This week will be a huge one in our community with a mix of sporting events scheduled around some huge whole school events including the **Alpha Show** on Wednesday, **Book Week Character Parade** on Thursday and the **Father's Day Stall and Lunch** on Friday.

It is another huge seven days in the Parkview community. Please consider the following as you plan the coming week:

Tournament of Minds is a program that provides the opportunity to solve authentic, open-ended challenges.

Parkview entered two teams this year. Both have spent 3 weeks researching and independently preparing their team solutions as a creative performance, completing every aspect of the challenge without any adult assistance.

The Regional Tournament was held in Wagga Wagga over the weekend with 18 primary teams competing. Our teams presented their solutions to the judges in a timed performance, with both teams doing Parkview proud.

Congratulations to our teams for their commitment and dedication in creating and presenting such an impressive performance.

Thankyou to parents and staff for their support.
