## **Premiers Debating Challenge Update**

Last Thursday our two debating teams ventured a hop, skip and a jump away to take on the Leeton PS debaters in the first round of the Premier's Debating Challenge.

Our PPS Cats were up first, consisting of speakers **Jack Crowe, Ava Gilmour, Zoe White** and team manager **Airlie Chilko**. It was a unanimous topic selection of "All primary schools should ban homework for students", in which Parkview won the toss and chose to be the affirmative team.

The team received an hour to prepare which they are not allowed to receive any assistance from their teacher. For their first debate, the team went incredibly well, and presented some extremely valid points for why homework should be banned for students. With reasons such as, 'it influences mental health' and 'limiting sporting/lifestyle commitments outside of school'. They received very valuable feedback from the adjudicator, going down narrowly to the LPS Talkers. They will apply this feedback to their next round of debates.

Next up to present their debate were the PPS Giants, consisting of speakers **Grace Curry, Tayliah Coughlan, Sadie Tiffin**, and team manager **Maycie Wall**. The choosing of this topic was not as simple as the first debate. Selecting completely different topics, we had to flip a coin between two topics.

With Parkview calling heads and winning, their selected topic was "All students should receive two chances on every test or assignment", in which they also argued the affirmative. This team also went incredibly well and argued some very valuable points. For example, 'some children get stressed out during tests and don't produce their best work. Hence, if they could receive another chance, they may achieve better results and feel more comfortable'. Again, they received some great comments from the adjudicator, but narrowly fell to the LPS Thinkers.

This was a great experience for our Parkview students, with many of them participating in their very first debate. We are looking forward to seeing their growth throughout the challenge with many more opportunities to harness their skills.

Parkview will host Griffith East PS in the next round of debating on Thursday.

## **Sentral Parent Portal**

The Sentral Parent Portal is proving popular with registered parents and carers, with a range of information, push notifications, permission notes and PLP Conference bookings all currently available at your fingertips through your smart device.

If you are yet to register your account, we encourage you to do so as soon as possible. Below are some reminders on how to connect and what the purpose of the new portal is:

How do you connect to Sentral Parent Portal?

1. Download the Sentral Parent Portal app through the Apple Store or Google Play. This is the most convenient way to access so that you can turn notifications on through the app. You can also access the portal online through the website <https://parkviewps.sentral.com.au/portal2/#!/login>
2. Create your account in Sentral Parent Portal. You then have to wait for school approval. This approval is usually completed once a day, at the end of the day. When your account has been approved, you will receive a confirmation email.
3. Once approved, you will then need to use the unique access key to connect with your student/s information. This key was provided to families at the end of Term 1. Should you need this information provided again, please contact the school. Once you enter the key, you can then access a whole range of information, and this is also the place to book in your interview time.

Sentral Parent Portal will also allow you to keep up to date with news and information, update your child's attendance details and in the near future also respond to permissions notes. It really will be a very handy tool for all parents.

Last term all parents and carers received their own unique access key (unique for each parent/ carer of children) that will enable them to register with the school for communication specific to your children. We encourage everyone to download the Sentral Parent Portal App and follow the information on the letter to start your new communication experience with the school.

Once fully operational, the portal will enable parents and carers to book PLP Conferences, access newsletters, school reports, lodge absence notifications, check student attendance levels, grant permissions for excursions and make payments among other exciting features. Not all of these elements are available yet as we roll out different aspects of the portal, but they will become a feature over the next couple of months. If you have any questions, please contact the school.

### **School Uniforms – What to wear**

As Week 5 has now arrived at school, it is requested that all children commence wearing Winter Uniform. Please contact the school if you have any questions in relation to uniforms.

### **Winhangara Playgroup**

Winhangara Playgroup **continues this Thursday 25<sup>th</sup> May**. Come and enjoy this experience in the comfort of the Parkview Public School Hall from 9:15am-10:45am. As always, we will have a huge range of activities and experiences for all children 0-5 years, and it is a great way for parents and carers to socialise and connect.

Bring the kids and bring a friend. We would love to see you 😊

### **Following us on Facebook**

Are you on Facebook? To get all the latest breaking news and previews of the coming school day ahead, like our school Facebook page and join over 2060 followers who stay up to date with our school happenings via social media.

### **Uniform Shop**

Our P&C Uniform Shop will continue its normal opening times of Monday 9am – 10am and Thursday 2:10pm – 3:10pm. If you require access to the Uniform Shop outside of these times, please contact the school to organise a mutually convenient time to access your uniform needs.

### **Parkview Public School Website**

Don't forget to log on to [www.parkview-p.schools.nsw.edu.au](http://www.parkview-p.schools.nsw.edu.au) for all of the latest news, pictures and calendar updates for your school and links to educational information that is relevant to your child!

### **Golden Apple Docket Fundraiser**

Please keep your Golden Apple shopping docket and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

Finally, as always, if you have an issue or concern please contact the classroom teacher, the appropriate Assistant Principal or myself. From time-to-time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries, or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal, or myself.

**Regards,  
Travis Irvin  
Principal**

## WEEK 5 TERM 2

### **NSW School Sport Unit Girls AFL Champs**

NSW School Sport Unit Girls AFL Championships were hosted in Batemans Bay last week with Zeanna Johnstone (Southern Inland) and Miah Weymouth (Metropolitan West) representing our school at this event.

Both girls performed creditably at the event, with Zeanna's Southern Inland finishing 4<sup>th</sup> at the event with a 2-3 record and Miah's Metropolitan East team winning four of their five games, missing the Grand Final of the competition on percentage.

The standard of this year's competition was excellent with both of our representatives producing some excellent football against the best players in NSW. They should both be extremely proud of their achievements.

### **NSWPSSA Boys AFL Championships**

NSWPSSA Boys AFL Championships were hosted in Batemans Bay last week with Chayce Powles representing Riverina PSSA at the event.

The championships were extremely successful for Chayce and his team, with Riverina winning the NSW Championships for the first time in 6 years.

Chayce played predominantly forward and in the midfield for a team that went through the carnival undefeated, proving to slick for CIS (Combined Independent Schools), MacKillop and Sydney North in the pool games before resounding victories over North Coast (Quarter Finals) and Polding (Semi Finals) to set up a Grand Final re-match with CIS which Riverina won by 27 points!

Congratulations is extended to Chayce and his team mates on an outstanding achievement.

### **NSWPSSA Girls Basketball Champs**

Airlie Chilko will travel to Tamworth next week to represent Riverina at the NSWPSSA Girls Basketball Championships. Airlie was selected for this team following some outstanding performances at the Riverina Championships in March.

Airlie's selection marks the 5<sup>th</sup> consecutive year that Parkview has been represented in the Riverina Girls Basketball Team.

We wish Airlie all the best for this experience. We will have a full report in the newsletter when we she returns. You can keep up to date with the progress of Airlie and her team mates via out school Facebook page.
