WEEK 5 TERM 4 Commencing Monday 9<sup>th</sup> November 2020

Welcome to Week 5 of the term which is also **NAIDOC Week 2020**! A week of great significance for so many people in our community.

NAIDOC Week celebrations are usually held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people. Because of the impacts of the COVID-19 Pandemic, these celebrations had been postponed until November, and here we are celebrating NAIDOC Week from November 8-15!

NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support our local Aboriginal and Torres Strait Islander community.

This year's theme for NAIDOC Week is: **'Always Was, Always Will Be'**.

'Always Was, Always Will Be' recognises that First Nations people have occupied and cared for this continent for over 65,000 years.

'Always Was, Always Will Be' acknowledges that hundreds of Nations and cultures covered the Australian continent. NAIDOC Week 2020 acknowledges and celebrates that our nation's story didn't begin with documented European contact whether in 1770 or 1606 - with the arrival of the Dutch on the western coast of the Cape York Peninsula.

The very first footprints on this continent were those belonging to First Nations peoples. NAIDOC 2020 invites all Australians to embrace the true history of this country – a history which dates back thousands of generations.

It's about seeing, hearing and learning the First Nations' 65,000+ year history of this country - which is Australian history. We want all Australians to celebrate that we have the oldest continuing cultures on the planet. 'Always Was, Always Will Be'.

The last seven days in the Parkview community have been extremely busy. We hosted our annual **Athletics Carnival** which was won in thrilling style by Freeman House (details later in Talking Sport), continued **Kindergarten 2021 Transition** and concluded our K-2 excursions to **Altina Wildlife Park** with Year 2 the last class to enjoy their visit.

The new week promises to be another dynamic one for our students and broader community. Please read carefully the information in today's newsletter which incorporates changes to COVID-19 Protocols which come into effect on Thursday, 12<sup>th</sup> November:

## Notes that you can expect to see this week:

- **Parkview Spelling Bee Information**

## Notes in last week:

- **Stage 3 Jindabyne Excursion EOI**
- **LNPSSA Stage 2 Soccer Permission**
- **Athletics Carnival Information**

### **Parkview Spelling Bee Final**

Due to date changes beyond our control associated with the recent inclement weather, we have been forced to amend the date of the finals of the Parkview Spelling Bee to Friday, 13<sup>th</sup> November. As previously planned, this event will be livestreamed via Zoom for community members to enjoy. We will share more details relating to this coverage via email for relevant families in coming days.

### **Kindergarten 2021 Transition**

Kindergarten 2021 Transition will continue this **Wednesday, 11<sup>th</sup> November from 11.30am-1.45pm** in the Kindergarten Rooms at school. It is not too late to register your children for the program. Please contact the school for details!

### **Year 6-7 Transition @ Leeton High School**

Transition opportunities for our Year 6 students attending Year 7 at Leeton High School will commence in Week 6 of the term. While this year's program has been abbreviated due to the COVID-19 Pandemic, it will still be an extremely valuable experience for the kids. Transition for our students will be conducted on the following days:

**\*Friday, 20<sup>th</sup> November**

**\*Thursday, 26<sup>th</sup> November**

More details will be distributed in coming days to relevant students.

### **Stage 3 Jindabyne Excursion**

A reminder that the Stage 3 Jindabyne Excursion will go ahead for our children from December 7-9!

We will be heading to the Jindabyne Sport and Recreation Camp which is a first for Parkview students which will be an exciting adventure. Information in relation to this excursion was distributed to Stage 3 children on Friday. We are hopeful all children will have the opportunity to experience this unique opportunity. We encourage parents and carers to contact the school should you have any questions or concerns in relation to this opportunity.

### **Virtual Assemblies Via Zoom**

We will continue to host Virtual Assemblies via Zoom, with this week's K-2 Assembly featuring 2M as the Showcase Class. Zoom Links will be shared to student portal emails and also to parent emails during the week. Please note parents will need to access these links via their **children's DoE credentials**.

We have had an excellent response from parents and carers who have attended these assemblies via Zoom and we look forward to another wonderful virtual community event this week.

### **Online Payments**

We would like to remind community members that **our preference for payments where possible is on-line, via the school website at <https://parkview-p.schools.nsw.gov.au>**. This method is easy and quick, and allows you to make payments directly from home.

Once payment is made, simply write your receipt number on your child's permission slip for whatever event you are paying for and return it to school (**please note that canteen and uniform payments cannot be made using this facility**).

### **COVID Protocols**

The NSW Department of Education in consultation with NSW Health have published revised guidelines in relation to the COVID-19 Pandemic. These guidelines are extensive and can be found in full detail on the following link <https://education.nsw.gov.au/inside-the-department/covid-19/all-staff>

Below is a summary of the key elements that impact Parkview Public School. If you are in doubt regarding any of the protocols please contact the school for clarification.

#### **School attendance**

##### **Students should be at school unless:**

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition and the expected timeframe
- they are currently unwell.

In accordance with [advice from NSW Health](#)External link, parents and carers are reminded **NOT** to send children to school if they are unwell, even if they have the mildest flu-like symptoms.

NSW Health has requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the [COVID-19 clinics](#)External link.

Students and staff with flu-like symptoms will need to be tested and provide a copy of a negative COVID-19 test result and be symptom-free before being permitted to return to school.

Students who do not undertake a COVID-19 test result will not be permitted to return to school for a 10 day period. Additionally, they must be symptom-free for at least 3 days prior to returning to school. Students who have seasonal allergic rhinitis or another condition that presents similarly to flu-like symptoms are still required to get tested for COVID-19 and return a negative test result. Where their symptoms continue beyond 10 days, students should provide documentation from their GP confirming their symptoms are typical for their condition. If the student develops new or changed symptoms, they should get tested for COVID-19. Find more information about [COVID-19 symptoms](#)[External link](#).

COVID-19 testing for students with complex health or disability may be challenging. In these situations, schools will ask the parent or carer to have their child assessed by their medical practitioner. Where a medical practitioner determines that a COVID-19 test is not required, documentation must be provided to the school to confirm that the student does not have symptoms that warrant a COVID-19 test. The certificate must also indicate that the student is able to return to school.

Schools are not required to conduct widespread temperature screening or mandate the wearing of a mask.

All schools will be vigilant when implementing infection control, physical distancing and personal hygiene protocols to protect the health and safety of students and staff. Schools will promote the need to follow good hygiene practices such as:

- regularly washing hands
- avoiding sharing drinks or food
- coughing or sneezing into your elbow, or a tissue which should be discarded immediately
- filling water bottles from bubblers rather than using the bubbler directly.

All students and staff who reside in or have visited Victoria must have a [permit to enter NSW](#)[External link](#) and are required to comply with health restrictions relevant to their permit which may include the need to complete the 14 day self-isolation period commencing the last day they were in Victoria.

#### **School activities and school site usage without change:**

NSW Health has published [updated advice for schools](#)[External link](#) as we commence Term 4.

They must also maintain a minimum 3 metres space between the direction of airflow from their instruments and other performers.
- Singing and band rehearsals and performances should take place outside or in well ventilated indoor spaces.

### **Visiting NSW Schools**

Parents and carers are not allowed on school sites or at offsite school events held during school hours except for the following purposes only:

- essential parent and carer meetings with teachers and/or school executives

Dear parents,

We want to offer families more flexibility with their work commitments and child care arrangements and to create more opportunities across the whole community. Having Out of School Hours Care available at local schools is a great way to achieve this.

As part of the NSW Government's \$120 million Before and After School Care (BASC) commitment, parents at all NSW schools were recently invited to complete a Have Your Say survey. The survey asked parents to tell us how they are using Out of School Hours Care, how much it costs them, whether they plan to keep using it, and what difficulties they experience in accessing it. The survey results have helped us to better understand the needs of families and what's important to them.

We are now asking all parents to complete a [quick follow-up survey](https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey) by **Friday 27 November 2020**. You can access the survey at <https://surveys.education.nsw.gov.au/s3/OSHCParentSurvey>. This information will help us to target the rollout of more before Out of School Hours Care services in the right areas

If your child does not require Out of School Hours care, we ask that you please still complete the first section of this survey as it gives us important information about the level of demand at your school.

If you have any questions, please feel free to contact your school at Parkview Public School 02 6953 2600 or the BASC Program team by phone on 1300 244 145 or email at: [BASCReform@det.nsw.edu.au](mailto:BASCReform@det.nsw.edu.au)

## Parkview Public School P&C Raffle

The school's P&C committee is a non-profit organisation raising funds to provide much needed resources for the children of our school. This year, the P&C is raising funds for new playground equipment for the children.

As you may or may not know our school has gone from around 140 children in 2007 to around 400 at present. This is due to an enormous amount of hard work from our Principal, Travis Irvin and his teaching and administration staff at the school. It is also due to the support the local businesses and the people in the community have given to our school over the last few years.

Our P&C work very hard to raise money so we can provide our students with various opportunities throughout the year. It is a great feeling to know that we can provide the students with different experiences, and it's very rewarding to see the students enjoying these things. Our aim is having new play equipment for the children to play on, which would make a world of difference for the school community. We would like to Thank you everyone who has purchased tickets in supporting our school.

# *KE's journey to Antarctica*

Kindergarten have started our new theme of Antarctica. We had an exploration morning to experience what you might see or feel when going to Antarctica. We then made a list of things we might need to take with us on a journey to the driest place on Earth.

Things KE would take to Antarctica:

Jacket, jumpers, socks, a hot drink, boots, thermals, gloves, goggles, food, beanie, pants, camera.
