PARKVIEW PUBLIC SCHOOL

WEEK 10 TERM 2 Commencing Monday 30th June 2025

Welcome to Week 10 of the term at Parkview Public School. This week is particularly significant as we celebrate **NAIDOC Week** at Parkview PS. Our students will be immersed in specific cultural learning experiences to deepen their knowledge linked to Aboriginal and Torres Strait Islander culture when we host a visit from the team from Sandhills Artefacts on Thursday.

National NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth.

In 2025, NAIDOC Week marks a powerful milestone: 50 years of honoring and elevating Indigenous voices, culture, and resilience. The 2025 theme, **"The Next Generation: Strength, Vision & Legacy,"** celebrates not only the achievements of the past but the bright future ahead, empowered by the strength of our young leaders, the vision of our communities, and the legacy of our ancestors.

THE NEXT GENERATION: STRENGTH, VISION & LEGACY

6-13 JULY 2025

The last 7 days in our community have been enormous with so many exciting experiences and achievements from our children. Perhaps the most exciting was the achievement of **Jenny Thorpe**, who has been recognised as an award recipient in the **Magic of Wiradjuri Country Photo Competition** — a remarkable achievement that shines a light on both her creativity and her connection to Country.

The Magic of Wiradjuri Country competition, an initiative led by Riverina Local Land Services, invites amateur photographers across our region to capture and celebrate the natural beauty and cultural significance of Wiradjuri Country. Open to both primary and secondary students, the competition encourages young people to share their perspectives through the lens.

Jenny's winning photo stood out for its unique composition and the powerful story it tells about the land we live on and learn from. Her work will now be showcased as part of an official exhibition, alongside other winning entries — a true testament to her talent and vision. We are incredibly proud of Jenny for representing our school and community with such pride and artistry. Congratulations Jenny, on this well-deserved recognition!

Last week was also a huge one in a number of different areas. Last Friday the hosting of the finals of the Parkview Spelling Bee, with students battling it out in high standard competitions for the honour of being names Spelling Bee Champion for 2025.

Congratulations to all the children who competed in the finals and thanks to everyone who came along and supported the kids.

The respective winners of each stage were:

Stage 1: Grace McInnes

Stage 2: Deacon McInnes

Stage 3: Jasper White

Notes that you can expect to see this week:

- **Attendance Reward information**
- **Semester 1 School Reports**

Notes in the last week:

- **School Spectacular Information (involved students)**
- **School Build Update (all**

Last week also saw the commencement of the debating season with our two representative teams in the **Premiers Debating Challenge** argue topics on Technology and Screens.

The first debate saw the **Parkview Cats** take on Arianh Park Central Team A. The topic was 'that we should ban kids under 12 from ever playing any kind of game on a screen'. Parkview argued the negative case for the topic.

The second debate saw the **Parkview Giants** take on Arianh Park Central Team B. Parkview argued the negative for the topic 'that Year 5/6 kids should do all their schoolwork on a screen instead of using textbooks and paper'.

The adjudicator spoke highly of both teams and was impressed that all speakers discussed lots of different stakeholders including: people, education, schools, government and economy throughout their arguments.

The Parkview Cats had a narrow loss and the Parkview Giants had a win in two high standard debates.

We are proud of the efforts of all our participants in their first debates of the year. We look forward to more competition next term!

The final week of what has been an amazing semester is upon us. Don't forget the following as we plan for massive week.:

Semester 1 Reports Distribution
