Term 3 Book Fair

The excitement of our **Term 3 Scholastic Book Fair** arrived at Parkview PS last week and children have commenced class visits for browsing which will continue tomorrow as well! There are loads of awesome titles to check out.

Due to COVID Restrictions preventing non-essential people on site, this Book Fair will again follow the successful model used in 2020, where children visit the Fair, create wish lists and allow parents to either pay by credit card or cash. Details linked to this process were distributed last week. Please note we have added an additional day for cash sales, with children able to bring money in for purchases on Wednesday, 21st July and Thursday, 22nd July. Sales will only be available at lunch time.

If you have any questions in relation to the Book Fair, please do not hesitate to contact the school.

P&C Meeting

The **July Meeting of the Parkview P&C Association** will be held in the IT Lab (note the new venue) this evening from 7pm. All interested community members are encouraged to attend.

If you are attending, please:

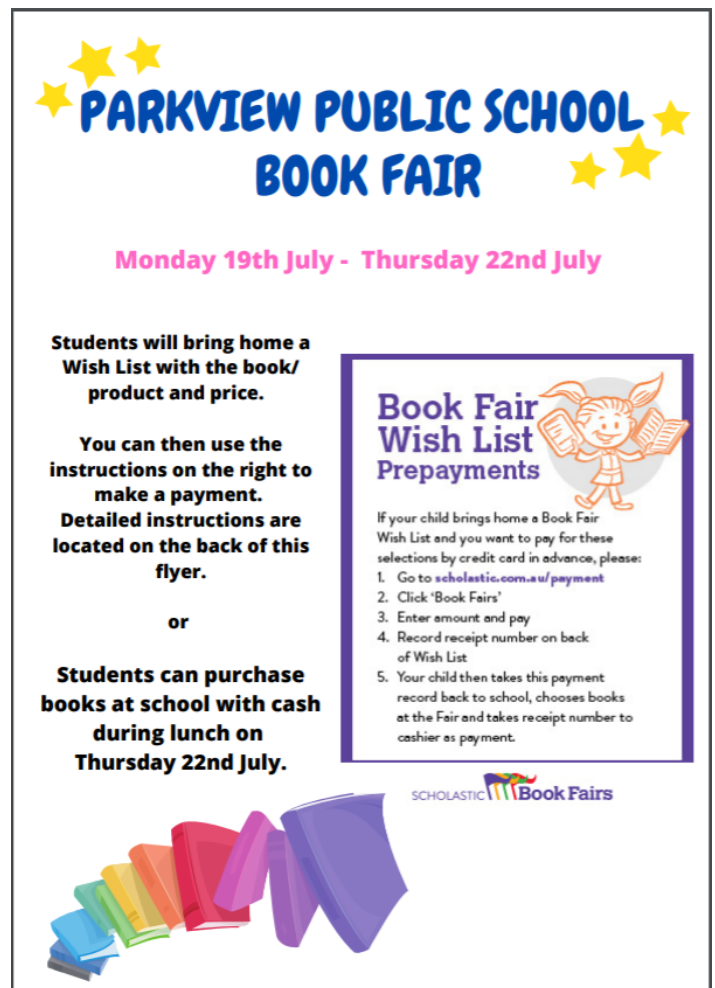

- * scan in using the QR Code located on the school fence and also located at the entry to the IT Lab
- * sanitise your hands upon entry and departure

NAIDOC Week Celebrations

On Friday, 23rd July we will host our annual **K-6 NAIDOC Assembly** at school from 2.10pm. This will be linked to our regular weekly assembly with our students leading a recognition of NAIDOC Week.

The assembly will be streamed live via Zoom to enable community members to join in the celebration of NAIDOC 2021. Details of how to access Zoom Assemblies are included below.

Zoom Assemblies

Due to the changes in COVID-19 Protocols for schools, we will be returning to virtual Zoom Assemblies commencing this Friday, 23rd July. This style of assembly was successfully used during much of 2020 and the early stages of 2021.

The school will communicate Zoom Links to all relevant families via email in the lead up to Assemblies which will commence at 2.20pm each Friday afternoon and run for approximately 40 minutes. Whilst it is unfortunate that parents and carers are unable to come to these events personally, we hope that the sharing of Zoom Assemblies in some way makes up for the disappointment of not being able to be at the event in person.

To access the assemblies, a link will be sent to your child's DoE Student Portal and you will need to login to your child's student portal using their credentials to access the Zoom.

Each week we will also send the details to include the image linked to this article to assist parents to login.

Education Week

Education Week is an annual celebration of NSW public education and the achievements of our schools, students and education system. This year Ed Week will run from Monday 26 to Friday 30 July 2021 celebrating the theme **Lifelong learners**.

Usually Parkview Public School would host Open Days and a shared Family Lunch to celebrate Education Week as well as a special Education Week Assembly.

Unfortunately, current COVID-19 protocols prevent this from occurring so the school will examine alternative arrangements for classroom visits in the coming weeks. If COVID protocols are eased, we will schedule an Open Day as soon as possible. If they are maintained, we will look at an online Virtual Open Day format similar to what we produced in 2020.

Premiers Debating Challenge Update

The Parkview Giants took on the Leeton PS Thinkers in last week's round of the Premiers Debating Challenge.

The Parkview team consisting of **Braithe Ingram, Zoe Iannelli, Lexi Carroll** and **Blake Mawer** argued the affirmative case for the topic 'Parents should pay children to do jobs around the home'.

Our team produced some wonderful arguments linked to responsibility and learning about savings. In a high standard debate the adjudicator awarded the debate to Parkview PS!

The Premier's Debating Challenge continues this week when the Parkview Cats will be in action.

Welcome back!

Last term finished on a high note with a great number of parents and carers joining us for Parent/Teacher Interviews for Years 7-10. These meetings were an excellent opportunity to discuss current progress and to work together for a purposeful approach to learning for Semester 2. Please feel free to contact your child's teachers to discuss his or her progress anytime.

Shrek, the Musical was an incredible success highlighting the commitment and sheer hard work from students and staff to achieve such a high-quality production. More than 2000 audience members viewed the four performances and we sincerely thank everyone for their continued support of our amazing students and teachers. We were certainly extremely fortunate that this production had concluded prior to restrictions being placed on school operations because of the latest COVID-19 outbreak in Greater Sydney.

NAIDOC Week Celebrations 2021 – Heal Country!

This year's NAIDOC 2021 theme – Heal Country! – calls for all of us to continue to seek greater protections for our lands, our waters, our sacred sites and our cultural heritage from exploitation, desecration, and destruction. We did have great afternoon of activities planned to mark this important occasion but unfortunately, due to the unpredictable weather and showers on Friday, our NAIDOC Celebration activities were cancelled. We did still share a lunch together – kangaroo skewers, kangaroo sausages and native foods inspired lemon myrtle and honey ice-cream which was prepared by our Year 9 Food Technology classes who did an outstanding job. Students researched native Australian fauna, Aboriginal culture and cooking in preparation for this event.

Mathematics/LOTE Faculty

To celebrate a wonderful term of learning and growth in Mathematics and Languages Other Than English, the Mathematics/LOTE faculty invited students to a luncheon last Thursday. Congratulations to those students who have continued to work hard across Year 7-12. We look forward to seeing this continued growth and motivation to learn.

Year 6 into Year 7 2022 Transition Program

The next phase of our Transition Program commences on the 3rd August over two weeks where our Transition Team, Ms. Tracey Byrne, Mr. Stephen Kennedy and Ms. Annadale Schwencke will commence their visits to our partner primary schools. This will enable our staff to get to know more about our newest students prior to their arrival at Leeton High School. We will also be offering additional transition sessions onsite for students who may need some extra time as recommended by primary school staff. Please feel free to contact Ms. Tracey Byrne or Mrs. Meagan Crelley on 0269532122 for any further information regarding our Transition program or enrolling at Leeton High School.

Positive Behaviour for Learning Term 3 focus

Our Semester 1 total for positive PBL e-tickets acknowledging our students for being respectful, responsible, learners totalled 18,744. To celebrate all these positive behaviours a Term 2 mega draw was held on the last Monday of the term with 10 prizes being drawn. Our Term 3 PBL lesson focus for lessons across Years 7-9 are: Harassment, Cyber-bullying, Help-seeking, Friendship, Diversity and Inclusivity, Gratitude, Empathy and Self-Acceptance; Year 10 students continue to engage in our Academic Mentor Program specially designed to support and inform students to make the best choices possible for their Stage 6 study program and Year 11-12 will maintain their learning about Self-care, Effective Study Skills and Resilience.
