PARKVIEW PUBLIC SCHOOL

WEEK 2 TERM 4 Commencing Monday 19th October 2020

Week 2 of the term has arrived and marks the commencement of an incredibly busy period in our school community. We start this week by acknowledging the significant number of community members who engaged in the valuable Personalised Learning Plan Conference process via phone.

As always our staff feel well placed to structure an individualised term of learning for all children following these discussions. If you were not able to engage in a phone discussion regarding your child, we encourage you to make contact with your child's teacher this week.

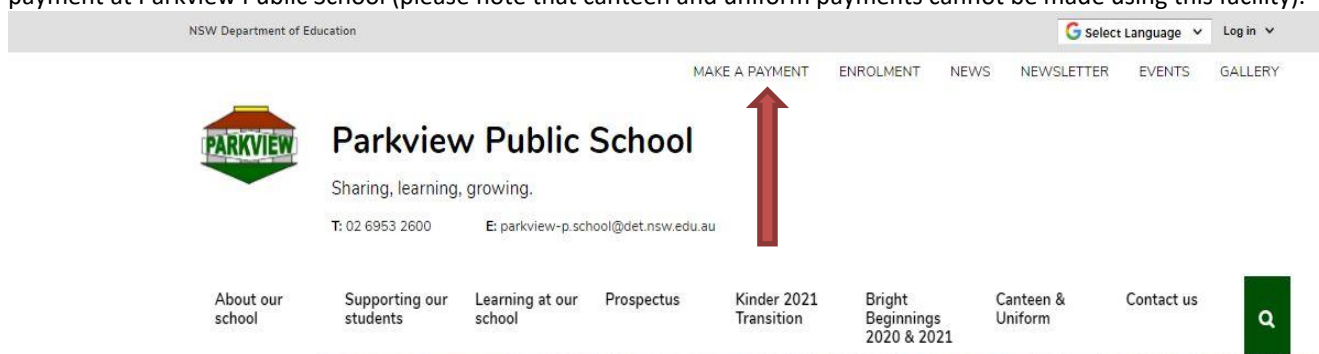

This week we are excited to share some extremely exciting news regarding Year 6 student, **Eden Richardson**, and his entry in the **'Seven Steps for Writing Success National Narrative Writing Competition'**. Eden's submission was one of 1900 entries nationwide! Incredibly, in what is a wonderful reflection on his high level writing prowess, he was one of just 88 students nationwide to receive acknowledgment for the quality of his entry, receiving a High Commendation for **'crafting powerful writing that engages the audience's emotions'**.

Eden was commended for elements that stood out in his writing, including lively and natural dialogue, evocative imagery, a creative use of setting and writing in a way that 'tugged' at the judges' heartstrings. Congratulations to Eden on a wonderful achievement. **You can enjoy Eden's award winning writing piece on the next page of the newsletter**

As we return to somewhat of a new normal, and we re-commence activities within the school that require payments, we would like to remind community members that **our preference for payments where possible is on-line, via the school website at <https://parkview-p.schools.nsw.gov.au>**. This method is easy and quick, and allows you to make payments directly from home.

Once payment is made, simply write your receipt number on your child's permission slip for whatever event you are paying for and return it to school. Below is an image of the website which shows you exactly where to click to make an online payment at Parkview Public School (please note that canteen and uniform payments cannot be made using this facility).

Welcome to our school

Mistaken Identity

“Why?” I screamed as he slowly bled out in my arms.

You're probably wondering how I got here, let's rewind. Hi, I'm James, and I'm a twin. My brother Jamie and I were born in 1997, and I was appropriately given the nickname twin one, since I was born one minute earlier. Our parents died in a car crash when we were three, so we got shipped off to an orphanage in London until we were eighteen. During those long fifteen years we had to find a way to keep ourselves entertained, so we began a prank war.

The pranks started off harmless, with locking doors, spraying water, and tapping shoulders, but as our brains began to enlarge, so did our pranks.

I pulled off my first major prank when I was eight years old. I put a bucket of slime on my door, and called his name. When he opened up the door, the bucket fell on his head. When he lifted it off of his head you should have seen his face, it was priceless!

I always knew the day would come when a prank went wrong, and that's where we are now. A month before it all happened I was sitting in my room on my bed thinking of prank ideas to retaliate for what he did to me, when it came to me. What if I were to fake my death? He'd go nuts. So for many, many weeks, I planned nonstop, until the day finally came, August 18, National Couples Day.

I knew he would be out with Brittney, his girlfriend, all day, couple canoeing over Lake Serpentine. So I got set up in position at ten o'clock sharp, when I knew they would be getting out of the lake for some food - it was also the time I had arranged with my 'hitman' from Craigslist. I saw them pulling up to the bank, and I also saw my 'hitman' walking over. It was perfect, all these months of planning hadn't gone to waste. My brother spotted me and jogged over to me. He asked me what I was doing here, and I replied with something like just checking in on you. Then the 'hitman' screamed, “Everybody get on the ground!” I stayed standing, I knew it was fake. My brother stayed standing as well. He had always stood by me and he wasn't going to stop now. The 'hitman' screamed again, “Get on the ground!” I looked him dead in his eyes and said “no,” just to really sell it. The 'hitman' lowered the gun to my chest, just as I told him in practise. Then he shot. He shot a real bullet. That wasn't meant to happen. My brother instinctively jumped in front of me, he had always said he'd take a bullet for me - I never believed him. The bullet hit him square in the stomach and he fell to the ground, the hitman ran away. I dropped to my knees, knowing he was a lost cause.

That's the story, in all its glory. That was ten years ago. Now I've got two children, and a wife. It's crazy. One minute you're mourning over your brother's death, the next you're in the hospital for your second kid. So just a bit of advice from someone who needed it ten years ago - never get caught in the moment.

Golden Apple Docket Fundraiser

A huge thank you is extended to the generous owners of the Golden Apple Supa IGA who have again made a significant donation to our school community via their Shopper Docket Fundraiser. Our school received a cheque for just shy of \$1,000 which directly reflects the shopper dockets that have been received by the school throughout the 2019 School Year. To help us raise even more money in 2020, please keep your Golden Apple shopping dockets and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

LEARNING ABOUT SPACE WAS A BLAST IN 1HA!

STAR FACT

A star begins when gravity pulls clumps of gas together.

The gas becomes a tight, hot ball.

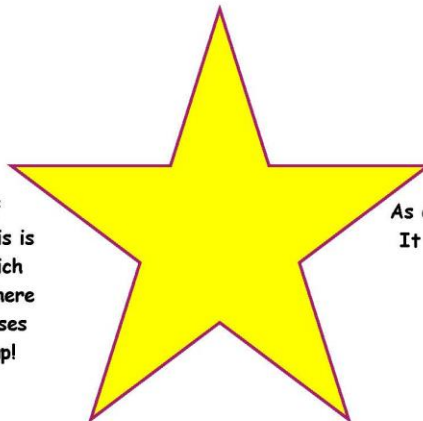

The ball gets hotter and hotter.

Nuclear reactions take place in the centre, and a star is born.

ROCKET POWER

Rockets need a huge amount of power. They burn a propellant. This is made of fuel and an oxidizer, which helps fuel burn in space because there is no oxygen in space. The hot gases that are made push the rocket up!

FUN FACT

As earth orbits the Sun, it also turns. It completes one turn every 24 hours giving us a day.

LEETON HIGH SCHOOL

News 2020

Principal: Mrs. Meagan Crelley

Phone: 0269532122

School Website <http://www.leeton-h.schools.nsw.edu.au/>

Facebook <https://www.facebook.com/LeetonHS>

Welcome back to Term 4! I would like to extend a warm welcome to all our new students and their families who have joined us this term. Also, we welcome Ms. Madeleine Roseby who is our new Learning and Support Teacher replacing Mrs. Naomi Bulter who previously held this position. Ms. Roseby joins us from Murrumbidgee Regional High School.

This term will again be a very busy one starting with our Year 12 students who will commence their Higher School Certificate examinations on Tuesday 20th October. I would like to offer our best wishes to Year 12 for their HSC examinations.

Year 9 poets excel

Congratulations to Jana Deaton, Madeline Irvin, Jessica Wells and Cathleen Metre who have had their poetry published in the Eastern Riverina Arts anthology 'ash, dust, air'. The anthology is a collection of teenage and young adult voices using the world around them as a stimulus. Our students had the opportunity to work in collaboration with author Gabrielle Tozer to refine and polish their final composition. Our school will receive a copy of the anthology as will the National Library, the State Library and NSW Parliament Library. What an outstanding effort from our students!

Gardening at Leeton High School

With the onset of beautiful spring weather, growing gardens across the school has taken off. Our Hands on Learning crew have established a native garden with the help of Mike Shultz from Riverina Wildflower who supplied 120 native plants for our garden. Thank you to Mr. Shultz for his assistance. The creation of this garden has also been made possible through the Sustainability Grant secured by our school in 2019. The creation of a sensory garden has also commenced this term with the planting of beautiful lavender plants and an array of vegetables and herbs. This garden is maintained by students as part of our wellbeing focus and will continue to evolve in design. Thank you to our Welfare Team for promoting this great project to enhance our environment.

Athletics Carnival 2020

While the weather was not ideal, our Athletics Carnival was a great success with students having a most enjoyable day representing their house and cheering on competitors. Student participation and sportsmanship was very commendable. Thank you to Mr. Stout and Mrs. Turner for all their organisation.

Congratulations to our 2020 Age Champions:

12 Years: Vula Wate and McKenzie Lee

13 Years: Kyson Freer and Ruby Miller

14 Years: Chase Lee and Taelah Simpson

15 Years: Beniel Dakunibubului and Molly Gilmour

16 Years: Dan Hillam and Brooke Eglinton

17+ Years: Angus Crelley and Emily Wright
