PARKVIEW PUBLIC SCHOOL

WEEK 5 TERM 2 Commencing Monday 26th May 2025

Welcome to **Reconciliation Week** at Parkview PS. Reconciliation Week is a significant week in our community and that of the broader Australian population, encouraging us all to seek a united future and to learn from the past, all the while acknowledging and celebrating Aboriginal and Torres Strait Islander people and culture.

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. The dates for NRW are the same each year; **27 May to 3 June**.

Notes that you can expect to see this week:

- **Reconciliation Week Performance (specific students)**

Notes in the last week:

- **Alpha Show Visiting Performance**

These dates commemorate two significant milestones in the reconciliation journey—the successful 1967 referendum, and the High Court Mabo decision respectively.

27 May 1967 was the date of Australia's most successful **referendum** which saw more than 90 per cent of Australians vote to give the Australian Government power to make laws for Aboriginal and Torres Strait Islander people and recognise them in the Census.

3 June 1992 was also a most important date in Australian history, the day the Australian High Court delivered the Mabo decision, the culmination of Eddie Koiki Mabo's challenge to the legal fiction of 'terra nullius' (land belonging to no one) and leading to the legal recognition of Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of lands. This decision paved the way for Native Title.

NRW started as the Week of Prayer for Reconciliation in 1993 (the International Year of the World's Indigenous Peoples) and was supported by Australia's major faith communities.

In 1996, the Council for Aboriginal Reconciliation launched Australia's first National Reconciliation Week. In 2001, Reconciliation Australia was established to continue to provide national leadership on reconciliation. In the same year, approximately 300,000 people walked across Sydney Harbour Bridge as part of National Reconciliation Week and subsequently across bridges in cities and towns to show their support for reconciliation.

Today, NRW is celebrated in workplaces, schools and early learning services, community organisations and groups, and by individuals Australia-wide. NRW is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

At the heart of NRW is reconciliation, which is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians. For Aboriginal and Torres Strait Islander peoples, Australia's colonial history is characterised by devastating land dispossession, violence, and racism. Over the last half century, however, many significant steps towards reconciliation have been taken. Reconciliation is an ongoing journey that reminds us that while generations of Australians have fought hard for meaningful change, future gains are likely to take just as much, if not more, effort.

At Parkview PS we will continue to embrace the reconciliation process and champion a brighter future of understanding and recognition for all Australians.

The theme for Reconciliation Week in 2025 is '**Bridging Now to Next**'.

Bridging Now to Next urges us to look ahead and continue the push forward as past lessons guide us. At a time when Australia faces uncertainty in its reconciliation journey, this theme calls on all Australians to step forward together. In the #NRW2025 theme artwork created by Kalkadoon woman [Bree Buttenshaw](#), native plants – known for regenerating after fire and thriving through adversity – symbolise our collective strength and the possibilities of renewal. This is a time for growth, reflection, and commitment to walking together.

Australia's history of reconciliation is not a linear one but one that includes both great strides and disappointing setbacks.

Twenty-five years ago, Corroboree 2000 brought together Aboriginal and Torres Strait Islander and non-Indigenous leaders in a historic call for reconciliation. We continue that work in 2025, inviting all Australians to join us in *Bridging Now to Next* – building a more united and respectful nation.

Last week was an exciting week in our community highlighted by the success of our Cross Country runners at the **LNPSSA Championships** in Narrandera, with our school winning the Overall Pointscore Trophy for the 5th consecutive year, while two students won age championships, and thirteen students qualified for the Riverina Championships. Full details are included in Talking Sport.

The new week is a busy one highlighted by Reconciliation Week events as well as preparations for a number of extra-curricular activities being hosted in Week 6.

Please consider the following as you plan for a busy week:

Reconciliation Week Walk and Community Breakfast

At Parkview Public School we continue to stand united in our community to advance the Reconciliation process. Part of our commitment is the hosting of our annual Reconciliation Week Walk and Community Breakfast next Tuesday, 27th May.

We strongly encourage all students and community members to join us for this event. We will assemble at the Leeton Post Office at 7:50am and then walk to school at 8am ready for our Community Breakfast from 8:30am. If you cannot join us for the walk, please join us for breakfast and share in the official ceremonies that will be presented as part of our event.

K-2 Major Excursion - Griffith Regional Theatre

K-2 will head to Griffith Regional Theatre to attend a live stage performance of "Guess How Much I Love You." Permission notes and payment information will be distributed in the next week. The total cost will be approximately \$40.

Parkview Attendance League

The PAL continues this week with some significant ladder movement and some disappointing trends for some classes in the last week.

* **Leading Class: 1G Goldies**

* **Most 100% explained absences: 2D Diamonds and 1SH Superheroes**

* **Most improved for Weeks 3-4: 3W Warriors**

Interestingly we have 86 students currently still with 100% attendance for Term 2 The breakup of this is:

*16 in Kinder

*21 in Year 1

*16 in Year 2

*8 in Year 3

*9 in Year 4

*12 in Year 5

*4 in Year 6

Every day of learning matters and we want to see every child at school every day!

The current ladder for Term 2 is outlined to the right.:

E-scooters: Advice for families

An e-scooter is an electric scooter that is powered by a rechargeable battery.

Is my child allowed to ride an e-scooter?

In NSW, it is **illegal** to ride a privately owned e-scooter on roads or road-related areas, including footpaths, shared paths, cycle ways and cycle paths.

If you allow your child to ride a privately owned e-scooter, they are **only permitted** to ride it on private property.

Is my child allowed to ride in a e-scooter trial area?

E-scooter shared schemes are being trialled in designated local government areas in NSW.

Your child must be **16 years or older** to hire and ride a shared e-scooter within a trial area.

Hired shared scheme e-scooters are only able to be used on roads and road-related areas in the designated e-scooter trial areas. It is illegal for privately owned e-scooters to be ridden on NSW roads or road related areas, including in trial areas.
