I tell my crew 'Be ready' as we roll into the bush.

'I see a Sherman panzer', I shout toward the

As I load a shell I shout 'loaded' at the gunner as the tank rocks back when he fires.

I drive forward as my eyes are filled with terror, 'There's four of them' I shout at the commander, I bail out with a tail to tell,

My crew is dead,

As the last Tiger goes up in flames.

As I hide in the bush like a frozen icicle.
