PARKVIEW PUBLIC SCHOOL

WEEK 10 TERM 1 Commencing Monday 31st of March 2025

Welcome to Week 10 of the term! Another busy week is in front of us as we count down to the end of Term 1.

Before we look forward it is timely to reflect upon another extremely positive week in our community, highlighted by a range of student achievements and a visit from **Narrandera Network Director of Educational Leadership Tanya Whyte**, who spent time with staff and Kindergarten students last week whilst in our community.

From a student achievement perspective, we cannot go past the wonderful achievements of our students at the **LNPSSA Rugby League and Netball Championships** on Thursday. Our boys team won the event for the first time in 9 years which was a tremendous achievement, while our girls team made it 7 consecutive titles after a thrilling overtime win in the final. Full details of both events are contained in Talking Sport.

The new week promises to be jam-packed with learning experiences for all children K-6 and a range of Riverina Sporting opportunities for our children. **Our SRC will also host a World Autism Awareness Day Fundraiser this Wednesday. More details can be found later in the newsletter.**

Please consider the following as you plan your week:

Easter Hat Parade

All of the fun and colour of our **Annual Easter Hat Parade** will be hosted at school on Thursday, 10th April (as advertised on the front of the newsletter). We encourage everyone to join in the fun of this whole school event, with classes parading in front of the entire school from 12:35pm on the day.

As always, we will allocate spectator viewing areas for each class to ensure everyone who would like to see the parade can do so. This will be communicated prior to the event via the Sentral Parent Portal.

The Parkview P&C Canteen are offering a special **Easter Hat Parade Lunch Order** for this day which was sent home last week. We encourage as many community members as possible to support this special lunch. It is initiatives such as this that help to keep our canteen viable. **Lunch orders for this event must be returned to school no later than Tuesday, 8th April.**

Parkview PS Cross Country Carnival

The Parkview PS Cross Country Carnival will be held next Monday, 7th April at school. Full detail of the event are contained in Talking Sport.

One of the traditions of our Cross-Country event is our BBQ lunch for participants and spectators. Pre-orders for the lunch must be returned to school no later than this Friday, 4th April.

Notes that you can expect to see this week:

WEEK 10 TERM 1

LNPSSA Rugby League Championships

On Thursday 27th March, the Parkview Public School Boys PSSA Rugby League representative side attended the Leeton Number One ovals to participate in the annual Classic Shield competition. The team were extremely excited to play alongside one another, after developing some strong, on field connections, through a number of after school training sessions facilitated by Dave Stevens and Brent Pike.

The first game of the day saw Parkview line up against a fleet of foot Narrandera outfit. During the pre-game talk, the boys were challenged to keep things simple, with a focus upon physical effort and communication. From the first kick off, it was clear Narrandera had turned up to play. Capitalising on a number of unforced errors, Narrandera sprang into action and caused some problems down the centre of the park. However, with a settling of nerves and an increase in on-field leadership, the Parkview side began to wrestle back dominance through their strong defensive efforts. Within a blink of an eye, the game opened up, with the Narrandera side struggling to manage the elusive attack of the Parkview playmakers. Following tries from Hunter Heath, Jacovy Wood, Alec Lashbrook and Jason Bevan, as well as two successful conversion attempts from captain, Hudson Stevens, PPS went into the half time break leading 20 points to 4.

The second half was a dominant display from the Parkview squad. The boys had been challenged by coaching staff to tighten up their defensive line and spread the ball wide to the corridors in attack. Unsurprisingly, the team were quick to respond to the challenge, maintaining a defensive line that would ultimately keep their opponent scoreless in the second half. Conversely, the fast and structured nature of Parkview's attack resulted in further tries being scored by Braxton Pike, Reece Munro and Alec Lashbrook, with Alec finishing off his own work with a successful conversion. With 34 points to 4 victory over a brave Narrandera outfit, the foundation had been set for a blockbuster contest with the reigning champions, Leeton Public School.

The major final saw the mighty Parkview Public School boys seeking to reclaim the Classic Shield after 9 long years. The team was motivated by the challenge in front of them, keen to etch their names in the history books by overcoming a strong Leeton Public outfit. Prior to the first whistle, the boys reflected upon the team's strengths from game one, a united defensive line and a willingness to be brave when it was your turn to seize the moment. The game started in what could only be described as an arm wrestle, with both sides running the ball up hard, testing out each other's defensive structures to determine who would take the first backward step. Fortunately for PPS, huge defensive efforts from Hunter Heath, Josef Rogo, Jason Bevan and Tyelar Dinsdale in the centre of the park started to take its toll on their opponent's attack, with fatigue setting in and cracks starting to show in their defensive line. After an intense back and

forth, the Parkview side took advantage of a tiring opponent, with first half tries being scored by Josef Rogo and Hudson Stevens. With Hudson successfully converting his own try, Parkview went into the half time break leading their opponents 10 to nil.

Although in the lead, it was clear, going into the second half, that the game was well and truly still in the balance. With a focus on successfully completing their first 5 sets, the Parkview side lumped the pressure on their opponents, pushing them around the park in attack and driving them back in defence. It wasn't long before Parkview's relentlessness began paying dividends, with tries being scored by Hunter Heath, Hudson Stevens and Fletcher Stevens. Although Leeton Public were able to return serve with a try of their own, it would not be enough to overcome a rampaging Parkview side. At the final siren, the Parkview boys celebrated their achievements in the centre of the ground, ecstatic that their attitude and effort not only led them to a 22 points to 4 victory
., but in doing so, resulted in them being crowned the 2025 LNPSSA Rugby League Champions!

Thanks is extended to Mr Celi in collaboration with Mr David Stevens and Mr Brent Pike for their preparation of the team.

LNPSSA Netball Championships

Parkview's Representative Netball Team have won a thrilling LNPSSA Netball Championship at the Leeton Indoor Stadium last Thursday.

The opening game of the event was against a determined Small School outfit, with Parkview recording a comfortable 27-3 victory. For Parkview Taite Reilly, Alexa Pannowitz and Ava Weymouth all performed to a high standard, setting up a final showdown with Leeton PS.

The final was a tight affair, with Parkview establishing a slender 7-5 half time lead on the back of determined defence from Lara Ganderton and Cobie Lister as well as creative mid-court play from Pippa Quigley and Leah Iannelli.

The second half saw the game tighten up even further, with the full time scoreline reading 12-12, sending the match to two periods of extra time.

With the stadium full of excited spectators, the two teams gave their best in the overtime periods, with Leeton PS taking the lead before Parkview scored two goals in the final 45 seconds thanks to skilful attacking movement from Kelsey Lashbrook and Imogen Boots to secure a memorable victory! Thanks is extended to Mrs Irvin for her coaching of the team.

STAGE 3 SCIENCE

Blubber Me!

In Stage 3's Science unit 'Living World', we have been exploring different adaptations that plants and animals have developed to survive in their environments. In 5/6D we explored how animals, such as whales and walruses, have blubber to help keep them warm in freezing climates.

First, students timed how long their hands could stand in the ice water.

The second time, students rubbed blubber (coppa) onto their hands and placed a glove over the top (acting as the skin). Students concluded that their hands could stand the ice water for longer with the extra layer of blubber.
