# PARKVIEW PUBLIC SCHOOL

## WEEK 6 TERM 4 Commencing Monday 8<sup>th</sup> November 2021

Welcome to Week 6 of the term at Parkview Public School. The new week sees the commencement of amended rules for schools in relation to COVID-19 Protocols. Later in the newsletter we have provided an overview of the revised arrangements which provide us with greater flexibility for activities and learning experiences and allow double vaccinated parents and carers greater capacity to engage with elements of the school that have been unavailable for many months.

I encourage you to read the information provided and please contact the school should you have any questions in relation to the protocols.

### Notes that you can expect to see this week:

- [Learn to Swim Program Information](#)

### Notes in the last week:

- [Stage 2 and Stage 3 Excursion Information](#)
- [Term 4 Canteen Menu](#)

Last week saw us host the finals of the **Ian Lucas Memorial Public Speaking Competition**. The event is held annually and perpetuates the memory of much loved and highly respected former Parkview PS Assistant Principal Mr Ian Lucas. We enjoyed a very high standard of speeches in class this year with our finals hosted via Zoom last Friday. It was wonderful to have so many community members join us via Zoom for the event which featured some extremely entertaining and insightful presentations from all 42 finalists. Congratulations is extended to all our finalists and our eventual winners **Ava Weymouth** (Stage 1), **Miah Weymouth** (Stage 2) and **Josephine Irvin** (Stage 3).

This week we will release revised information in relation to the **Learn to Swim Program**. We have been working closely with Leeton Shire Council in relation to an anticipated pool opening date and as such we are optimistic swimming lessons for students in Years 2-6 will commence next week, most likely on Wednesday, 17<sup>th</sup> November. We will share more information when it becomes available.

Another busy week is upon us at Parkview Public School. Please consider the following as you plan your week:

### Revised COVID-19 Protocols

The Department of Education have released a range of revised COVID-19 Protocols for schools, with all public schools in NSW now the subject to the same conditions. The new rules are outlined below with the relevant impacts for Parkview annotated in **red**.

### **Parents and carers on site**

Fully vaccinated parents and carers will be allowed on site to support curriculum delivery, vulnerable students or students with disability, student wellbeing activities and school operations (for example reading support, canteens and uniform shops). Parents and carers must check in using the school check-in, show proof of vaccination on entry to the school site and follow mask-wearing requirements.

One fully vaccinated parent or carer is permitted to attend their child's Kindergarten orientation when conducted outdoors. For more information, refer to [Kindergarten orientation and transition](#).

Parents and carers must follow their school's advice regarding student drop-off and pick-up, which will usually require parents to remain off school sites at these times. This includes staying in the car when dropping off and picking up children if it is safe to do so. This does not apply to drop-off and pick-up from outside of school hours care (OOSHC) as sign-in and -out procedures are required for OOSHC.

Parents and carers should follow the physical distancing advice for their local area and avoid gathering outside of school gates. **For Parkview, this means parents can be invited to support learning in classrooms spaces (individual teachers will communicate if this is an option) and can enter the school to access the Uniform Shop. Parents are requested to remain outside of the school grounds for pick up and drop off.**

### **Assemblies and presentations**

Assemblies and presentations will be allowed outdoors on site. Cohorts will be separated with physical distancing in place where practicable.

Fully vaccinated visitors (including parents and carers) are only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school. All visitors must check in using the school check-in and show proof of vaccination. **The impact for our Presentation Event is yet to be finalised. We will return to cohort based assemblies from this Friday but these will still only be available to the community via Zoom.**

### **Dancing, singing, music and performances**

Dancing will be allowed indoors and outdoors in cohorts. **This means our school dance groups will resume in modified formats.**

Bands, ensembles, music classes and music tuition will be allowed within cohorts and only for instruments that do not rely on breath, as these pose a higher transmission risk. **This means we will consider a modified return of the school band program.**

Masks must be worn if playing instruments indoors. Masks are not required if playing instruments outdoors. Physical distancing must be maintained at all times.

Singing, chanting, group repetition and choirs are not permitted (except for HSC preparation and assessment purposes).

School performances, productions and concerts are not permitted. **As you are all aware, Parkview in Lights has been cancelled.**

### **Excursions and incursions**

Excursions will be allowed outdoors and indoors. If the excursion is indoors, the cohort will need to have sole use of the venue. **We are currently looking at options for our children which will be communicated ASAP.**

Excursions are day-only and not overnight.

Excursions must comply with any COVID-safe requirements in place for that venue. Note, the current public health orders (expected to be in effect until 15 December) mean that where excursions are held indoors at an entertainment facility, recreation facility or hospitality venues:

- anyone aged 16 and over must be fully vaccinated to attend venues
- children under 16 years of age who are not fully vaccinated can attend as long as they are accompanied by a fully vaccinated member of their household.

Transportation to and from venues must maintain cohorts.

Incursions will be allowed indoors or outdoors in cohorts. Any visitors on site to support incursions must be fully vaccinated and will be required to check in using the school check-in app and show proof of vaccination status on entry to the school site.

### **Graduations and formals**

Schools can plan for these events to be held from 1 December. However, Year 12 formals and graduations should not occur until after the final exam for that school's HSC cohort, which may be as late as 3 December.

Graduations and formals will be allowed within cohorts, either on school sites or at external venues.

For graduations and formals held on school sites, students in the cohort may attend regardless of vaccination status.

Graduations and formals held off school sites must comply with any COVID-safe requirements in place for that venue. Note, in external hospitality venues, current public health orders (expected to be in effect until 15 December) mean:

- anyone aged 16 and over must be fully vaccinated to attend venues
- children under 16 years of age who are not fully vaccinated can attend as long as they are accompanied by a fully vaccinated member of their household.

Currently masks are required for anyone aged 12 and over while indoors (and strongly recommended for primary school students) except while eating and drinking. If graduations and formals are held outdoors, masks are not required. **Year 6 Graduation will be held on Monday, 6<sup>th</sup> December. Details will be distributed shortly.**

### **Using shared spaces at school**

Shared spaces, such as changing rooms, libraries, school halls and other communal areas, may only be used by one cohort at a time, with adherence to strict personal hygiene protocols and physical distancing requirements.

### **Sports and swimming pool access**

From 1 November, school sports are allowed, including inter-school sports outside of school hours.

Schools can access pools (both indoor and outdoor) within cohorts and with COVID-safe measures in place to reduce mixing and mingling of cohorts. **Organisation for our Swimming Programs is well advanced with further communication to be shared this week.**

For more information, refer to [School sport activities](#).

### **Transitions and orientations**

Transitions and orientations will be allowed as long as they are designed to minimise mingling between visiting children and school cohorts.

These events are for students only, except for [Kindergarten orientation](#) where one fully vaccinated parent or carer may accompany their child for outdoor components.

Fully vaccinated parents or carers may attend any transition or orientation event if required to support a child with additional needs. **Kindergarten 2022 Transition continues as planned.**

### **Visitors and volunteers on site**

Fully vaccinated visitors – such as volunteers, allied health partners and other external providers – are allowed on site to support curriculum delivery, wellbeing programs and school operations that maintain student cohorts. These include programs such as reading support, canteens, uniform shops and gardening.

All visitors must sign in using the school check-in app and show proof of vaccination status on entry to the school site. For more information, refer to the [Vaccination requirements for school sites](#).

### **Community use of school sites outside of school hours**

Community use of school sites will be allowed outside of school hours, with a Community Use Agreement and a COVID-19 Safety Plan in place. The COVID-19 Safety Plan must be provided to the principal as part of the Community Use Agreement.

Community use of school sites should use outdoor spaces where possible.

### **Community use for sport, recreation and outdoor public gatherings**

If community use of a school site is for any of the following purposes, the organiser must develop a COVID-19 Safety Plan in the form specified by the NSW Government to meet public health requirements.:

- outdoor community sport
- indoor sport and recreation
- indoor pools
- outdoor public gathering such a market or fete

Further information on developing a COVID-19 Safety Plan for the above types of use is available at [NSW Government COVID-19 Safety Plans](#)[External link](#).

The organiser is responsible for ensuring that all attendees meet any specified vaccination requirements. All attendees must check in using the organisation's QR code.

For assistance setting up a free QR code, organisers should refer to the NSW Government's [Setting up electronic check-in and QR codes](#)[External link](#).

### **Playgroups that operate on school sites**

Playgroups are allowed to operate on school sites, with a COVID-19 Safety Plan in place.

All playgroups operating on school sites must ensure:

- All staff, volunteers and parents in attendance must be fully vaccinated and must show proof of vaccination status
- Staff, volunteers and parents must check-in using the playgroup's QR code. Parents should check their child as a dependent
- Physical distancing of 1.5 metres should be maintained at all times
- Any person aged 12 and over must wear a mask at all times indoors unless they have an exemption

Playgroups can develop COVID-19 Safety Plans in any form as long as the above requirements are addressed.

For assistance setting up a free QR code, organisers should refer to the NSW Government's [Setting up electronic check-in and QR codes](#) External link. **We are considering our options for Winhangara Playgroup and will communicate with the community when a decision is reached.**

#### **Parents and citizens associations meetings outside of school hours**

P&C associations may hold meetings on school sites outside of school hours without a Community Use Agreement or COVID-19 Safety Plan.

The local President of the P&C, or a delegate, must ensure:

- All P&C members that attend meetings on the school site must be fully vaccinated. The President (or delegate) must visually sight vaccination status to verify that requirements are met
- All P&C members in attendance at each meeting must check-in using either the school check-in code or a P&C-specific QR code

For assistance setting up a free QR code, organisations should refer to the NSW Government's [Setting up electronic check-in and QR codes](#) External link. **The next two P&C Meetings will be held on site.**

#### ***Other activities permitted***

When COVID-safe measures are in place – mask wearing indoors, full vaccination of adults on site, minimising mingling, square metre rules in place and good hygiene practices – then schools can continue to operate:

- canteens
- uniform stores
- early childhood services (OOSHC, vacation care, preschools etc.)
- special religious education (SRE), special education in ethics (SEE) or voluntary student activities of a religious nature in schools (VSA) in student cohorts
- emergency drills and evacuations where possible, conducted in a COVID-safe manner – this means where possible keeping classes, groups or cohorts together.

#### **Pre-service teachers and others on professional experience placements**

- Pre-service teachers and others on professional experience placements are required to be fully vaccinated by 8 November. Principals should ensure all placements meet these requirements.
- Professional experience placements are voluntary for all schools.

#### ***High-risk activities not permitted***

Schools must not undertake the following activities to avoid mixing of cohorts and to avoid an increased risk of transmission:

- overnight excursions or camps
- international excursions
- student visits to aged care facilities

#### ***Travel and public transport***

- Wherever possible students should be transported to schools by private vehicle to minimise mixing of cohorts while travelling to school
- Masks are mandatory on public transport. This applies to students aged 12 years and over, and staff when travelling to and from school and during school excursions by public transport or by chartered or private transport services
- All staff operating vehicles are required to wear a mask or face covering
- Children aged 11 years and under should be encouraged to wear a face mask while using public transport

#### **Applications for Selective High Schools Placement for Year 7 2023**

Applications for placement in Year 7 in selective high schools in 2023 opened on **19 October 2021** and close on **17 November 2021**. Parents of Year 5 primary school students are advised of the opportunity to apply for these placements online. Parents must apply by the due date.

Application information can be downloaded from <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

### Kindergarten 2022 Transition

Kindergarten 2022 Transition Program continues this Wednesday, 10th November.

If you are yet to register your child for Kindergarten 2022 Transition or know someone who intends on doing so, we encourage you to contact the school.

Below is a list of reminders regarding the transition program:

\* The program will run in the Kindergarten Rooms (enter through the gates near the big pencils on Park Ave) from 11:30am-1:45pm daily. **Parents and carers who are dropping children to Transition should enter the school via the infants gate and sign their child in at the table located outside the Transition Room. You will be able to collect your child from the same place at the conclusion of the program.**

\* Our complimentary bus service will run, supervised by Parkview staff.

\* Children who attend Bright Beginnings on Wednesdays will be accompanied by Parkview Staff from Bright Beginnings to our Transition Program at 11:30am.

\* Kindergarten Transition T-Shirts (not compulsory) can be purchased for \$10 from the School Administration Office.

\* Children should bring a **healthy lunch, drink bottle and hat** to all sessions. **Comfortable clothing** that are appropriate for the weather conditions and **practical closed-in shoes (such as joggers)** are encouraged.

\* If your child has **any emerging health conditions or an updated health care plan** it is vital that you update the school prior to the commencement of Kindergarten 2022 Transition.

### Parent and carers are reminded to:

- \* Maintain physical distancing
- \* Check-in using a QR code and please do not remain on site longer than 10 minutes
- \* Follow relevant medical advice including wearing a mask

If you have any questions or concerns or would like to have your child added to the bus timetable for Week 6 and beyond, please do not hesitate to contact the school.

## **Bright Beginnings 2022**

We are excited to invite registrations for Bright Beginnings 2022!

If your child will be 4 years old in 2022 and they are starting school in 2023, or you are considering enrolling them in 2023, we welcome your child's participation in our Early Years Learning Framework.

Bright Beginnings runs from 9.15am - 11.45am Monday, Tuesday, Wednesday, and Friday at Parkview Public School. If you have any questions or queries, we encourage you to contact the school during business hours.

To register your child, you can click on the link provided below or visit the School Administration Office for hard copy of the flyer.

We are looking forward to another awesome year of Bright Beginnings in 2022!

## **Winhangara Playgroup - TEMPORARILY CEASED**

Winhangara Playgroup has due to the current COVID-19 Lockdown. We will communicate with families as soon as we are able to resume this much-loved program.

### **Following us on Facebook**

Are you on Facebook? To get all the latest breaking news and previews of the coming school day ahead, like our school Facebook page and join over 1720 followers who stay up to date with our school happenings via social media.

## **Uniform Shop**

Our P&C Uniform Shop will continue its normal opening times of Monday 9am – 10am and Thursday 2.10pm – 3.10pm. If you require access to the Uniform Shop outside of these times please contact the school to organise a mutually convenient time to access your uniform needs.

## **Accessing the School App**

Get all the news and information of Parkview Public School at your fingertips through our School App! The app gives parents the ability to instantly access newsletters and calendar events without going to the website, or to send in a sick note while you stand outside the school because you forgot to write a paper note!

There are many other easy to use features on the App including maps, uniform price lists, canteen price lists, change of details notifications, Facebook links, the ability to send us photos of your favourite moments for your kids at school and much more. To download the Parkview PS App to your smartphone, go to either the Apple App Store or Android Google Play Market and search for **Parkview Public School**. Once you have found it press install or download.

## **How to Install Our School App**

### *On Apple*

- On your iPhone open the app store
- Search for our school name
- Press Install
- Enter your iTunes password
- It will commence downloading immediately

### *Android/Google Play*

- On your SmartPhone open the Android/Google Play market
- Search for our school name
- Press install
- Your app will start installing instantly

### *To Open Our School App*

- Look for our schools app icon on your phone screen
- Press the icon once
- It will open automatically

When prompted select yes to receive notifications and use your location (this will make sure the google maps and pop-up alerts work for you)

## WEEK 6, TERM 4

### Learn to Swim Programs

With the likely opening of the Leeton Regional Aquatic Centre in mid November, we are excited to commence planning for our Learn to Swim Programs which we were unable to coordinate in 2020.

As has been tradition, we will coordinate our usual School Sports Unit funded Years 2-6 Program for students who cannot swim 50m capably. In addition, our user pays K-1 Swimming Program will also be offered to all families.

If you have any questions in relation to this program please do not hesitate to contact the school.

### Year 6 into 7 Transition Program continues online this week

Our Transition Team has been working closely with our student leaders and have created a great introduction video that will be shared with our partner primary schools as part of our adjusted Transition program. We have also scheduled some Zoom sessions as outlined below to provide students with a taste of high school subjects.

- Science with Mr Kennedy on Tuesday 9<sup>th</sup> Nov 10.10 to 11.10am
- PE with Mr McKenzie on Thursday 11<sup>th</sup> Nov 11.20 to 12.15pm
- Technology (Food) with Ms Hynard on Tuesday 16<sup>th</sup> Nov 11.40 to 12.40pm
- Technology (Wood) with Mr Brown on Wednesday 17<sup>th</sup> Nov 9.45 to 10.45am

We are very much looking forward to seeing our newest students during these virtual sessions!

Orientation Day will take place on 7<sup>th</sup> December 2021 from 9.30 to 3 pm. Students will join us in person at Leeton High School for this event. Parent Information Night is scheduled for Tuesday 14<sup>th</sup> December from 6-7 pm. We will keep you updated in line with current Department of Education guidelines around this space. This event may take place virtually if we cannot accommodate parents and carers onsite due to current Level 3 guidelines.

**Please return enrolment forms to your primary schools or to the LHS front office as soon as possible so we can finalise classes for 2022.**

### Remembrance Day 2021

The loss of Australian lives from all wars and conflicts is commemorated on Remembrance Day which falls on the 11<sup>th</sup> November every year. Leeton High School pays respect to all those who have been impacted by war and conflict. Lest we forget.

### P&C purchases much appreciated by our school community

A huge thank you to the P&C for their generous donation of a water station that cools and filters water with three drinking fountains and three bottle filling outlets. The school has purchased an additional two water stations which sees three stations across the school in key areas. The water stations will be operation from Monday and will be a welcome relief as the hot weather comes in.

Thank you again to the P&C for providing all of Year 7 with the choice of a cap or bucket hat. This is of great assistance in keeping our students sun-safe.
