# PARKVIEW PUBLIC SCHOOL

## WEEK 3 TERM 3 Commencing Monday 26<sup>th</sup> July 2021

Welcome to Education Week at Parkview Public School. Education Week is your chance to celebrate the achievements of your school, students and learning community.

This year's theme is 'Lifelong learners' and celebrates education as a lifelong journey from before a child enters an early childhood setting, progressing to primary and secondary school, and continuing their learning journey into adulthood; learning a trade, entering tertiary education, or the workforce.

Continuous learning is critical for success throughout life and everyone can be a lifelong learner. We are developing lifelong learners and our education system is available for a lifetime.

From the first days in child care to post-school pathways, our education system is preparing young people to be agile thinkers and lifelong learners. Learning can look different for individual students and our system is equipped to provide learning support for all of our students. Learning often takes place beyond the classroom and we should celebrate all types of learning that occurs at all levels across our education system.

We have a busy Education Week planned to celebrate everything that is great about Public Education in our community. Please consider the following as you plan your week:

### Education Week Virtual Open Days

Education Week Open Days will be hosted via Zoom link due to the current COVID-19 protocols in place. We encourage all parents and carers to access the links sent to children's email accounts and share with us as we engage in learning in our classrooms this week.

The schedule for Virtual Open Days is outlined below:

### **Education Week Open Day Virtual Open Day Schedule**

<b>Tuesday 27/7</b>	9am	9:30am	10am	10:30am	11:35am	12.05pm	12.35pm
	6D	6C	5F	5T	4/5Q	4B	3/4M
<b>Wednesday 28/7</b>	9am	9:30am	10am	10:30am	11:35am	12.05pm	12.35pm

<b>Thursday 29/7</b>	9am	9:30am	10am	10:30am	11:35am	12.05pm	12.35pm

### **Education Week Assembly**

Our Education Week Awards will also be presented this week. We will conduct our traditional Education Week Awards as part of our K-2 Assembly this **Thursday from 2.20pm**. The awards will form the opening part of the Assembly, and as such we ask all classes 3-6 to tune in via Zoom Link to watch the Education Week component of the event. Zoom links will be distributed prior to the event.

## Zoom Assemblies

Due to the changes in COVID-19 Protocols for schools, virtual Zoom Assemblies will continue at school for the foreseeable future.

The school will communicate Zoom Links to all relevant families via email in the lead up to Assemblies which will run for approximately 40 minutes. Whilst it is unfortunate that parents and carers are unable to come to these events personally, we hope that the sharing of Zoom Assemblies in some way makes up for the disappointment of not being able to be at the event in person.

To access the assemblies, a link will be sent to your child's DoE Student Portal and you will need to login to your child's student portal using their credentials to access the Zoom.

Each week we will also send the details to include the image linked to this article to assist parents to login.

## Kindergarten 2022 Transition Program

Organisation is well underway for our Kindergarten 2022 Transition Program.

This program is a key component of school preparation for children as they commence school in 2022. If you or a friend have children commencing school (or considering commencing) in 2022, we encourage you to return the Kindergarten 2022 Transition registration form which was sent home to all families recently, as soon as possible. **If you need another copy of this form it can be collected from the School Administration Office, from Bright Beginnings or can be downloaded from our school website.**

Kindergarten 2022 Transition is scheduled to commence on Wednesday, 18<sup>th</sup> August.

## Bright Beginnings

The excitement of our Early Years Learning Program, Bright Beginnings continues every Monday, Tuesday, Wednesday and Friday from 9.15am-10.45am in the Library. Parents are reminded that they need to scan in using the Services NSW QR Code outside the Library and also sign their children in at the table outside the Library.

If you are yet to register your children for this extremely beneficial school preparation program please contact the school to get more details.
