PARKVIEW PUBLIC SCHOOL

WEEK 5 TERM 3 Commencing Monday 9th August 2021

Welcome to Week 5 of the term at Parkview Public School. We are enjoying an extremely busy period at school, as we continue to immerse our children in quality learning experiences whilst at the same time facilitating a broad range of extra-curricular activities linked to sport and the performing arts via our preparations for Parkview In Lights.

At the moment we are deep in the preparation phase for **Parkview In Lights** as we seek to confirm the method of delivery of this much loved event. We are working closely with the Department of Education around our options for this event and will confirm with the community as soon as we have a definitive answer.

Last week was also notable for the achievements of our students on the sporting fields. Our Boys Touch team contested the **Riverina Quarter Finals** in Temora whilst more than 60 students represented our school at the **LNPSSA Athletics Championships** on Friday with great success. Full details of both events are contained in later in the newsletter in Talking Sport.

Another huge week is in front of us at Parkview Public School. Please consider the following as you plan the next few days:

Kindergarten 2022 Transition Program

The excitement of Kindergarten 2022 Transition will commence next **Wednesday, 18th August from 11.30am-1.15pm** in the Kindergarten Rooms at school. This is an extremely exciting time for parents and children as we engage in one of the key educational transition points. We are very excited to be welcoming our newest students to our community.

Full details regarding bus pick-ups, times and needs will be communicated separately via email to all involved families. **Families who wish to purchase their child a Kindergarten Transition Shirt can do so from the front office for just \$10! These shirts are not compulsory but the kids love to wear them!**

If you are yet to register your child for the program it is not too late. Please contact the school for details!

Parkview P&C August Meeting

The August Meeting of the Parkview P&C Association will be conducted in the Library at school next Monday, 16th August from 7pm. All interested community members are encouraged to attend.

Book Week Character Parade

All the fun of the Book Week Character Parade lands at Parkview PS on **Thursday, 26th August**. All students K-6 are encouraged to come dressed as their favourite Book Character for the parade which will be held in the Quadrangle from 12.30pm on the day.

Due to COVID Protocols we will be unable to have community members in the school for this event however we will provide live coverage of the event via Zoom for all families to access should they have time.

Bright Beginnings

The excitement of our Early Years Learning Program, Bright Beginnings continues every Monday, Tuesday, Wednesday and Friday from 9.15am-10.45am in the Library. Parents are reminded that they need to scan in using the Services NSW QR Code outside the Library and also sign their children in at the table outside the Library.

WEEK 5, TERM 3

Riverina PSSA Boys Touch Football Quarter Finals

Parkview Boys Touch Football team travelled to Temora last week to play in the Riverina quarter finals of the NSWPSA Knockout. Limited preparation and an under-manned team meant it was always going to be challenge. Parkview tapped off and made ground up the field, utilising their six touches.

Temora gained possession and began to drive the ball. After building momentum and spreading the ball wide, their winger crossed the line for the first try. As Parkview settled in to the game further, they worked harder on their defence and communication lifted. After 4 minutes, Temora scored again. But Parkview were not giving up, some individual skill saw Salvatore Alampi step around the winger and run the length of the field to score. Going into half time Parkview trailed 4-1. Gritting it out until the end, Parkview worked hard with Xavier Sullivan, Cruze Dale and Salvatore leading the way in the middle of the field, supported by Johannes Ganderton, Jett Laycock, Jed Longhurst, Dean DeValentin and Deegan Tiffin. Parkview came close to scoring a couple of times in the second half only to be denied by last minute defensive efforts from Temora. Bentley Forrester and Kaleb Sullivan also made positive contributions to the game, however it was Temora in the end who built momentum and crossed the line a few more times to come away with victory.

The final minute of the match, saw the six Year 6 students (Salavtore, Cruze, Jed, Xavier, Dean and Jett) take to the field for their last moment representing Parkview in a team sport.

Leeton-Narrandera PSSA Athletics Carnival

The Leeton-Narandera PSSA Athletics Championships was hosted at the Leeton High School Ovals last Friday, 6th August. On a perfect winter's day for Athletics, our children performed brilliantly with 4 students finishing runners-up in age championships and our school finishing runners-up in the overall pointscore for the event.

9 of our students have qualified for individual events at the Riverina Championships to be held on August 20th in Albury, whilst we will also be represented by two relay teams. Students who have qualified will be notified in the coming days.

5T
and the

OLYMPICS

5T have been doing lots of work connected to the Olympic Games this term, linking in Mathematics, English and Creative Arts. We even held our own Mini Olympics.

In Mathematics, we have been using scoring to measure, record and order decimal numbers. We even had the challenge of adding decimal numbers in the javelin event of our Mini Olympics.

In English, we listened to a Podcast about the history of the Olympics to learn some interesting facts, researched Olympic events and enjoyed watching a range of events to use as writing stimuli. One of our Literacy Tasks was to use pictograms to determine what events feature in the Olympics Games and then research the event to find out what it is all about.

In visual arts we used drawing and sculpture to create Olympic themed shadow art. First we had to draw the pictogram (the shadow) and then use foil to create a sculpture of the athlete. For our Assembly item we acted out still frames of the Olympic pictograms and also played a fun drama game called 'What are you Doing?' where we had to act out various sports. For this activity we had to project our voices and speak loudly so that both the audience our parents on the Zoom at home could hear us.

In Week 3, all of year 5 got together to hold our own Mini Olympics. We participated in teams of 8 in 5 different events. First, teams had to work together to create uniforms, a mascot and a flag and then we opened up the event with an opening ceremony and torch relay. The first event held was a skipping challenge, which included both an individual and team component. Next up was Captain Ball and River Bank Bridge. Teams then participated in the javelin event where we each had to have our own throw and then add up our teams distances to determine our final score for that event. The last event for the day was Lava Floor Rescue. This activity required teamwork and strength as two members of each team had to rescue the remainder of their teammates from the opposite side of the basketball court using only two gym mats and without touching the floor. A 5 second penalty was given if the ground was touched.

5T have had so much fun linking the Olympic Games into our learning this term.
