PARKVIEW PUBLIC SCHOOL

WEEK 5 TERM 1 Commencing Monday 22nd February 2021

A busy Week 5 of the term is upon us with a huge range of events for everyone in our community to engage with.

Before we get to what is coming up, it is worthwhile reflecting on what was a vibrant Week 4 of the term, highlighted by the hosting of our **Annual Swimming Carnival** at the Leeton Regional Aquatic Centre last Tuesday.

Our Swimming Carnival is always a special event where our children always step outside of their comfort zone and 'have a go'. This was again on display last week as children gave their best across all events with Thorpe House coming out on top as champions for 2021.

Whilst there is a full report in Talking Sport, we would like to acknowledge the community members who attended the carnival as either officials or supporters and adhered to the COVID-19 Protocols as required.

Whilst this is a different experience, I am sure we are all grateful for the opportunity to at least be at venues to see our children participate. We loved having spectators back at school sport!

Last week was also notable for the completion of **Kindergarten Best Start Assessments**. All children have now completed these assessments and parents will be invited to feedback meetings in the coming weeks. Keep your eyes peeled for the invitation to these discussions.

Last week also saw the commencement of our **Term 1 Scholastic Book Fair** (continues until Tuesday), the hosting of the team from **Old Kentucky Animal Farm** for our Playgroup and K-2 Children to engage with!

Week 5 of the term promises to be an extremely busy one. Please consider the following as you plan your week:

Parent Information Sessions

Our annual parent information sessions will be hosted tomorrow evening (Tuesday, 23rd February) at the following times and locations:

- * ES1: 5.30pm (KE Room)
- * S1: 6.15pm (IT Lab)
- * S2: 7pm (Hall)-note the change of venue
- * S3: 7.45pm (IT Lab)

We encourage all interested parents and carers to come along and learn more about what the 2021 School Year has in store for our children.

When arriving for the Information Sessions we remind you to check in using the Services NSW QR Code, sanitise and maintain social distancing of at least 1.5m.

Parent Attendance at the LNPSSA Swimming Carnival

Due to current COVID-19 Protocols, attendance at the LNPSSA Swimming Carnival will be restricted to one adult per family.

Families will be issued with **one (1) Event Pass** which they will surrender at the Leeton Regional Aquatic Centre Entry Point. Please note that season ticket holders will also need to show their season pass, whilst non-season ticket holder will need to pay the Spectator Entry Fee of \$2 to enter the complex.

Notes that you can expect to see this week:

-

Notes in the last week:

- **Parkview PS Swimming Carnival Permission (students turning 8 years and older)**
- **BYOD Notes**

If parents are leaving the complex during the day and intend on returning, they will need to get a pass off the Kiosk Supervisor and re-present this pass when they return to the venue.

In line with COVID-19 protocols, once inside the Leeton Regional Aquatic Centre, spectators will be required to spectate in a designated area of the facility (to be advised) and **will not** be able to interact with any of the students during the day. Whilst this is a different way of supporting your children, we ask that this requirement is respected to enable such opportunities to continue at future events.

We thank everyone for their understanding as we navigate the COVID-19 Protocols in place whilst at the same time trying to provide as many opportunities for our kids and keep our community as engaged as possible.

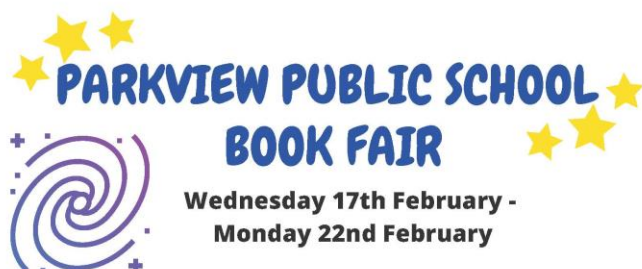

If you have any questions, please do not hesitate to contact the school.

Book Fair

Don't forget our awesome Term 1 Book Fair concludes tomorrow (Tuesday, 23rd February)!

Students have already made their wish lists and can return these wish lists with cash to school, or parents can make an online payment and return the wish list (with child's name on it) so the books can be distributed.

We thank the community for your wonderful support of our Book Fair which provides wonderful texts for our children and the opportunity to raise funds for more great books for our Library!

Students will bring home a Wish List with the book/ product and price.

You can then use the instructions on the right to make a payment. Detailed instructions are located on the back of this flyer.

or

Students can purchase books at school with cash during lunch on Friday 19th February and Monday 22nd February

Book Fair Wish List Prepayments

If your child brings home a Book Fair Wish List and you want to pay for these selections by credit card in advance, please:

1. Go to scholastic.com.au/payment
2. Click 'Book Fairs'
3. Enter amount and pay
4. Record receipt number on back of Wish List
5. Your child then takes this payment record back to school, chooses books at the Fair and takes receipt number to cashier as payment.

SCHOLASTIC Book Fairs

Step 1: Students will create a Wish List of products they would like at school and bring it home either on Wednesday 17th February, or Thursday 18th February.

Step 2: Cross off the products that you don't wish to order, then add up the total cost on the front of the Wish List.

Step 3: You can send the **cash** & the Wish List back to school in an envelope with the child's name and class
OR

You can make a payment **online** (following the steps on the front page) then record the receipt number and details on the back of the paper.

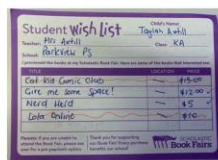

When making an online payment please remember to send the wish list back to school, we are unable to fill orders without this.

Step 4: Return the Wish List and the cash or online payment details to school with the student.

Step 5: Students can return the wish lists to the box located in the School Library or to Mrs. Axtill.

Orders will then be returned to the students; if the product they have ordered is not available an order will be made, once orders arrive at school they will be given to students.

Please ensure that you are making orders for Book Fair products only and not items in the Bookclub pamphlets.

Bring Your Own Device (Years 3-6)

Parkview will continue its BYOD strategy in Years 3-6 in 2021. Information around device types and user agreements were sent home with children recently. Please note that no students should bring a device to school until these documents are returned. Use of personal electronic devices in classrooms commenced last Monday, 15th February (for students in Years 4-6) and commenced today (Monday, 22nd February) for children in Year 3.

If you have any questions please do not hesitate to contact the school.

TALKING SPORT – WEEK 5, TERM 1

Parkview PS 2021 Swimming Carnival

The Annual Parkview Public School Swimming Carnival was hosted last Tuesday, 16th February at the Leeton Regional Aquatic Centre. It was a perfect day for competition in a wonderful new pool, with our children displaying tremendous resilience and sportsmanship throughout the day.

As always one of the highlights of the day was the 25m events, while the efforts of children competing in the 50m events (and longer) is to be celebrated! It was certainly all about the effort and less about the results... but some tremendous results including a number of personal bests, were achieved!

Congratulations is extended to our Age Champions (pictured below) and to Thorpe House who secured a thrilling victory in the final relay of the day!

Swimming Carnival

Congratulations to all participants who attended our recent swimming carnival at the magnificent Leeton Regional Aquatic Centre. Students were in excellent form and demonstrated great sportsmanship the entire event. Well done to our 2021 Age Champions on an awesome day in the pool. Hunter was crowned the winning house and deservedly so with a huge effort all day. Again, a wonderful way to start the school year and judging by Year 12's 80's inspired outfits, their traditional pool float was a perfect way to mark their final swimming carnival. The South West Swimming Carnival will be held in Leeton on 18th February. Best wishes to all competitors participating at this level.

To Whom it May Concern,

Re: Celebration of NSW Seniors Festival 2021

As you are aware NSW Seniors Festival will be observed in April in 2021. We would like to remind you that the Murrumbidgee Local Health District (MLHD) provides affordable physical activity options for seniors in your Council area. These physical activity classes are part of the Local Health District's focus on active ageing for falls prevention and enhancement of physical, social and emotional wellbeing of older adults.

Falls are the leading cause of injury for older people with one in three people aged over 65 years falling at least once a year. Evidence shows that regular physical activity, particularly balance and strength exercise, reduces falls risks. The MLHD attempts to reduce falls and keep older adults active by delivering:

- Evidence informed, low-cost physical activity classes for older people in the community. Over 100 trained volunteers lead aqua, gentle exercise and tai chi classes across all local government areas in the District.
- The *Stepping On* falls prevention program in over 20 community health facilities. This 7 week, evidence informed program, led by trained health professionals, is for those members of the community who are fearful of falling. This free programs consists of simple strength and balance exercises in addition to presentations from a range of local health providers.
- Healthy and Active Online – A free online and telephone coaching program. Running over 10 weeks the individual works through online modules focusing on healthy lifestyle topics. Participants are supported by a trained coach to reach their healthy lifestyle goals

The Health Promotion team are willing to attend your Seniors Festival events in April 2021 and provide support. We can run demonstrations of our available classes, provide information on the programs available in your area or provide resources to you for distribution.

In addition, I would appreciate if you could please add a link to your webpage that will take community members directly to the *NSW Active and Healthy Website*: www.activeandhealthy.nsw.gov.au. By entering a town's name, the website lists the classes that are available locally.

If you would like further information please contact the Active Ageing team on 0409 781 326 or mlhd-exercise@health.nsw.gov.au
