PARKVIEW PUBLIC SCHOOL

WEEK 4 TERM 2 Commencing Monday 15th May 2023

The new week at Parkview Public School promises to be another busy one as we embark on a range of sporting opportunities for our children including three students (**Zeanna Johnstone, Miah Weymouth** and **Chayce Powles** representing at NSW Championships) and welcome the commencement of the **Premiers Debating Challenge** season for our Stage 3 students.

Last week was another great week for our community highlighted by a hugely successful **Mother's Day Lunch** at school on Thursday. It was wonderful to see so many Mums, Grandmothers, Aunties and other female role models in the school engaging in lunch with our children. Thank you for being there and thank you for absolutely everything you do for the children of our community.

On Thursday we also hosted another successful **P&C Mother's Day Stall**, providing children with the opportunity to grab something special for Mum. A huge shout out to our volunteers who helped man the stall so our children had the opportunity. The P&C also drew their **Mother's Day Raffle**, with the prize valued at in excess of \$700 won by **Shelley Day**. Congratulations Shelley and thank you to everyone who supported this fundraiser.

Last week was also notable for the achievements of our distance runners at the **LNPSSA Cross Country Championships** at the Narrandera Golf Club. A full report is contained in Talking Sport, but it is worth acknowledging that Parkview's athletes secured the Overall Pointscore and Handicap sections of the event for the third consecutive year!

We have another busy week coming up in our community. Please consider the following as you plan for the new week:

Check-in assessment for Years 4 and 6

During Term 2, students will participate in the Check-in assessment. The Check-in assessment is a NSW Department of Education online literacy and numeracy assessment available to support schools to assess and monitor student learning.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

Students with a disability may receive the same level of support during the assessment they would normally receive in the classroom.

- The assessment will be scheduled for our Years 4 and 6 students during Week 5.
- All students complete a reading assessment and a numeracy assessment.

May P&C Meeting

The May Meeting of the Parkview P&C Association will be hosted in the Library this evening from 7pm. All interested community members are encouraged to attend.

KH PLPs

Term 2 PLP Conferences will conclude next Monday, 22nd May when Miss Hawker hosts the conferences for parents of students in KH. Please note that bookings for this opportunity are made via the Parent Sentral Portal and close at 3:10pm on the day prior to the conference. If you are yet to download the Parents Sentral Portal App we encourage you to do so!

Notes that you can expect to see this week:

Notes in the last week:

Sentral Parent Portal

The Sentral Parent Portal is proving popular with registered parents and carers, with a range of information, push notifications, permission notes and PLP Conference bookings all currently available at your fingertips through your smart device.

If you are yet to register your account, we encourage you to do so as soon as possible. Below are some reminders on how to connect and what the purpose of the new portal is:

How do you connect to Sentral Parent Portal?

1. Download the Sentral Parent Portal app through the Apple Store or Google Play. This is the most convenient way to access so that you can turn notifications on through the app. You can also access the portal online through the website <https://parkviewps.sentral.com.au/portal2/#/login>
2. Create your account in Sentral Parent Portal. You then have to wait for school approval. This approval is usually completed once a day, at the end of the day. When your account has been approved, you will receive a confirmation email.
3. Once approved, you will then need to use the unique access key to connect with your student/s information. This key was provided to families at the end of Term 1. Should you need this information provided again, please contact the school. Once you enter the key, you can then access a whole range of information, and this is also the place to book in your interview time.

Sentral Parent Portal will also allow you to keep up to date with news and information, update your child's attendance details and in the near future also respond to permissions notes. It really will be a very handy tool for all parents.

Last term all parents and carers received their own unique access key (unique for each parent/ carer of children) that will enable them to register with the school for communication specific to your children. We encourage everyone to download the Sentral Parent Portal App and follow the information on the letter to start your new communication experience with the school.

Once fully operational, the portal will enable parents and carers to book PLP Conferences, access newsletters, school reports, lodge absence notifications, check student attendance levels, grant permissions for excursions and make payments among other exciting features. Not all of these

elements are available yet as we roll out different aspects of the portal, but they will become a feature over the next couple of months. If you have any questions, please contact the school.

School Uniforms – What to wear

Students are welcome to wear Summer or Winter Uniform for the first 4 weeks of the term dependant on parent/ carer judgement in relation to the prevailing weather. It is expected that by the commencement of Week 5 (May 22) that all children will be in Winter Uniform.

Please contact the school if you have any questions in relation to uniforms.

Winhangara Playgroup

Winhangara Playgroup **continues this Thursday 18th May**. Come and enjoy this experience in the comfort of the Parkview Public School Hall from 9:15am-10:45am. As always, we will have a huge range of activities and experiences for all children 0-5 years, and it is a great way for parents and carers to socialise and connect.

Bring the kids and bring a friend. We would love to see you 😊

Following us on Facebook

Are you on Facebook? To get all the latest breaking news and previews of the coming school day ahead, like our school Facebook page and join over 2060 followers who stay up to date with our school happenings via social media.

Uniform Shop

Our P&C Uniform Shop will continue its normal opening times of Monday 9am – 10am and Thursday 2:10pm – 3:10pm. If you require access to the Uniform Shop outside of these times, please contact the school to organise a mutually convenient time to access your uniform needs.

Parkview Public School Website

Don't forget to log on to www.parkview-p.schools.nsw.edu.au for all of the latest news, pictures and calendar updates for your school and links to educational information that is relevant to your child!

Golden Apple Docket Fundraiser

Please keep your Golden Apple shopping dockets and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

Finally, as always, if you have an issue or concern please contact the classroom teacher, the appropriate Assistant Principal or myself. From time-to-time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries, or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal, or myself.

**Regards,
Travis Irvin
Principal**
