# PARKVIEW PUBLIC SCHOOL

**WEEK 1 TERM 3 Commencing Tuesday 13<sup>th</sup> July 2021**

Welcome to what will be an exciting Term 3 at Parkview Public School. We trust that everyone in our community has enjoyed a wonderful winter holiday period with family and friends.

The start of the new term is shaped by the application of changes to COVID-19 Protocols in schools across NSW. The Department of Education, based on advice from NSW Health, has devised guidelines for schools based on the known challenges of COVID-19. The current restrictions linked to our school are outlined below.

## **COVID-19 Protocols**

All students are expected to be at school unless they have even the mildest of COVID-19 symptoms.

Under the current health orders, there is nothing to restrict students and staff who must attend school from moving between two areas with different levels of restrictions. Students and staff should reduce traveling to geographical areas with higher levels of COVID-19 restrictions in place.

## ***A reminder for all families***

Students should not attend school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms should be sent home and should not return until they have received a negative test result and are symptom-free. In circumstances where children have other medical reasons for recurrent symptoms a letter from their GP is sufficient to negate the requirement for a negative test.

Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received.

## ***Masks and face coverings***

While at school, masks or face coverings are recommended in all indoor settings for:

- all students in Year 7 and above
- all staff in school settings

Masks are mandatory on public transport. This applies to students aged 13 years and over, and staff when travelling to and from school and during school excursions by public transport or by chartered or private transport services.

## ***Visitors***

Non-essential visitors are not permitted in schools. Some visitors are permitted in schools based on the guidelines that follow.

Parents and carers must follow their school's advice regarding changes to drop off and pick up including staying in the car when dropping off and picking up children if safe to do so.

Parents should:

- maintain physical distancing by avoiding gathering outside of school gates
- remain outside of school grounds (note some exceptions may apply regarding schools for specific purposes, vulnerable students or students with disability)
- follow mask-wearing requirements and sign in using the Service NSW QR code when entering the school

## ***QR code sign-in process for all staff and visitors***

The NSW Government have introduced mandatory QR codes across a range of additional settings, including schools.

Parents and carers permitted on school sites for specific purposes are required to check in using the QR codes available and check out once they leave the school site.

## ***What is permitted during school hours and within schools under these restrictions***

**Schools can operate:**

- SRE/SEE (Scripture)

More details regarding the structure of these interview, taking into account COVID-19 Protocols will be distributed to families in the coming days.

### Wakakirri and KROP Dance Postponed

Due to the recent change in protocols for schools linked to the COVID-19 Pandemic, our participation in the dance events of Wakakirri in Canberra and KROP in Griffith has been **postponed**.

We are still optimistic that both of these events will proceed later in the year should the current outbreak be controlled, however more information will be made available for participants as it becomes known.

Our children will continue to rehearse for upcoming events in the Leeton Eisteddfod and Parkview In Lights in line with appropriate COVID Protocols.

### Term 3 Book Fair

The excitement of our **Term 3 Scholastic Book Fair** reaches Parkview PS next week! Details linked to this process are included in a separate flyer which has been distributed to all children today.

If you have any questions in relation to the Book Fair please do not hesitate to contact the school.

### Riverina PSSA Soccer Quarter Finals

Parkview PS competed in the Riverina Quarter Finals of the NSW PSSA Knockout in the last week of Term 3. Both the boys and girls team travelled to Finley for their matches against Finley PS.

After a brief warm up, the girls were on the quite damp and boggy field. It was a fairly evenly matched first half with strong defence from Gracie Daly and Miya Hoffman. Finley also had a strong backline, and a couple of handy forwards constantly putting Parkview under pressure. But through strong team work and great goalie work from Makayla Heath, no goals were scored by either team in the first half.

The second half started much the same as the first, possession going to and fro. But after five minutes, Finley's forward pressure found an open goal and led 1-nil. Shortly, thereafter, Finley followed up for their second. But the Parkview girls did not give up. Lucy Gilmour displayed consistent high effort while Mikayla Cawdell-Smith also showed great skill through the midfield. Finley closed the game with another late goal to win 3-0.

The boys took to the field next, further battling the wet, muddy pitch. Playing on a smaller than usual field, the Parkview boys were a little stunned as Finley slotted a goal from halfway into the top corner. Only minutes later, Finley put another one on the board. Parkview didn't lose focus and worked harder on the game plan. The boys key focus was controlling the ball, using their skill and playing down the sidelines. Salvatore Alampi, Cruze Dale and Dean De Valentin were leading with their actions. Jett Laycock, Jye De Paoli and Jaskirat Singh lifted the backline defensive efforts too and Bailey Irvin made some great saves in the goals, going in to half time 2-0 down.

After half-time, the Parkview team continued to dominate control and soon secured a penalty in the box; Salvatore found the back of the net. The Parkview boys lifted and secured another to level the game with Salvatore scoring. Finley hit back almost immediately. Parkview challenged further with Deegan Tiffin, Jack Crowe and Lucas Dowley showing a high work

ethic. Parkview scored again as Dean found space and got it passed the goalie to tie the scores at 3-3, but Finley we're not done, scoring again to be back in front.

As the minutes ticked away, it was going to be a challenge for the Parkview boys. Johannes Ganderton, Xavier Chilko, Salvatore, Cruze and Dean displayed good ball movement, attacking hard. Xavier jumped on a loose ball to score and levelled the game once again at 4-4! With one minute to go, Parkview had a few opportunities and controlled the ball in the attacking zone. Dean was rewarded for the teams constant effort, scoring as the final seconds ticked down. Parkview hit the lead for the first time in the game! One last ditch defensive effort was required as the final siren rang, and the Parkview boys took victory 5-4. An amazing result from an incredible game of soccer that sees Parkview progress to the Riverina Semi Finals for second competition in a row.

Dear parents, guardians and carers

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards,

**Mr Travis Irvin**

The wait is finally over after months and months of preparation and rehearsals. Commencing this Tuesday, Leeton High School presents Shrek, the Musical! I have absolute admiration for the cast and crew who have demonstrated incredible commitment to this production and have invested so much time over so many months to make this spectacular event happen. Likewise, the time and effort extended by our teachers and parent helpers has been nothing short of superhuman. Thank you in advance to everyone involved. It is going to be an awesome show! If you haven't already, don't forget to purchase your tickets for the 2021 production of Shrek the Musical. More matinee seats have been released so please don't miss out. Tickets can be purchased through the front office, box office at the doors of the MPC or online using the following link:

<https://tinyurl.com/ShrekLHS>. Please note: purchasing tickets online incurs a 0.50c fee per ticket. We can't wait to see this incredible showstopper from our

students and Creative and Performing Arts faculty. We look forward to seeing our partner primary schools at LHS to see the show!

### Platinum Jacket Award Winners

It is my great pleasure to announce that three of our Year 12 students, Sarah Allen, Mikayla Pearce and Emily Wright received their Platinum Jacket at Monday's whole school assembly. The Platinum Jacket is the pinnacle of our school Merit System and represents continued excellence and the consistent demonstration of our school values of being a respectful, responsible, learner. These three students have been outstanding ambassadors for Leeton High School over the last six years and have contributed immeasurably across many domains – academic, sporting, citizenship and cultural to high acclaim. Congratulations to these ladies and their families. We thank them for your outstanding contribution to Leeton High School.

### PBL End of Term MegaDraw

This week, at our whole school assembly, we celebrated our PBL successes with an end of term MegaDraw. Students in Years 7-9, over the course of this term, have participated in PBL lessons focussing on Anti-Bullying, Resilience, Empathy, Kindness and Compassion. Our Year 10 students explored being a responsible learner by engaging in our Academic Mentor Program aimed at providing a better platform through which to navigate the subject selection process to explore future learning pathways which will continue into Term 3. Year 11 and 12 also honed their study skills and self-care through their PBL lessons.

I would like to proudly mention that to date, students have been recognised for being respectful, responsible, learners 17,694 times this year. Congratulations to all students for their positive contribution to our school and thank you to our teachers for constantly acknowledging students demonstrating our values.

### Transition Year 6 into 7 2022

Our Transition program continues next term with the LHS Transition Team visiting our primary schools. Please see attached flyer. We can't wait to meet Year 6 again!

*Best wishes for a safe and restful holiday. Staff return for Term 3 on Monday 12<sup>th</sup> July and all students return Tuesday 13<sup>th</sup> July. Stay safe.*
