PARKVIEW PUBLIC SCHOOL

WEEK 10 TERM 3 Commencing Monday 13th September 2021

Welcome to Week 10 of the term and we are extremely excited to have our students back at school, learning face to face and being able to engage with their friends!

The best learning environment for students is in the classroom and we are so pleased to welcome back our staff and students for the remainder of this term. This time will be invaluable in re-establishing relationships and reconnecting as a class and school community.

Having said all of that, our entire staff would like to thank the incredible efforts of parents and carers in homes over the last four weeks which enabled us to successfully deliver online learning experiences for our children. There were many memorable moments from the learning at home period which was highlighted last week by our Virtual Book Week Character Parade and Tech Free Friday!

We have a busy week in front of us as we approach the end of the term. Please consider the following as you plan your week:

Level 3 Return to School COVID Protocols

With the easing of 'Stay at Home' restrictions in the Leeton LGA on Saturday, 11th September, our school has now moved to operating under [Level 3 conditions](#) as part of our COVID-safe return to school roadmap. This means all our students were expected to resume face-to-face learning on site from today (Monday, 13th September).

In line with this expectation, there are a number of elements families and students can expect to experience when returning to our school site under COVID-safe [Level 3 conditions](#):

- Parents and carers will need to **remain outside of school grounds** and follow physical distancing and avoid gathering for drop-offs and pick-ups.
- Staff will be required to wear masks indoors and outdoors while on school grounds.
- We will reduce overall mingling of our different student years which means no school assemblies, sport (outside of existing class Sport and PDHPE), excursions or field trips.
- Students will play in stage groups in the playground. This means children will have a timetabled location for play throughout Week 10 of the term and necessary modifications will be made for the start of Term 4 if required. **When arriving at school, children should drop their bags at their classrooms and go directly to their scheduled play area.**

The playground timetable is included below:

	Monday	Tuesday	Wednesday	Thursday	Friday
K-2 Playground	Kindergarten	Kindergarten	Kindergarten	Kindergarten	Kindergarten
COLA/ Quad	Stage 1 (Years 1 & 2)	Stage 3 (Years 5 & 6)	Stage 2 (Years 3 & 4)	Stage 1 (Years 1 & 2)	Stage 3 (Years 5 & 6)
Hall Area	Stage 2 (Years 3 & 4)	Stage 1 (Years 1 & 2)	Stage 3 (Years 5 & 6)	Stage 2 (Years 3 & 4)	Stage 1 (Years 1 & 2)
Top Oval	Stage 3 (Years 5 & 6)	Stage 2 (Years 3 & 4)	Stage 1 (Years 1 & 2)	Stage 3 (Years 5 & 6)	Stage 2 (Years 3 & 4)

Use of student toilets will remain the same as usual and this will be communicated to children, among other information, via a virtual school assembly on Monday morning.

- Only essential visitors will be allowed on site and will be required to check-in and wear masks at all times.
- Our **School Canteen** is open with appropriate hygiene measures in place. **Ordering will be available via classroom baskets or online ordering (preferred).** Children will be informed of the appropriate protocols for accessing the canteen at Recess and Lunch when they return to school on Monday.
- Our **P&C Uniform Shop** is only available for over the phone orders under Level 3 restrictions. If you require any type of uniforms, please ring the school during designated Uniform Shop hours (**Monday 9am-10am and Thursday 2pm-3pm**) so your order can be processed. Orders can be picked up from the School Administration Office at a time that is identified when you place your orders.
- There will be enhanced daily cleaning of the school and wherever possible we will ensure classrooms will be well-ventilated with open windows.

Notes that you can expect to see this week:

- Footy Colours Day

Notes in the last week:

- Online learning information (via email and social media)

Loaned Device Return

With the return to face to face learning, we have asked that all devices that were borrowed from the school (iPads, Laptops, Dongles and Charging Cords) be returned to school as soon as possible. If your child was unable to return their device today, we ask that you arrange for them to be returned tomorrow following the protocols outlined below:

***each child** should bring their device to school and return it to their **classroom teacher** when they enter their class at 9am tomorrow morning.

***Parents are asked to refrain from entering the school to drop devices at the Administration Office.** Our collection strategy centres around children returning borrowed devices to their classrooms. Your assistance with this is greatly appreciated.

Parkview P&C September Meeting

The September Meeting of the Parkview P&C Association will be held this evening (Monday, 13th September) from 7pm via Zoom, The link for this meeting has been sent to all student email addresses and parent email addresses that are registered with the school. Interested community members are invited to attend.

Kindergarten 2022 Transition

Unfortunately, Level 3 restrictions in place for return to school prevent us from hosting transition programs and as such, we have been forced to delay the commencement of our Kindergarten 2022 Transition Program until at least the start of Term 4. We will continue to keep you informed of when we will be able to commence this eagerly anticipated program.

Bright Beginnings 2021 Resumption

Level 3 restrictions allow for pre-school programs to resume, and as such, our **Bright Beginnings** program resumed today for registered children. We do have limited spaces available in this program so if you would like your child to be a part of Bright Beginnings please contact the school and we will attempt to accommodate your request.

Bright Beginnings 2022

We are excited to invite registrations for Bright Beginnings 2022!

If your child will be 4 years old in 2022 and they are starting school in 2023, or you are considering enrolling them in 2023, we welcome your child's participation in our Early Years Learning Framework.

Bright Beginnings runs from 9.15am-11.45am Monday, Tuesday, Wednesday and Friday at Parkview Public School. If you have any questions or queries, we encourage you to contact the school during business hours.

To register your child, you can click on the link provided below or visit the School Administration Office for hard copy of the flyer.

We are looking forward to another awesome year of Bright Beginnings in 2022!

Welcome back to face to face learning!

All students and staff return to Leeton High School from Monday 13th September for the last week of Term 3 (Week B timetable). It has been a challenging four weeks in lockdown, however students have done remarkably well adapting to the learning from home environment. Thank you to our parents and families for their efforts and patience during this time, and to our teachers who have again risen to the challenge of delivering learning online and accommodating students requiring learning from home hard copies. Our Wellbeing staff have also been fantastic in keeping our spirits up with various activities and publications including running a 'wear it yellow' R U Okay?

Day and themed selfie days which has certainly put some smiles on faces. Thank you to our Learning and Support staff for running drop-in Zoom meetings every day from 9am-3pm to support students with their learning and to our office staff who have put together all the learning from home packs for students who require hard copies. Thankfully, we can now return to school. Under level 3 restrictions We have missed our students and look forward to seeing them onsite from Monday. Please note the mandatory wearing of masks for all students and teachers indoors and outdoors.

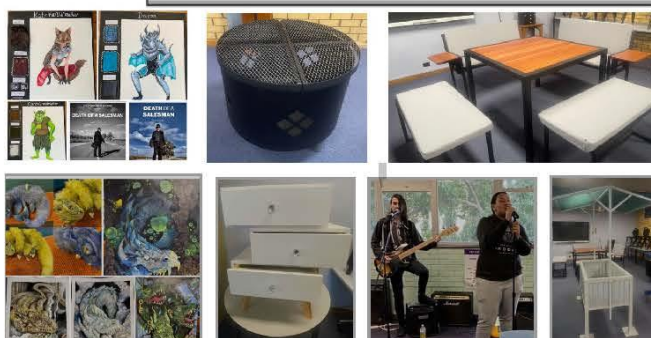

2022 School Leaders

Year 11 students nominated to undertake the role of prefect as part of the Leeton High School student leadership team. While we were not able to run our usual School Leaders election due to lockdown, we were able to run a successful online election process so staff and students could cast their votes to determine our School Captains. An outstanding group of nine prefects rose to the challenge and delivered their speeches through an online platform. We are incredibly proud of these students and recognise the inspiring mix of talent within this group that will no doubt contribute greatly to our school community. Congratulations to School Captains Jhie Deaton and Meghan Davidson-Curtains, Vice-Captains Jarrah Brain and Alexandra Glenn, and Prefects Lily Davies, Jaylen Milvain, Remy pages, Oscar Richardson and Maddison Sohier. What an awesome team!

Year 12

Best wishes to Year 12 for their final weeks of preparation. The resilience of this group of students is quite incredible having had their two final years of school disrupted by COVID-19. I urge students to keep their focus and make these last weeks count. We are very proud of Year 12 and thank our students and their families for all their efforts and patience during these challenging times. Some Year 12 students will also be completing practical components of their courses or having components marked this week. Congratulations to these students and their teachers for the completion of these tasks and for their admirable ability to adapt and change to evolving NESA requirements.

Have a great week. Students and staff return Tuesday 5th October.
