PARKVIEW PUBLIC SCHOOL

WEEK 9 TERM 3 Commencing Monday 12th September 2022

What an incredible day and night of performances we enjoyed as we hosted another amazing **Parkview In Lights** event last Thursday at the Leeton High School MPC.

We couldn't be prouder of the efforts and achievements of our children as they took a risk and performed on stage in front of 1300 people across two shows at the Leeton High School MPC.

A huge vote of thanks is extended to a significant number of people who made this incredible event happen. First of all I'd like to acknowledge the efforts and skill of the staff of Parkview Public School for their expertise in providing the opportunity for all children to shine on the stage. In particular thanks to Parkview In Lights coordinator Mrs Julie Axtill and her band of helpers who made the dream of Parkview Shines a Light on the Environment 2022 a reality. Thanks also to the wonderful sound, lighting and backstage crews from Leeton High School and the expertise of Mr Luke Di Salvia and Mrs Kellie Goman in assisting the production of the event last week at the LHS MPC.

It is also timely to acknowledge the significant role that our amazing community played in the event. Thank you for your unwavering support in the organisation of costumes, contributions to choreography, support of your children throughout the event and unbridled enthusiasm at the event.

Thanks also to the Parkview Public School P&C for their support of the event and in particular P&C President Mrs Rebecca Lashbrook (and her volunteer helpers) for her tireless efforts in coordinating both the BBQ Dinner and Canteen for the event. It really made the event what it was!

Finally, a huge thank you to our incredible kids who continue to achieve amazing things simply by getting on the stage and having a go! The smiles on the kids faces on stage and their dedication, enthusiasm and positive attitude and behaviour off it, made the event what it was!

For those looking for life lasting memories of the event, a DVD of the event produced by Mr Ron Arel will be available next term. Orders forms for this will be sent home today with payment and order forms required by the end of the term. Photos from the event taken by Mr Ian Draper will be available on the school website later in the week as well. Thanks to both men for their contributions to capturing these special moments for our community.

Notes that you can expect to see this week:

- **Year 6 to Year 7 Transition Note**

Notes in the last week:

- **Riverina PSSA Girls Basketball QF Permission (selected students)**

P&C Father's Day Raffle

Thanks is extended to everyone who supported the P&C Father's Day Raffle.

Congratulations is extended to the following winners:

1st PRIZE - Matabo 2 Piece Drill Set: Jim Tiffen

2nd PRIZE - Gasmate Voyager Portable BBQ: Bobbie Bermingham

3rd PRIZE - Ledvance Solar Flood Light: Liz Davies

The last seven days have also been incredibly busy ones away from the stage with some massive achievements and activities engaged in by our children away from the bright lights of the stage.

Last Monday our **Representative Girls Basketball Team** qualified for the Riverina Final of the NSWPSA Knockout with a Semi Final win in Griffith (details in Talking Sport).

Last Tuesday our talented debating team contested the Riverina Semi Finals of the **Premiers Debating Challenge**. The team of **Josephine Irvin, Xavier Chilko, Arla Quigley, Kaed Harvie** and **Lucy Gilmour** have achieved some incredible things in the competition this year, defeating Hanwood PS, Leeton PS (twice), Coolamon CS, Parkview Giants and Temora West PS on their way to this point of the competition

In a high standard debate against Thurgoona PS, Parkview argued the affirmative case for the topic 'Primary School Teachers should set research projects as homework over every school holiday.'

After a fabulous debate Parkview, we're knocked out of the competition in a narrow result against the talented Thurgoona team. The adjudicator provided our students with lots of positive feedback and said they should be proud of their efforts especially considering they had made it all the way to the Semi Finals.

We are incredibly proud of the efforts of our team, being the first Parkview team to make the Riverina Semi Finals since 2010!

Last Friday was a huge day for **Jasper White** and **Montana Nardi** as they contested the NSW Regional Finals of the **Premiers Spelling Bee**. In the Stage 2 Finals, Jasper came up against schools from all over regional NSW, including Murwillumbah, Parramatta East, Narooma, Gunnedah South, Thurgoona, Griffith and Fairvale. In an incredible effort, Jasper White has been crowned the Runner Up of the Regional Spelling Bee. Starting with 30 competitors, Jasper held his nerves and calmly worked his way into the top 5 after six rounds. He drew some tricky words, answering correctly to make it into the top 2. After going neck and neck for another 5, incredibly hard rounds, the winner was crowned with Jasper finishing an extremely creditable runner up. We congratulate Jasper on an amazing effort.

Below is an outline of the words Jasper had to negotiate during the competition:

Round 1 – drum
Round 2 – upwards
Round 3 – impartial
Round 4 – percussion
Round 5 – buoyant
Round 6 – physiotherapy
Round 7 – certificate
Round 8 – rejuvenate
Round 9 – phenomenon
Round 10 – parameter
Round 11 – repercussion
Round 12 – appreciable
Round 13 – fluoride

In the Stage 3 Final, Montana came up against 25 students from schools as diverse as Narooma, Griffith East, Griffith North, Tweed Heads, Mullumbimby, Mullaway, Stratheden and Crescent Head Public Schools.

In another incredible performance, Montana also achieved a podium position, finishing equal third in the competition. Montana's run of words is outlined below (the winner was determined at the end of Round 7).

Round 1- tumbler
Round 2- twilight
Round 3- ambulance
Round 4- binoculars
Round 5 – mispronunciation

We congratulate both Jasper and Montana on their outstanding achievements!

It is another huge seven days in the Parkview community. Please consider the following as you plan the coming week:

NAPLAN Assessments Feedback

Students in Years 3 & 5 will today receive NAPLAN Feedback envelopes, providing an overview of the point in time assessments that children engaged in during May of this year. This feedback provides feedback on the progress of children at time of the year, and also provides the school with an understanding of the cohort wide development of our school.

Please feel free to contact the school should you have any questions in relation to the results achieved by your children.

Kindergarten 2023 Transition Program

Kindergarten 2023 Transition will resume this Wednesday, 14th September from 11.30am in the Kindergarten Rooms here at school. We are looking forward to continuing what has been a wonderful start to the program

5M lights up

This term, 5M finished off their electrifying unit by lighting up a mini town in the classroom. With the help of Christmas lights, 3 batteries and trial and error they were able to even include a street light between their residents.

4W takes a chance

This term, 4W has been focusing on Japan and math topics, such as area and chance. Perhaps you could play a chance game with them in the coming holidays.

Heads

Stage 2 wrapped up their Chance unit this week. 3/4H got to experiment with playing Heads or Tails.

The children had to make a prediction as to what they believe they'd land on the most, before flipping the coin 12 times and recording their results.

They were then asked to comment on whether their prediction was correct, before completing the activity a second time to see whether their results would be the same or different!

Leeton High School's dance ensembles celebrated their recent outstanding successes at the Leeton Eisteddfod. Our talented performers achieved 1st for the Year 11 Ensemble and earned a Highly Commended for Year 8 and Year 10-12 ensembles in the Student Choreographed Work Section. Our dancers also achieved 1st for the Rep Dance Ensemble and a Highly Commended for the Intermediate Dance Ensemble in the Secondary Dance Section. We are very proud of all our dancers and choreographers who have done an amazing job yet again.

Fundraising

We have had a very successful few weeks with students raising funds for various important causes. Year 10 Commerce students, as part of their assessment task, set up a variety of market stalls selling their different products to interested buyers. Funds raised will go to supporting the Cystic Fibrosis Australia Foundation. Our Student Representative Council hosted Footy Colours Day last Thursday to raise money for the Fight Cancer Foundation. A cake stall and long kick competition added to the day and we thank our students, staff and families for their generosity.

Student Leadership Team 2023

Our nine prefects delivered their School Captain speeches with flair and conviction at Friday's whole school assembly. Congratulations to all candidates who shared with the audience their skills, qualities, and desire for a leadership role at our school. Best wishes to Callum, Seth, Molly, Thomas, Madeline, Sabrina, Matilda, Lilly and Jessica for the voting period. What a wonderful group of candidates!

Bandlink Riverina – Madeline Sachs

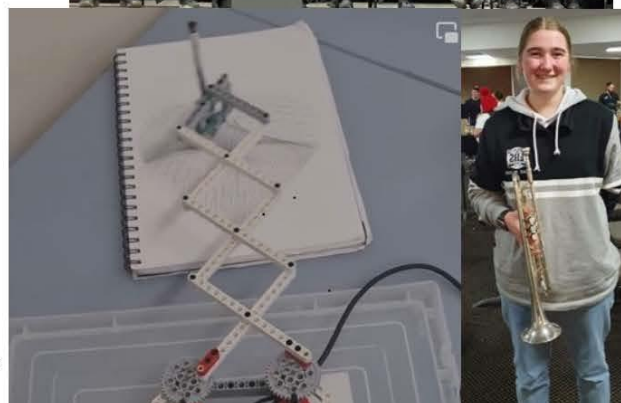

Congratulations to Madeline Sachs who has recently been involved in Bandlink Riverina, a two day workshop consisting of a large concert band and small tutorial sessions for instrumentalists. Not only did Madeline perform with the concert band, she took on a leadership role, running tutorials with the younger students. Well done Maddy!

iSTEM at Leeton High School

Our Year 10 iSTEM class have been making great advancements in their learning creating robots which, in this instance, draw patterns after some very clever programming. Well done to our students and Mrs. Doig for their innovative work in this space.

HAVE SOME KOALITY FUN AT NARRANDERA!

We are excited to celebrate Narrandera's koala colony with the first ever Narrandera Koala Fest. The festival is dedicated to our furry friends who have a healthy growing population across the Flora and Fauna Reserve, koala regeneration area and surrounds.

Throughout the day you can check out the koala and nature photography exhibition, take a guided tour of the koala habitat via shuttle from the Showground to Rocky Waterholes by Narrandera's famous Lions Train, watch a live performance by children's group Boomstars, enjoy a puppet show, then circus acts with fun interactive workshops in circus, art, and nature. Food and art stalls will be available, and free amusement rides for the kids including a climbing wall, jumping castles with slides and mechanical rides.

Stick around into the evening to enjoy a family bush dance with the Tin Shed Rattlers, and take a second opportunity to watch the puppet show, Boomstars and view the photography exhibition.

The festival is at Narrandera Showground on Saturday 17 September, with event gates opening at 10am, free entertainment between 11am until 4pm, and again from 5.30pm to 9pm.
