## WEEK 8 TERM 1 Commencing Monday 15<sup>th</sup> March 2021

Welcome to Week 8 of the term. The new week is a significant one in our community as we acknowledge and celebrate the twin events of **Harmony Week** and the **National Day of Action against Bullying and Violence**.

Parkview Public School is a wonderfully diverse and multi-cultural community, and this week we celebrate our cultural diversity by embracing the **Harmony Week** message *everyone belongs*. We cannot re-inforce more strongly the wonderful benefits of the cultural diversity of our community. We encourage all community members to embrace the values of respect, equality and freedom this and every week of the year, to continue to make our school, our town and our country a wonderful place for everyone to live!

At Parkview Public School we work hard every day to ensure the safety and wellbeing of our students. The **National Day of Action against Bullying and Violence (NDA)** is an important bullying prevention initiative, connecting schools and communities to find workable solutions to bullying and violence. We acknowledge that this process is an on-going one that requires excellent communication, vigilance and understanding from students, staff and community members. The theme for the NDA 2021 is **Take Action Together**. This theme aims to elevate student voice, empowering young Australians to join the conversation. We are looking forward to continuing to develop the skills and confidence of our children in these areas.

To engage our students in the twin activities of Harmony Day and NDA our Student Wellbeing Crew led by our Youth Outreach Worker Mrs Anna Celi have planned a huge range of activities for the week including:

### Monday 15th March

To celebrate the start of Harmony Week/NDA, classrooms have been encouraged to be decorated in orange for the duration of the week. This is a great introduction to discussions around the importance of the week and includes our children in the process by encouraging them to bring in anything orange to help with the decorating. The winning classroom will be judged on Friday this week with the winning class being provided with a hot chip lunch on Friday 26th March. In addition, each student will be supplied with a smallish rock and have until Thursday lunch time to decorate it with words or pictures which depict harmony/friendship/kindness on one side and their name on the other. The Wellbeing Crew will collect them on Thursday afternoon and run a rock hunt for all children, a great way to re-inforce their key messaging linked to the week.

**Tuesday 16th** - Rock painting during afternoon session in classes.

**Wednesday 17th** – Classes will commence contributing to our Harmony Wall which faces the Quadrangle at school. All classes in K-2 will be involved on this day.

**Thursday 18th** - **Wear Orange to School Day** and classes conclude handprint art on Harmony Wall. All classes 3-6 will be involved on this day. Rock Hunt will also be conducted on this day.

**Friday 19th** – Judging of the winning orange classroom and winner announced.

As we look back on last week, it is timely to acknowledge everyone's efforts during **School's Clean Up Australia Day**. I would also like to acknowledge the coordination of the SRC and the efforts of our students on Friday to make a contribution to the **Clean Up Australia** cause.

Last Friday also saw the return of community attendance at our **weekly Friday Assemblies**. It was great to have parents back at this event. A reminder to all community members considering attending these events that it is of the utmost importance that you adhere to COVID-19 protocols including checking in using QR Codes, sanitising hands and observing social distancing requirements. **Audience seating is clearly set out for community members to observe these protocols and we encourage you to observe these precautions.**

Last week also saw many of our students achieve amazing things on the sporting fields, highlighted by the selection of **Xavier Chilko** and **Josephine Irvin** in their respective Riverina PSSA Basketball Teams. Full details of these achievements and much more are contained in Talking Sport later in the newsletter.

There is lots to enjoy as we approach the last 3 weeks of the term. Please consider the following over the page as you plan your week:

### Notes that you can expect to see this week:

- **Easter Hat Parade Information**

### Notes in the last week:

- **LNPSSA Rugby Union Gala Day (selected students Years 3-6)**
- **Harmony Week and Anti-Bullying Day Information.**

### Parkview P&C Annual General Meeting

A reminder to all community members that the Annual General Meeting of the Parkview P&C Association will be tonight Monday, 15<sup>th</sup> March from 7pm in the Library at school.

All financial members of the Parkview P&C Association are entitled to vote at this meeting. Come along and help in the decision making processes of your parent and community body!

### Kindergarten Best Start Conferences

Kindergarten Best Start Feedback Conferences will be conducted at school throughout this week. A reminder for parents and carers of the days and venues for these conferences is included below:

Tuesday: Miss Eddie (KE) in Interview Office (located in Administration Office)

Wednesday: Mrs Norman (KN) in Kindergarten Office (located next to the Infants Bubblers)

Thursday: Miss Brett (KB) in Interview Office (located in Administration Office)

We look forward to engaging with the parents and carers of all Kindergarten children during these conferences.

### K-2 Theme Day

The eagerly anticipated K-2 Theme Day is fast approaching, being hosted this Friday, 19<sup>th</sup> March. The idea of the day is to reinforce the wonderful thematic learning that our children in Kindergarten, Year 1 and Year 2 have been engaging with throughout the year. Thematic learning extends to all elements of the curriculum and is a genuine way of engaging all children in all facets of the curriculum.

During K-2 Theme Day, we encourage all children to dress up and enjoy the activities planned for the day that relate to the learning the children have been enjoying so far this year. Kindergarten students are invited to wear either fairytale, nursery rhyme or superhero clothes while Years 1 & 2 students are invited to wear 'Pirate Clothing' clothing in line with their theme.

### NAPLAN Practise Papers

Students in Years 3 & 5 will engage in NAPLAN practise experiences next week as we continue to prepare our children for engaging in NAPLAN Assessments which will be held in May. The purpose of the practise experience is to familiarise our children with the type of questions and interfaces they will experience. Our aim is to have the children familiar with this style of questioning so we can gain an accurate assessment of their understanding from these assessments.

Parents and carers are reminded that these assessments are a point in time assessment and one of many measures we use to track the understanding of our children in relation to the curriculum. We do not want the children to be stressed by engaging in these assessments, as they do not define them as a person, and are best used to provide feedback for teaching staff to track children and support our internal assessment linked to our where to next options for each individual child in literacy and numeracy.

If you have any questions or concerns please do not hesitate to contact your child's teacher.

### P&C Easter Raffle

The Parkview P&C Association are again hosting their Easter Raffle this year, with the purchase of tickets available via their online ticket platform. Over \$300 worth of Easter Chocolate is available, with the raffle being drawn at the Easter Hat Parade on March 31<sup>st</sup>!
