PARKVIEW PUBLIC SCHOOL

WEEK 3 TERM 2 Commencing Monday 8th May 2023

Week 3 has arrived at Parkview Public School on the back of an extremely busy seven days in our community.

By far the biggest event of the week was the hosting of **Term 2 Personalised Learning Pathway (PLP) Conferences** for the majority of classes. It was wonderful to have so many community members in the school for face-to-face conferences; and we are also grateful to those of you who couldn't make it into the school but took time out via a phone call regarding directions and focuses for your children for the next 10 learning weeks. If you were unable to complete this with your child's teacher last week, we encourage you to make contact to arrange a mutually convenient time to meet.

There are still two more classes to engage in PLPs this term, with the following times scheduled:

***3G (Miss Green): Tuesday, 9th May**

***KH (Miss Hawker): Monday, 22nd May**

Please note that bookings for these opportunities are made via the Parent Sentral Portal and close at 3.10pm on the day prior to the conferences.

Last week was also jam packed with exciting events and experiences for our children. Last Monday saw the annual running of the **Parkview Cross Country Championships**, with a perfect day for distance running producing a thrilling event that saw **Thorpe House** win the House Championship by just 4 points! Thanks is extended to everyone who came and supported the children on the day. A full report on the Cross Country can be found in Talking Sport.

Last Wednesday saw us hold a fun filled 'Back to School Disco', for all students K-6, with 3 separate discos making for a fun filled evening for all age groups. We thank everyone who came along for their behaviour, and we thank our staff for giving up their time to help supervise such a great event 😊.

Last week also saw our Year 6 students engage in the first part of our Tertiary Education experience at **Charles Sturt University – Riverina** engaging in the institutions' **Future Moves** program. The aim of the program is to expose students to the experiences and opportunities that are available from tertiary education. Our kids had a wonderful day engaging in a range of experiences from various faculties at the university and we look forward to hosting an incursion from CSU at our school later in the year.

Last week also saw the full time return of our **Stage 3 Community Service Programs**, something that we have not been able to run since the commencement of the COVID-19 Pandemic. Our Year 6 students are now working in the Coffee Shop at **Assumption Villa** on Monday mornings, whilst our Year 5 students are spending time with the residents at **Alf Hermann Lodge** in the Recreation Room on Thursday mornings. These community service programs provide our kids with valuable communication skills and develop a sense of community pride, organisation and empathy. We thank both organisations for the opportunity to engage with the residents through these programs. To be eligible to attend, students in Years 5 and 6 must have parents and carers complete the permission notification via the **Parent Sentral Portal**.

We have another busy week coming up in our community. Please consider the following as you plan for the new week:

Notes that you can expect to see this week:

- **LNPSSA Cross Country Permission (selected students)**

Notes in the last week:

- **Back To School Disco Reminder**
- **Mother's Day Lunch Pre-Order Form**

Mother's Day Lunch, Stall

This **Thursday, 11th May** we will hold our annual **Mother's Day Lunch and Mother's Day Stall** at school.

On this day students will be able to buy a gift for Mum at our **P&C Mother's Day Stall**, with gifts ranging in price from \$2-\$10. All classes will have the opportunity to attend the stall with teachers during a designated part of the day. Parents are encouraged to send cash into the school with the children in a labelled envelope or bag, so they know what they are taking to the Mother's Day Stall when they go.

The Mother's Day Lunch will be hosted from 1.15pm with a special Mother's Day Lunch pre-order provided by the school canteen. This pre-order is required to be returned to school by Tuesday, 9th May. We look forward to seeing as many Mum's, Grandmothers, Aunties and other female role models in the school to celebrate Mother's Day this Thursday.

Our P&C have once again put together a wonderful Mother's Day Raffle to spoil Mum this Mother's Day, with thanks to the generosity of many local businesses. If you are in a position to support this raffle, we encourage you to check out the information below.

Sentral Parent Portal

The Sentral Parent Portal is proving popular with registered parents and carers, with a range of information, push notifications, permission notes and PLP Conference bookings all currently available at your fingertips through your smart device.

If you are yet to register your account, we encourage you to do so as soon as possible. Below are some reminders on how to connect and what the purpose of the new portal is:

How do you connect to Sentral Parent Portal?

1. Download the Sentral Parent Portal app through the Apple Store or Google Play. This is the most convenient way to access so that you can turn notifications on through the app. You can also access the portal online through the website <https://parkviewps.sentral.com.au/portal2/#!/login>
2. Create your account in Sentral Parent Portal. You then have to wait for school approval. This approval is usually completed once a day, at the end of the day. When your account has been approved, you will receive a confirmation email.
3. Once approved, you will then need to use the unique access key to connect with your student/s information. This key was provided to families at the end of Term 1. Should you need this information provided again, please contact the school. Once you enter the key, you can then access a whole range of information, and this is also the place to book in your interview time.

Sentral Parent Portal will also allow you to keep up to date with news and information, update your child's attendance details and in the near future also respond to permissions notes. It really will be a very handy tool for all parents.

Last term all parents and carers received their own unique access key (unique for each parent/ carer of children) that will enable them to register with the school for communication specific to your children. We encourage everyone to download the Sentral Parent Portal App and follow the information on the letter to start your new communication experience with the school.

Once fully operational, the portal will enable parents and carers to book PLP Conferences, access newsletters, school reports, lodge absence notifications, check student attendance levels, grant permissions for excursions and make payments among other exciting features. Not all of these elements are available yet as we roll out different aspects of the portal, but they will become a feature over the next couple of months. If you have any questions, please contact the school.

School Uniforms – What to wear

Students are welcome to wear Summer or Winter Uniform for the first 4 weeks of the term dependant on parent/ carer judgement in relation to the prevailing weather. It is expected that by the commencement of Week 5 (May 22) that all children will be in Winter Uniform.

Please contact the school if you have any questions in relation to uniforms.

Despite putting up stern resistance in the final, our team found their opponent just too strong with Griffith East prevailing by 22 points.
