PARKVIEW PUBLIC SCHOOL

WEEK 10 TERM 1 Commencing Monday 29th March 2021

Welcome to the final week of an incredibly busy Term 1 of 2021. As we enter the final four days of the term, everyone in our community can look back with pride on what has been an extremely successful return to more normal schooling experiences following the lifting of COVID-restrictions. There are likely to be further relaxation of expectations at the start of Term 2 which we will share with the community when they become available.

Last week was very busy in our community with the successful completion of **NAPLAN Online Practise Tests** by all students in Years 3 & 5. Our kids responded very well to the online interface and enjoyed the experience. More details regarding the formal NAPLAN Assessments will be shared with parents and carers early in Term 2.

Last week was also memorable for our representative netball team who won the **LNPSSA Netball Championship** last Monday! Last week was also notable for all the hard work of our **Senior Dance Ensemble** coming to fruition when they submitted their audition dance piece for Riverina Dance Festival and KROP. Great job kids!

We have a busy few days as we move towards the Easter break. Please consider the following as you plan your week:

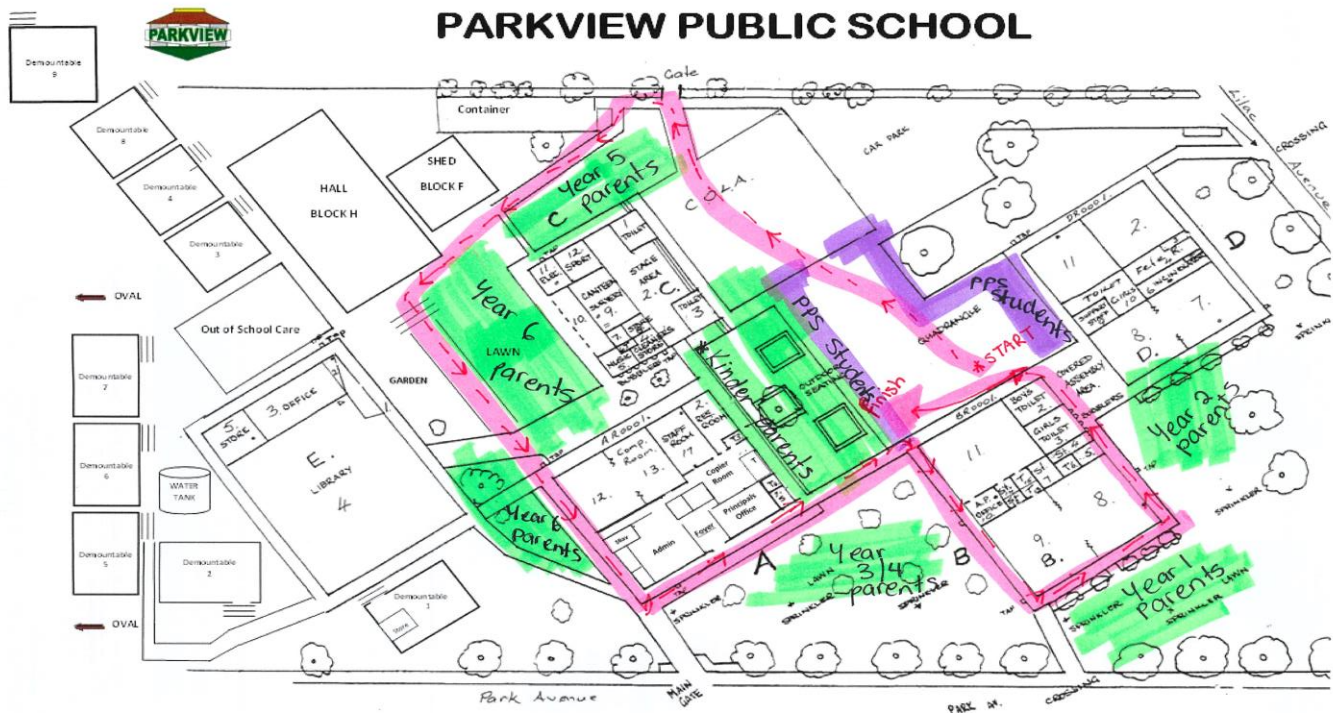

Easter Hat Parade

The excitement of our traditional Easter Hat Parade returns in 2021, with the event being hosted at school this Wednesday, 31st March from 12.30pm. There will be some slight changes to the event from what community members would be familiar with, with designated areas assigned for spectators to ensure social distancing can be maintained.

The parade path will be changed and indeed lengthened to accommodate the expected spectator numbers. We encourage all people attending to help us out by complying with these changes. Explicit locations for parents are included in the map below. Please ensure you scan in using the Service NSW QR Code displayed at the gate and then please socially distance in your allocated location. For parents who have multiple children, we ask you to assemble in the area of your oldest child.

Notes that you can expect to see this week:

Year 7 Camp – Laurel Hill 24th-26th March 2021

Year 7 have returned safe and sound from a fabulous three days in picturesque Laurel Hill. While the weather could have been better, students still enjoyed many activities and got to learn more about each other as a group. Thank you to Mr. Crosbie and Ms Byrne for organising this great experience and to other staff members who accompanied students away. Students were awesome!

Sporting success

This term we have an incredible number of students who have excelled in a variety of sports to qualify to represent the Riverina at state level. We currently have 36 Riverina representatives who will participate in a variety of sports including swimming, basketball, rugby league and netball at upcoming NSW CHS carnivals! Our Parents and Citizens Association is offering funding assistance to support parents/carers meet the costs of competing at Riverina or state level. P&C funding application can be returned to the school's front office to be considered at the next P&C meeting to be held on the 27th April. Well done to all our students and thank you to the P&C for their support.

Da Vinci Decathlon

This term we continued to build on the already extensive learning opportunities on offer here at Leeton High School. Our focus on the High Potential and Gifted Education policy has broadened our perspective on the many ways students can demonstrate their talent and potential. We are working hard to explore additional ways in which we can enrich our students to be their best and we are discovering many new resources to assist this development as well. This term, we are entering two teams into the DaVinci Decathlon competing against other school online in the following areas: English, Creative Producers, Science and Ideation, Engineering Challenge, Mathematics, Art and Poetry and Cartography, Code Breaking and Legacy. Best wishes to our Year 7 and 8 and Year 9 and 10 teams. The DaVinci Decathlon commences in April.

Mental Health Education Program

On Tuesday and Wednesday students will participate in the Mental Health Education Program supported by Head-space. This program delivers free mental health education workshops to school communities across Australia. The workshops have been developed to increase awareness, knowledge and skills in mental health literacy, accessing support and improving wellbeing for students. Workshops are interactive, strength-based and evidence-informed. Local primary schools will also be joining us on the Wednesday to participate in the workshops on offer.

Athletics Carnival Wednesday 31st March and Thursday 1st April

Our Athletics carnival will run over the afternoon of Wednesday 31st March and all day Thursday 1st April at the Leeton High School oval. Due to the large amount of students competing in other sporting events or the Year 7 Camp over the last week, or PE/sport staff have tried to accommodate other times to run events to keep the carnival to the current format. These alternate times have been listed on a Facebook page or read out during student notices. Parents and carers are welcome to attend but need to follow current physical distancing and hygiene practices and sign in procedures when at the oval. The school has a COVID Safety Plan for the event. Best wishes to all competitors!

Positive Behaviour for Learning

Students have been acknowledged 9.626 times for demonstrating positive behaviours so far this year. To celebrate, we will be holding an end of term MegaDraw. Next term our PBL weekly 30-minute lesson will focus on respectful and responsible behaviours through an anti-bullying and resilience program across Years 7-9. Students in Year 10 will commence an Academic Mentoring Program to best prepare them to undertake the transition into Year 11 in 2022. This program will support students in the subject selection process, to understand the requirements of courses, to explore ATAR and non ATAR study pathways, TAFE course options and more. This program will continue into Term 3. Year 11 and 12 will also explore a study-skills focus during their PBL lessons for Term 2.

Term 2 2021

Best wishes for a safe and restful Easter break. Staff return to school Monday 19th April and students return Tuesday 20th April 2021.

Have a great week!
