PARKVIEW PUBLIC SCHOOL

WEEK 4 TERM 4 Commencing Monday 25th October 2021

Welcome to the new week at Parkview Public School. The last seven days have been very exciting in our community, primarily for the **rehabilitation of the K-2 Playground** which has been transformed quite incredibly in the space of just seven days!

We are very much looking forward to the children being able to use this new space at some point this week. More details in relation to playground protocols for Week 4 of the term are contained later in the newsletter.

Last week also saw the successful hosting of **2021 School Photos**. All children who were present at school on Tuesday were incorporated in all photos so if you were unable to submit your payments prior to the event, we encourage you to call the team from Master School Portraits – Riverina who will be able to assist you.

Last week in the Leeton community we saw NSW Health announce a significant spike in the number of COVID-19 Positive cases across the Murrumbidgee Local Health District, with a positive sewerage sample confirmed in Leeton. Whilst these developments do not impact the strategies that have been in place at Parkview Public School for many months, it does provide a reminder that our area is not immune from the impacts of the current pandemic.

As such we would like to remind everyone to comply with the directions provided by the NSW Department of Education in consultation with NSW Health. These include:

*** not entering the school at pick up and drop off.**

*** if needing to visit the office for a pre-arranged appointment or uniform pick up, please scan in, wear a mask, sanitise and maintain social distancing.**

Another busy week is upon us at Parkview Public School. Please consider the following as you plan your week:

Mask Protocol Update for Schools

The current Public Health Order requires **all staff to wear a face mask or covering at all times when indoors** in all schools operating under Level 3, 3 plus and 4 restrictions. This includes adults in all Early Childhood Education and Care settings, including when caring for and educating children. **Parkview Public School remains under Level 3 Restrictions.**

Some exemptions may apply for staff with existing conditions **or in certain circumstances**. Exemptions include:

- **people can remove a mask or face covering when:**
 - **they are eating or drinking**
 - **engaging in strenuous physical exercise**
 - **they are communicating with another person who is deaf or hard of hearing,**
 - **the nature of their work:**
 - **makes the wearing of a fitted face covering a risk to their own, or another person's health and safety**
 - **means clear enunciation or visibility of the person's mouth is essential**
 - **because of an emergency.**

These amendments mean mask wearing outdoors is not mandatory, nor is it when it impacts the work we do with children who use your facial cues to assist them with communication.

We will continue to put in place all necessary precautions to ensure our community remains as safe as possible during these challenging times.

Applications for Selective High Schools Placement for Year 7 2023

Applications for placement in Year 7 in selective high schools in 2023 opened on **19 October 2021 and close on 17 November 2021**. Parents of Year 5 primary school students are advised of the opportunity to apply for these placements online. Parents must apply by the due date.

Application information can be downloaded from <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

Year 6 into 7 Transition Program Update

Our Transition Team has had to make some changes to our planned Transition Program. The Team has been working closely with our student leaders and have created a great introduction video that will be shared with our partner primary schools as part of our adjusted Transition Program. We have also scheduled some Zoom sessions as outlined below to provide students with a taste of high school subjects.

- Science with Mr Kennedy on Tuesday 9th Nov 10.10 to 11.10am
- PE with Mr McKenzie on Thursday 11th Nov 11.20 to 12.15pm
- Technology (Food) with Ms Hynard on Tuesday 16th Nov 11.40 to 12.40pm
- Technology (Wood) with Mr Brown on Wednesday 17th Nov 9.45 to 10.45am

Orientation Day will change from 25th Nov to 7th December 2021 (9.30 to 3 pm).

Parent Information Night (if within the guidelines) will also move forward from 30th November to 14th December from 6-7 pm. We will keep you updated in line with current Department of Education guidelines. ***Please return enrolment forms to your child's primary school or to the LHS front office as soon as possible.***

Share the Dignity Project

Each year, Share the Dignity runs a number of events aimed towards ending period poverty. From 19th–28th November 2021, they will be running the annual "It's in the Bag" campaign to encourage people to donate a bag and/or essential items to someone in need for Christmas. These bags are distributed to local charities that have registered with Share the Dignity. In turn, these charities make sure the bags get to those in our community who need them. This year, the Share the Dignity team in Griffith and Leeton are seeking donations to help support the campaign. Leeton High School would like to assist this essential initiative and are keen to collect the below items to pass on to help support women and girls in need. The following donations would be greatly appreciated: Bag (large handbag or "tote bag" size is ideal). Each bag will be filled with essential items such as shampoo, conditioner, toothbrush, toothpaste, soap, deodorant, sanitary products.

There is also an opportunity to add other items, such as a notepads and pens, sunscreen, hand sanitiser, face mask, hair bands, body wash, sponge etc. There is also a strong need identified for bags suitable for teenage girls. If you would like to donate a bag and/or essential items, you can hand in the items to our front office and our Wellbeing staff will distribute the items accordingly.

Extension Writing Groups Years 7-10

We are very excited to offer students across Years 7-10 the opportunity to participate in Extension Writing Groups delivered by published author and poet Sarah Tiffen. Our inaugural groups of students meet twice a week to explore various themes and concepts and to articulate their thinking through writing.

Parking in bus zones

Parents and carers are asked not to park in the bus zone area on Myrtle Street when dropping off or picking up students. This causes an unnecessary danger to students and bus drivers.

Positive Behaviour for Learning

We have been refreshing our knowledge on what it is to be respectful and responsible in our environment (including appropriate behaviours at school and in social situations) and how not demonstrating our values negatively impacts on others. We have also been sharing positive strategies to promote our 'best self' in every environment. This year our students have earned 27,652 positive PBL e-tickets. A wonderful achievement by our staff and students!

Remember: Please submit Year 7 2022 enrolment forms to your primary school or the LHS front office. Thank you to all the families who have done this.

Have a great week!
