## WEEK 2 TERM 4 Commencing Monday 17<sup>th</sup> October 2022

Welcome to Week 2 of the term. What a wonderful first week of the term we enjoyed, with so many smiling faces returning to school. The kids were extremely excited to re-connect with their friends and staff, enthusiastically throwing themselves back into the wide variety of learning experiences that were on offer.

It was also terrific to see so many parents and carers engaged in **Personalised Learning Plan Conferences** last week. Whether you were able to engage in these important planning and communication experiences in person or over the phone, we are extremely grateful to those who were able to create time in their busy schedules to engage with us. If you missed your child's PLP Conference last week, please don't hesitate to contact the school to arrange a mutually suitable time at some point in the coming weeks.

The new week at Parkview promises to be another vibrant one as we host the return of the **White Cross Dentist**, engage in **School Photos** on Tuesday, commence '**Check In Assessments**' for children in Years 3-5 and participate in the **Stage 2 LNPSSA Soccer Gala Day** and **Gralee SSP Colour Run** on Friday.

In between all of that we have a significant number of learning opportunities for all students across all stages. Please consider the following as you plan your week:

### School Photos

Our Annual School Photographs will be conducted (tomorrow) Tuesday, 18<sup>th</sup> October. All children are requested to wear full Summer Uniform on this day. **This includes Year 6 students who should wear full Summer Uniform and NOT their Year 6 Shirts.**

Envelopes for the ordering of School Photos were sent home at the end of last term. There are two ways to order your School Photos. You can utilise the online information featured on the envelopes sent home, or you can include cash in the envelope and return it to school on Photo Day. **Please note that when using cash, you must include the correct money as we do not have any cash available at school to accommodate requests for change.**

If you have any questions in relation to School Photos, including how to arrange for family photos to be taken (siblings only) please contact the School Administration Office during office hours.

### **Bright Beginnings 2023 Registrations**

Parkview Public School is now accepting registrations for our play based Early Childhood Program, open to children who are turning four and five and either attending school in 2024 or considering attending school in 2024!

### **COVID Protocols – Term 4**

Below is an update on our COVID-smart settings, particularly with the latest change to isolation requirements and what this will mean for our school. Please review the following information and don't hesitate to get in touch if you have further questions.

On 30 September, National Cabinet announced that from Friday 14 October 2022, people who test positive to COVID-19 do not need to isolate. In line with this announcement, the NSW Department of Education have worked with NSW Health to support all schools to adapt to this change while continuing to prioritise student and staff wellbeing by minimising the risk of COVID-19 transmissions.

### ***Student and Staff should continue to stay home when sick***

It is expected that when isolation requirements end on Friday 14 October, those currently in isolation will be advised by NSW Health that they may exit isolation.

Students, staff and visitors should only attend school when they are symptom free. We strongly encourage all students, staff and visitors to follow the guidance issued by NSW Health[External link](#). We will continue to send home students or staff displaying symptoms.

Anyone who believes they have been exposed to COVID-19 is strongly recommended to monitor for symptoms and test if they have any concerns, as well as wear a mask. We will continue to support our families to use rapid antigen tests (RATs) if symptomatic or if you believe you have been exposed to

COVID-19. RAT testing may help identify the infection early and is important if you are in contact with people at greater risk of serious illness if exposed to COVID-19.

### ***We are continuing our COVID-smart measures***

Our school will continue to operate with our baseline COVID-smart measures in place throughout Term 4 to minimise transmission and keep our school open. This includes a combination of layered safety measures such as maintaining hygiene and cleaning practices, using rapid antigen testing (RAT) when experiencing symptoms, maximising natural ventilation, strongly encouraged vaccinations and strongly encouraging mask-wearing particularly when indoors and/or physical distancing is not possible.

### ***Reporting requirements from 14 October***

Please continue to notify your school if your child tests positive to COVID-19 as we will continue to notify the school community of any known positive cases to prioritise student and staff safety.

For further information about the COVID-smart measures in place this term refer to the department's [Advice for families](#) page.

Please note that all of our school's changes to isolation requirements are based on the recommendations from NSW Health. Anyone who tests positive to COVID-19 or suspects that they have been in contact with a positive case should continue to follow the [latest health advice](#) [External link](#).

### ***Non-COVID-19 Vaccinations reminder from NSW Health***

Due to the ongoing pandemic and stay-at-home orders that were in place over the previous two years, NSW Health have noted that some children and young people have missed out on the non-COVID school-based vaccination programs that they would have taken part in. The department would like to remind parents and carers to make sure that all of their child's vaccinations are up-to-date, including other non-COVID vaccinations. If you are unsure about whether your child has missed any vaccinations, speak to your GP or go to [NSW Health's Immunisation requirements in primary and secondary schools](#) [External link](#).

Parents and carers who have children with persistent or ongoing [symptoms of COVID-19](#) [External link](#) are encouraged to have these assessed by their local health care professional. These symptoms may be related to other illnesses that require treatment and management by a doctor.

For more information on vaccinations refer to [Vaccination requirements for school sites](#) or the [Australian Governments COVID-19 vaccines](#) [External link](#).

On behalf of our school, I want to thank you again for your ongoing support in helping to keep our students, staff and community safe. I'd like to wish all our students and their families a great start to Term 4.

Finally, as always, if you have an issue or concern please contact the classroom teacher, the appropriate Assistant Principal or myself. From time-to-time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries, or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal, or myself.

**Regards,  
Travis Irvin  
Principal**
