# PARKVIEW PUBLIC SCHOOL

WEEK 4 TERM 4 Commencing Monday 2<sup>nd</sup> November 2020

Welcome to Week 4 of what is a rapidly disappearing term. What an exciting week we enjoyed last week at our school highlighted by nine of our classes enjoying their major excursions for 2020.

Despite the inclement weather our Year 3 and Year 4 students enjoyed a wonderful couple of days on the **Borambola Excursion**.

Whilst many children reported the Mud Run was the highlight of the trip, there was much enjoyment and benefit gained from the team and confidence building skills experienced in kayaking, fencing, archery and other experiences afforded the children on this camp. We understand that 2020 has been a difficult year for families both financially and emotionally, and as such we are extremely grateful to parents who found a way for their children to be engaged in these invaluable experiences. The smiles on the kids' faces, the stories coming from their mouths and the pictures both later in the newsletter and online suggest this excursion will be one that is treasured for years to come.

Our staff and that of the NSW Sport and Recreation Centre reported that the children's behaviour and engagement were of the highest order which is a wonderful reflection on our community which we should all be proud of!

Likewise, your youngest children in Kindergarten and Year 1 had some memorable experiences last week on their major excursion for 2020 at **Altina Wildlife Park**. The children displayed incredible behaviour and interest throughout their trip and returned to school with loads of smiles and stories from their great adventure!

Last week was also significant for the commencement of Kindergarten 2021 Transition. It is always an incredibly exciting time when transition commences and we were grateful to welcome so many new smiling faces into our school for the commencement of their experience at Big School! Whilst a little shorter this year, we are very excited to have another 6 weeks of Kindergarten 2021 Transition to enjoy!

Another incredibly busy week of activities is upon us at Parkview highlighted by our postponed Athletics Carnival, the Year 2 Altina Wildlife Park Excursion and much more! Please consider the following as you plan your week:

## **Parkview Spelling Bee Final Amended Date**

Due to date changes beyond our control associated with the recent inclement weather, we have been forced to amend the date of the finals of the Parkview Spelling Bee to Friday, 13<sup>th</sup> November. As previously planned, this event will be livestreamed via Zoom for community members to enjoy. We will share more details relating to this coverage via email for relevant families in coming days.

## **Kindergarten 2021 Transition**

Kindergarten 2021 Transition will continue this **Wednesday, 4<sup>th</sup> November from 11.30am-1.45pm** in the Kindergarten Rooms at school. It is not too late to register your children for the program. Please contact the school for details!

## **Stage 3 Jindabyne Excursion**

We received some awesome news for our Stage 3 students this week with the confirmation that an amended overnight excursion will go ahead for the children from December 7-9!

We will be heading to the Jindabyne Sport and Recreation Camp which is a first for Parkview students which will be an exciting adventure. Information in relation to this excursion was distributed to Stage 3 children on Friday. We are hopeful all children will have the opportunity to experience this unique opportunity. We encourage parents and carers to contact the school should you have any questions or concerns in relation to this opportunity.

## **Virtual Assemblies Via Zoom**

We will continue to host Virtual Assemblies via Zoom, with this week's 3-6 Assembly featuring 3H as the Showcase Class. Zoom Links will be shared to student portal emails and also to parent emails during the week. Please note parents will need to access these links via their **children's DoE credentials**.

We have had an excellent response from parents and carers who have attended these assemblies via Zoom and we look forward to another wonderful virtual community event this week.

## **Notes that you can expect to see this week:**

- **Parkview Spelling Bee Information**

## **Notes in last week:**

- **Stage 3 Jindabyne Excursion EOI**
- **LNPSSA Stage 2 Soccer Permission**
- **Athletics Carnival Information**

### **Online Payments**

We would like to remind community members that **our preference for payments where possible is on-line, via the school website at <https://parkview-p.schools.nsw.gov.au>**. This method is easy and quick, and allows you to make payments directly from home.

Once payment is made, simply write your receipt number on your child's permission slip for whatever event you are paying for and return it to school (**please note that canteen and uniform payments cannot be made using this facility**).

### **COVID Protocols**

For the most up to date information relating to all school staff in relation to the COVID-19 Pandemic, please go to <https://education.nsw.gov.au/inside-the-department/covid-19/all-staff>

### **Winhangara Playgroup 0-5 Years CONTINUING THURSDAY!**

Winhangara Playgroup continues this and every **Thursday from 9.15am-10.45am** in the Parkview PS Hall.

As always we'll have loads of play based learning experiences for the kids and a healthy morning tea to enjoy.

In line with the Department Of Education's COVID-Safe Plans, there will be some changes to the way we do our business, specifically linked to hygiene and adult social distancing, but we are committed to offering fun, stimulating and dynamic playgroup experience for the Parkview Community.

Bring the kids and bring a friend, we would love to see you!

### **Bright Beginnings 2021**

We are now accepting registrations for Bright Beginnings 2021! Parents and carers of children who are 4 in 2021 and commencing (or considering commencing) school in 2022 are encouraged to register their children for our play based Early Childhood Program.

Registration Forms can be downloaded from the Parkview PS Website or can be collected from the School Administration Office. For more information please feel free to contact the school.

We are looking forward to another wonderful year of play based learning experiences in Bright Beginnings.

### **Golden Apple Docket Fundraiser**

A huge thank you is extended to the generous owners of the Golden Apple Supa IGA who have again made a significant donation to our school community via their Shopper Docket Fundraiser. Our school received a cheque for just shy of \$1,000 which directly reflects the shopper dockets that have been received by the school throughout the 2019 School Year. To help us raise even more money in 2020, please keep your Golden Apple shopping dockets and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

### **Following us on Facebook**

Are you on Facebook? To get all of the latest breaking news and previews of the coming school day ahead, like our school Facebook page and join over 1,450 followers who stay up to date with our school happenings via social media.

### Leeton Library CBCA Book Week 2020

Last week our very creative Year 9 and Year 11 Drama students contributed their own flair to Book Week at the Leeton Shire Library. Students read and performed some of the children's books featured in this year's CBCA Book Week celebrations much to the delight of the audience. Congratulations to Miss Wynan and students for their impressive efforts in showcasing a very unique and special book week 2020.

### High Potential and Gifted Education (HPGE) Policy

Recently, Leeton High School's HPGE Team met with educators and school groups across NSW to share some of the opportunities on offer here at school that reflects our progress with the early adoption of the High Potential and Gifted Education policy, which will be a mandatory policy for all Department of Education schools across NSW from next year. William Reis-Burke in Year 9 was a wonderful spokesperson delivering information and responding to questions from the online audience. William shared his interest in STEM and described the projects his class has undertaken since the commencement of our STEM elective class this year. William spoke confidently and clearly to the audience as part of our school's involvement as an early adopter school of the new High Potential and Gifted Education Policy.

Well done William!

### PBL Prize Draw Week 3

This term our Positive Behaviour for Learning lessons have focussed on developing better study skills, examination preparation, time management and healthy habits including nutrition and sleep.

Over the next week we will reinforce our expectations with a focus on the importance of following instructions and co-operation. I am delighted to report that teachers have acknowledged students demonstrating our values of respectful, responsible, learners 22,472 times this year which is a wonderful insight into how great our students are!
