# PARKVIEW PUBLIC SCHOOL

WEEK 1 TERM 4 Commencing Monday 12<sup>th</sup> October 2020

How exciting is it for school to be returning for Term 4? We hope that everyone enjoyed some quality time with family and friends across the break and are ready for what will be a dynamic end to a unique and challenging year at Parkview Public School.

The last week of Term 3 proved to be an extremely busy one with a number of activities for our children to engage in and enjoy! Top of the list was the hosting of very enjoyable **Reward Days** for all children, highlighted by Movie Days for Years 3-6 and a Mini 'Leeton Show' for our K-2 students which not only raised money for the Leeton Show Society but also enabled the kids to have a whole lot of fun with the support of some awesome Year 11 students from Leeton High School.

The last Friday of the term was particularly busy despite some seriously inclement weather. Our traditional **SRC Footy Colours and Cupcake Day** raised over \$800 for the Fight to Cure Cancer Foundation which is a tremendous effort! We thank everyone who supported this initiative, and thanks in particular to our SRC for finding a way to host the event in such challenging circumstances!

We also hosted very high standard finals of the **Ian Lucas Memorial Public Speaking Competition**, this year in a slightly different format as the children had to deliver their speeches via Zoom due to protocols associated with the COVID-19 Pandemic. Every finalist did a fantastic job in delivering entertaining and engaging speeches, while the community support for the event was significant with a huge audience logging on via Zoom to enjoy the competition.

Congratulations is extended to the following winners of the competition:

Stage 1: **Airlie Chilko**

Stage 2: **Josephine Irvin and Miah Weymouth**

Stage 3: **Ruby Meline and Braithie Ingram**

You will notice when you are near the school over the coming days that the holiday period certainly has been a busy time with a number of improvements undertaken and projects closer to conclusion. These have included:

\*completion of **garden upgrades** in and around the Quadrangle and COLA. We thank Mrs Staines for overseeing these projects and acknowledge the work of Stephen McPhee and Rod McCallum in beautifying our school.

\*commencement of **painting** around the school linked to the roofing project. This is on-going and will be completed in the next couple of weeks.

\*installation of **new signage** and other features around the school including **Wiradjuri Totems** featuring artworks created by Parkview community member Mr William Ingram and the installation of totems in the newly restored **Peace Garden** that recognise current and former servicemen and women.

\*upgrades to working and class spaces within the school. These are also on-going as we seek to make our school an even better place to work and learn in!

The holidays also saw the hosting of the **Sunshine Supergirl Stage Production** at the West End Stadium in Griffith, which featured a welcome dance broadcast via video link that included 16 Parkview students who performed the 'Dance of the Murray Cod' and 'Awaken' along with students from other schools. We thank Mr Longford and Ms Hickson along with Mr William Ingram for helping to prepare our children for this opportunity.

We have an exciting and varied term in front of us and it all begins with a massive Week 1 of the term. Please consider the following as you plan your week:

## **COVID Protocols Changes-The big things for Parkview in a nutshell**

The NSW Government's announcement of a revision linked to COVID-19 Protocols means a number of things for our school. The following activities can now proceed (with strict COVID Protocols in place):

As always we'll have loads of play based learning experiences for the kids and a healthy morning tea to enjoy.

In line with the Department Of Education's COVID-Safe Plans, there will be some changes to the way we do our business, specifically linked to hygiene and adult social distancing, but we are committed to offering fun, stimulating and dynamic playgroup experience for the Parkview Community.

Bring the kids and bring a friend, we would love to see you!

#### **School Photos**

School Photos for 2020 will be conducted on **Tuesday, 20<sup>th</sup> October**. We request that all children are in full summer uniform for this event. Envelopes for the ordering of photos were distributed to students at the end of last term. If students did not receive these forms, please contact your child's classroom teacher who will still have these documents.

#### **Virtual Assemblies Via Zoom**

We will continue to host Virtual Assemblies via Zoom, with this week's Years 3-6 Assembly featuring KN as the Showcase Class. Zoom Links will be shared to student portal emails and also to parent emails during the week. Please note parents will need to access these links via their children's DoE credentials.

We have had an excellent response from parents and carers who have attended these assemblies via Zoom and we look forward to another wonderful virtual community event this week.

#### **COVID Safe Protocols.**

For information in relation to the latest COVID-19 protocols for schools, please follow this link <https://education.nsw.gov.au/covid-19/advice-for-families>

We are looking forward to another wonderful year of play based learning experiences in Bright Beginnings.

## **Golden Apple Docket Fundraiser**

A huge thank you is extended to the generous owners of the Golden Apple Supa IGA who have again made a significant donation to our school community via their Shopper Docket Fundraiser. Our school received a cheque for just shy of \$1,000 which directly reflects the shopper dockets that have been received by the school throughout the 2019 School Year. To help us raise even more money in 2020, please keep your Golden Apple shopping dockets and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.
