PARKVIEW PUBLIC SCHOOL

WEEK 6 TERM 1 Commencing Monday 1st March 2021

Welcome to Week 6 of a rapidly disappearing term at Parkview Public School. Week 5 of the term was an incredible week with so many activities and opportunities for a broad cross-section of our community.

Specifically, it was great to have such a large engagement from our community at our **Parent Information Sessions** last Tuesday evening. If you were unable to make the meetings please contact your child's teacher should you have any questions, and please also refer to the **Stage Newsletters** which were distributed prior to the meetings which contain some valuable information for all community members relevant to the educational experiences that are being delivered in each stage.

Last week also saw the conclusion of our **Term 1 Book Fair**, which was a tremendous success in our School Library. We thank everyone who supported this event which not only provided some wonderful literature for our kids but raised some much needed funds for the Library to purchase new texts for children to enjoy and borrow!

Last week was also a busy week on the **sporting fields** for our children with some wonderful things achieved which are outlined in detail in Talking Sport, while in the performing arts were also to the fore with significant work completed by our **Dance Groups** while registrations for **Band** and **Choir** opportunities which will commence this week were also requested from students. Children are reminded to pay attention to daily Sentral reminders and announcements to ensure they are aware of happenings for all of these activities.

Another extremely busy week is upon us. Don't forget the following as you plan your week:

2021 Student Representative Council

Our Student Representative Council for 2021 has been voted upon by class groups with elected students to be notified this week. An induction ceremony for our SRC will be held on Monday, 8th March.

Discovery Learning

All of the excitement, fun and mess of Discovery Learning commences this Thursday, 4th March for all children in Kindergarten-Year 2. Discovery Learning promotes many elements of learning for children through discovery, discussion, construction, planning and socialisation. Be sure to ask your children all about the experiences on a weekly basis. Students will attend in Year groups meaning children from different classes will mix with their peers during the experiences.

Children will be engaged in Discovery Learning experiences at the following times:

- *12noon-12.30pm: Year 1
- *12.35pm-1.05pm: Year 2
- *2.15pm-2.45pm: Kindergarten

Bright Beginnings

The excitement of our Early Years Learning Program, Bright Beginnings continues every Monday, Tuesday, Wednesday and Friday from 9.15am-10.45am in the Library. Parents are reminded that they need to scan in using the Services NSW QR Code outside the Library and also sign their children in at the table outside the Library.

If you are yet to register your children for this extremely beneficial school preparation program please contact the school to get more details.

Winhangara Playgroup

Winhangara Playgroup continues this **Thursday, 4th March** in the Parkview Hall!

Winhangara Playgroup offers free play based learning for all children 0 - 5 years in a safe an inclusive environment coordinated by our experienced Early Childhood Trained Teacher.

The Playgroup runs from 9.15am - 10.45am on every Thursday of the school term and features a free healthy morning tea! Bring the kids and bring a friend. We'd love to see you!

Notes that you can expect to see this week:

- LNPSSA Soccer Gala Day (Years 5 & 6)

Notes in the last week:

- LNPSSA Swimming Carnival Permission

Current COVID-19 Protocols

Below is summary of the relevant COVID-19 Protocols for Parkview Public School

What's changed

The following activities have been updated:

- Schools can now turn on water fountains and bubblers for students to use.
- P&C meetings can continue.
- Field trips, excursions and camps to VIC, QLD and ACT can continue where interstate border requirements permit.
- Orientation programs for department Preschools, Kindergarten and Year 7 can continue.

The following activities can continue:

- NSW Health advised that communal water fountains and/or bubblers in NSW schools can now be turned on. These facilities can remain operational, closing only if there is transmission of COVID-19 in the community. Students are still encouraged to bring water bottles from home that they can refill when needed.
- Parents and carers for Preschool, Kindergarten and Years 1, 2 and 7 students will be allowed on the school site to drop off their children at their classes on the first few days of schools provided they follow physical distancing and hygiene measures implemented by the school and the department. Parents and carer may also enter the school to pick up students for the first few days based on each school arrangements for these year groups.
- P&C meetings can be held after school hours with a COVID-19 Safety Plan. For regional and rural schools, up to 50 people can meet indoors or 100 people outdoors.
- Other school-based outdoor activities that involve parents and members of the community, such as working bees may occur on school sites. For regional and rural schools, up to 50 people can meet indoors or 100 people outdoors. A COVID-19 Safety plan will be in place for these activities. Physical distancing and hygiene measures must be adhered to at all times. All attendees must sign the visitor acknowledgement form upon arrival.
- In a primary school and preschool setting, in-class educational activities such as group repetition, chanting, recitation, or singing activities are permitted provided these activities take place outdoors or in large, well-ventilated settings.

School activities and school site usage without change

Schools will apply the following guidelines to adhere to NSW Health advice:

- Where possible, students will stay within their relevant cohort group (i.e. class, year group, stage, sporting house group, curriculum group, or musical group) for all learning activities within their school in order to limit close contacts to the relevant student cohort.
- Interschool activities can continue to take place.
- External providers delivering educational services can proceed with a COVID-19 Safety Plan in place.
- Activities involving musical instruments can proceed. Students playing non-reeded woodwind instruments such as flutes and recorders should be positioned so that they can maintain a physical distance of 1.5 metres from all persons (including other members of the musical group). They must also maintain a minimum 3 metres space between the direction of airflow from their instruments and other performers.
- Singing and band rehearsals and performances should take place outside or in well ventilated indoor spaces.

Visiting NSW Schools

Parents and carers are not allowed on school sites or at off-site school events held during school hours except for the following purposes only:

- Essential parent and carer meetings with teachers and/or school executives, with a scheduled appointment. This includes scheduled meetings with parents and carers of prospective students.
- Parents and carers who attend a school administration building or another defined location for the purpose of picking up their child if they are unwell or where they have been asked to arrange for a COVID-19 test after their child has displayed flu-like symptoms while at school.
- Parents and carers who attend a school's administration building or other defined location for the purpose of picking up or dropping off a child with disability.
- Parents and carers who need to be on-site for canteen and uniform shop duties or to collect or purchase uniforms.
- Parent or carer volunteers required as educational support roles for activities essential to the delivery of the curriculum such as reading groups, music, dance and kitchen garden areas. Schools are required to have scheduled programs in place and remind parents and carers that they must not attend school unless it has been previously arranged.
- Parents and carers can attend parent orientation meetings and 'meet the teacher' meetings with school staff for all year/stage groups. Meetings should be limited to 1 hour where possible. A COVID-19 Safety Plan must be in place.
- Parents or carers of boarding school students who would like to collect students for local activities.

Activities on hold

The following events will continue to be reconsidered. For now, these events must remain on hold.

- International excursions (cancelled until further notice).
- Certain large arts and sports events are cancelled or delayed because they require feeder activities and have long lead time organisational arrangements. Please speak to your schools if you would like to know more.

School performances, productions, plays and concerts

School performances, productions, plays and concerts can continue. These events must comply with the department's guidelines and NSW Health requirements for COVID safe events.

Schools must have in place and comply with the relevant COVID-19 Safety Plan when planning and conducting these events. The following considerations for schools apply:

- Ensure that all attendees, including students, staff and visitors, parents and carers, are well and free of any flu-like symptoms.
- Events held on school sites will need to limit guests based on the physical distancing requirements as per the [relevant square metre rules](#)^{External link}. Schools will need to invite guests based on the total number of people (this includes staff, students, parents & carers or visitors) who are able to be accommodated.
- For seating arrangements ensure there is enough space for distancing of 1.5 metres between non-household members.
- Ensure people remain seated as much as possible to minimise mingling outside of household or close friend groups.
- Catering arrangements will comply with the COVID-19 Safety Plan requirements where appropriate.
- Special guests such as the Local Member of Parliament, one videographer or photographer may attend events. Special guests must be kept to a minimum and be included in the maximum number of participants.
- Singing and musical activities at the event must adhere to the department's guidelines for singing, musical activities and creative arts consistent with NSW Health advice for group singing and musical ensemble.
- Ensure all visitors follow the two step school sign-in process including the COVID safe QR check in.
- Maintain a record of names and contact details for all attendees including school staff and visitors for at least 28 days after the event. This record must only be used for the purposes of contact tracing for COVID-19 infections and be stored confidentially and securely. If possible, create and maintain a record of the seating plan to support contact tracing.
- External visitors should not be allowed access to areas outside of the designated event venue and should leave promptly at the conclusion of the event.
- When holding events at external venues, all external venues and providers must have a COVID-19 Safety Plan to ensure health and safety measures are in place.

School Banking

School Banking will continue tomorrow (Tuesday, 2nd March)! Why not involve your child in this wonderful financial literacy opportunity? Contact the school for more details on how to get your child involved.

Following us on Facebook

Are you on Facebook? To get all of the latest breaking news and previews of the coming school day ahead, like our school Facebook page and join over 1530 followers who stay up to date with our school happenings via social media.

Uniform Shop

The Uniform Shop will continue its normal opening times of Monday 9am – 10am and Thursday 2.10pm – 3.10pm. If you require access to the Uniform Shop outside of these times please contact the school to organise a mutually convenient time to access your uniform needs.

Accessing the School App

Get all of the news and information of Parkview Public School at your fingertips through our School App! The app gives parents the ability to instantly access newsletters and calendar events without going to the website, or to send in a sick note while you stand outside the school because you forgot to write a paper note!

There are many other easy to use features on the App including maps, uniform price lists, canteen price lists, change of details notifications, Facebook links, the ability to send us photos of your favourite moments for your kids at school and much more. To download the Parkview PS App to your smartphone, go to either the Apple App Store or Android Google Play Market and search for **Parkview Public School**. Once you have found it press install or download.

How to Install Our School App

On Apple

- On your iPhone open the app store
- Search for our school name
- Press Install
- Enter your iTunes password
- It will commence downloading immediately

Android/Google Play

- On your SmartPhone open the Android/Google Play market
- Search for our school name
- Press install
- Your app will start installing instantly

To Open Our School App

- Look for our schools app icon on your phone screen
- Press the icon once
- It will open automatically

When prompted select yes to receive notifications and use your location (this will make sure the google maps and pop-up alerts work for you)

Parkview Public School Website

Don't forget to log on to www.parkview-p.schools.nsw.edu.au for all of the latest news, pictures and calendar updates for your school and links to educational information that is relevant to your child!

Golden Apple Docket Fundraiser

Please keep your Golden Apple shopping docket and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

Finally, as always, if you have an issue or concern please contact the classroom teacher, the appropriate Assistant Principal or myself. From time to time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal or myself.

Regards,

Travis Irvin
Principal

WEEK 6, TERM 1

LNPSSA PS 2021 Swimming Carnival

46 Parkview students represented our community at the 2021 Leeton-Narrandera PSSA Swimming Carnival held at the Leeton Regional Aquatic Centre last Tuesday.

As always our children represented our school with distinction, displaying great application, determination and sportsmanship.

Our students produced some wonderful performances on the day with **Xavier Chilko** winning the 11 Years Boys Age Championships.

The following students have qualified for the Riverina PSSA Swimming Championships:

Leeton-Narrandera-Griffith AFL Trials

Six Parkview students represented our school at the Leeton-Narrandera-Griffith (LNG) AFL Trials held at the Narrandera Sportsground last Friday.

All boys represented our school with distinction at a high standard trial, with **Cruze Dale**, **Salvatore Alampi** and **Xavier Chilko** selected to represent LNG at the Western Riverina AFL Championships being hosted at the Leeton Showgrounds on Friday, 12th March.

We congratulate all of our participants on their achievements.

LNPSSA Soccer Championships

The LNPSSA Soccer Championships will be hosted this Friday, 5th March. All students in Years 5 & 6 will be attending these events. If they are not in representative teams, they will play in the 'Gala Day' component of the events. Boys will travel to the Leeton Ovals Precinct whilst Girls will remain at Parkview and participate in the event on our school oval. More information will be distributed to participants separately from the Newsletter.
