 2019 is a full colour school magazine filled with photos and recollections of a great year. *Orders are essential* so don't miss out.

Order your copy now for only \$15.00!

Money and order forms need to be at the front office by Friday, 29th November. Magazines will not be available for purchase after this date. Orders will be available for collection at presentation night on Monday 16th December.
